have now altered away from Blayney's 1769 Edition. The distinctions between the Oxford and Cambridge editions have been a major point in the Bible version debate. Differences among Cambridge editions in the 21st century have become a potential theological issue, particularly in regard to the identification of the Pure Cambridge Edition Translation. The English terms rejoice and glory stand for the same word in the Greek original. In Tyndale's Geneva and the Bishops' Bibles, both instances are translated rejoice. In the Douay Rheims New Testament, both are translated glory. Only in the Authorized Version does the translation vary between the two verses. In the Old Testament, the translators render the Tetragrammaton YHWH by the LORD in later editions in small capitals as LORD or the LORD God.
