and more suspect as he revisits the events that eventually tore the family in two sending his father to prison his mother to the state hospital and placing himself a teenager in charge of thirteen year old Anton Traveling back and forth in time Jon tells his family s story perhaps his last chance to share it to his beloved wife Ingrid circling ever closer to the truth about those events and his own part in them and revealing the perhaps unforgivable violence done to the brothers bond The dream of ski jumping haunts Jon as his tale unfolds daring time to stop just long enough to stick the landing As thrilling as those soaring flights as precarious as the Bargaard family s complicated love as tender as Jon s backward gaze while disease takes him inexorably forward Peter Geye s gorgeous prose brings the brothers to the precipice of their relationship where they have to choose each other or the secrets they ve held so tightly for so long
