The Holy Grail And Analogies Of Masonry:

The Holy Grail and Analogies of Masonry Arthur Edward Waite, 2005-12-01 This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia, and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high-quality modern editions that are true to the original work.

The Holy Grail Arthur Edward Waite, 2006-01-01 The Grail legend is the centerpiece of Arthurian literature, and this classic work by the renowned scholar Arthur Edward Waite ranks among the most informative and profound books ever written on the subject. While the myths surrounding the Holy Grail are seemingly in harmony with orthodox religion, Waite reveals that beneath their pious surface, they are as subversive as any other form of mysticism, illustrating the symbolic nature of doctrinal teachings no more intended for literal interpretation than is any fiction. With this informative study, Waite restores the full and true meaning of the knightly quests for honor and adventure as journeys of the soul.

Revelation of the Holy Grail Chevalier Emerys, 2007-09-01 The Holy Grail has become a popular field of study in recent years; however, most books on the subject are written by authors who are not themselves initiated into the mystery school tradition of the Grail. *Revelation of the Holy Grail* is one of the first books on the subject which is written by an initiate within several of the Knighthood Orders associated with the Grail Tradition. This book provides many previously unpublished facts about the history and tradition of the Grail movement, which includes some of the most influential people in human history. The Quest of the Holy Grail has proved to really be about the quest for human civilization. It has spawned not only the greatest political movements in history but also it has been the cornerstone of human technology, Alchemy, Hebrew Mysteries, Templar Secrets, ancient technologies, Gnostic traditions, and secret societies have all been involved in this exciting history, which is the backbone of our modern day world.

Guardians of the Holy Grail Mark Amaru Pinkham, 2004 Presenting the ancient Holy Grail lineage from Asia and how the Knights Templar were initiated into it, this book reveals how ancient Asian wisdom became the foundation for the Holy Grail legend.

Mason,2006 Many scholars have documented and decried the crisis in American masculinity There is a preponderance of evidence showing that males suffer from many physical emotional and social ills due to the gender scripts with which they were raised and which continue to govern men s lives Throughout the millennia and across cultures initiation rites of passage have been utilized as an effective means of transitioning young males into manhood Modern culture suffers from a dearth of rites of passage leaving many boys stuck in puerile attitudes and behaviors and unable to make a wholesome transition into mature masculinity Crossing into Manhood is a much needed guide on assisting late adolescent boys transition into manhood it proposes a school based curriculum and rite of passage paradigm to help young men make the difficult passage into manhood Utilizing resources from diverse academic disciplines this book surveys the psychoanalytic the social

constructionist and the essentialist perspectives on masculine gender. As a result, a men's studies curriculum has been formulated, one that offers a balanced bio-psycho-social conceptualization of masculine identity. Educators will find the contents of this book helpful in providing the key conceptual information necessary to teach a men's studies course to late adolescent boys. This book will provoke further dialogue and work among educators and other adults in this important area.
