The Holocaust Dogma Of Judaism Keystone Of The New World Order:

The Ruling Elite Deanna Spingola, 2014 Providing a general overview of the accurate history of World War II which was essentially a continuation of World War I with the same saber rattling participants The Ruling Elite describes the circumstances leading up to World War II Author Deanna Spingola discusses how the diaspora distributed international bankers living and prospering in Britain France and America influenced greedy compromised and complicit politicians in those nations The Ruling Elite explains that through deceptive propaganda those politicians persuaded naive citizens to wage war against Germany a peace loving nation whose leaders were uncooperative with the bankers which led to World War I Following that war German officials rejected the bankers and their money lending scheme to save their nation and its citizens from the burden of debt The aftermath of World War II a deadly war that killed millions and imposed communism in numerous countries impacted every banker occupied country in various ways culturally morally politically and economically Researched through historical documents and scholarly works The Ruling Elite describes how warmongers regularly project their criminal activities onto others frequently blaming the victim whether an individual or a nation Spingola offers an unbiased look at World War II beginning with Hitler and the rebirth of Germany through the aftermath of the war

Generations of Betrayal NSLeumas, 2014-10-17 more praises You need to know everything in GOB if you are to understand the subversive forces which are destroying our nation our White Heritage gp GOB is the one phenomenal underground book that if read by enough people will turn America upside down ss million words No greater action exists that YOU now can do for our cause than to spread GOBs message Hidden truths revealed never before combined in one book The most important book of the 21st century published at locations worldwide NSL chose to be the mouthpiece against the schemers before his own voice is stilled Youll be fascinated by my uncoverings be satisfied that this is the final word in exposing the lying deceivers so give your commitment to spreading GOBs iconoclastic scholarly research N S Leumas He is multiply published in all genres He has voraciously studied everything historical since ancient times revealing connected links of ramifications up to present times He excels in history research GOB took him 25 years to complete **Holocaust Denial as an International Movement** Stephen E. Atkins, 2009-04-30 The end of World War II saw an emergence of Holocaust dissent that began in Europe and has since developed into an international movement with adherents in almost every country in the world At first this denial was fueled by the desire to rehabilitate Adolf Hitler and the Nazi regime in an effort to reestablish a neo Nazi state In the following years coupled with the renewal of anti Semitism this dissent has been used as a means of denying the legitimacy of the state of Israel Despite these motivations the ultimate cause for concern is in the way this denial attracts its members by both challenging the existence of the Holocaust and the testimony of its witnesses By tracing the history causes and spread of Holocaust denial Atkins reveals the dangers this mindset poses to rational thinkers who become vulnerable to fringe ideas This book traces the state of the international Holocaust denial movement in

the early 21st century grounding contemporary thought in the history of the movement Since Holocaust deniers have distorted the facts about this mass genocide Atkins discusses just what is known about the Holocaust from historical research conducted since World War II The role of negative racial genetics is explored in both Hitler s intellectual makeup and among the leaders of the German right wing including historians assessments of Hitler s anti Semitism motivations and decision making Also provided is a roll call of Holocaust dissenters in countries such as the United States Germany France Great Britain Russia and Italy among many others By analyzing the arguments of leaders within this expanding dissention movement this book demonstrates how extremists build informational links that have wide ranging effects **The**
