Fastiggi,2014-05-17 Creating Eartheaven in Your Life is unique and it is innate in all human beings Humanitys quest for a wholesome peaceful life goes unabated Our search for our better self that identifies with the reality of the world we live in all too often filled with grief and stress is juxtaposed with faith and hope for change or a miracle Do we just have faith expecting God will deliver humanity from the ills we have caused Should we just buckle down and be practical seeking solution with our rational self What kind of God do we actually know or are we seeking a relationship with an image of God taught to us What is the divine matrix and does a personal God speak to us Science stands for one view of creation and faith stands for another Is there a joining point of the two Has our species Homo sapiens stalled out in evolutionary development Is the world becoming a village of cooperation and mutual peace seeking Can we continue the way we have been and survive our own arrogance What is the future of faith religion and spirituality The author in a comprehensive way takes us on a journey to explore answers to these questions and much more Eartheaven is a paradigm of integration between the souls development and our biological body and by extension all creation He delves into scientific reality while preserving in the beginning God created Creating Eartheaven in Your life is a deep exploratory of the souls life in the experience of hurt and suffering and the potential for there to be personal divine human embodiment and therefore earth peace Through ten fundamental teaching combining Jesus words of two thousand years ago an Aramaic understanding the authors revelatory experience in an apparition of Jesus his 44 years life experience psychology and science your reading and learning experience will be a challenge and liberation of the soul Profound transformation is needed and this codex offers the leverage needed to shift our life course towards personal awakening and transformation as well as providing a blue print for future generations Creating Eartheaven in Your Life brings us into universal principles of life a meeting for humanity without walls This volume of two addresses specifically transformation of the soul heaven unfolding Volume two addresses transformation of the body representing the earth and thus eartheaven Granted this book is not an easy read but proves to be a strong mirror reflecting back to us our lives and what we can become fulfilling humanitys evolutionary life potential and perhaps vital to our survival as a people **Heaven's Bride** Leigh Eric Schmidt,2010-12-07 The nineteenth century eccentric Ida C Craddock was by turns a secular freethinker a religious visionary a civil liberties

advocate and a resolute defender of belly dancing Arrested and tried repeatedly on obscenity charges she was deemed a danger to public morality for her candor about sexuality By the end of her life Craddock the nemesis of the notorious vice crusader Anthony Comstock had become a favorite of free speech defenders and women s rights activists She soon became as well the case history darling of one of America s earliest and most determined Freudians In Heaven s Bride prize winning historian Leigh Eric Schmidt offers a rich biography of this forgotten mystic who occupied the seemingly incongruous roles of yoga priestess suppressed sexologist and suspected madwoman In Schmidt s evocative telling Craddock s story reveals the beginning of the end of Christian America a harbinger of spiritual variety and sexual revolution **Walk-Don't Run - The**

Library of Congress Catalogs Library of Congress,1976 Hallowed Be Thy Name Jason Goroncy,2013-03-28 This book fills a noticeable gap in Forsyth studies It provides readers interested in the thought of Forsyth with a way of reading and critiquing his corpus and that in a way that takes due account of and elucidates the theological philosophical and historical locale of his thought Goroncy explores whether the notion of hallowing provides a profitable lens through which to read and evaluate Forsyth's soteriology He suggests that the hallowing of God's name is for Forsyth the way whereby God both justifies himself and claims creation for divine service This book proposes that reading Forsyth's corpus as essentially an exposition of the first petition of the Lord's Prayer is an invitation to better comprehend not only his soteriology but also by extension his broader theological vision and interests
