Zertuche,2008-11 YOU ARE TRULY LOVED There is One whom loves you more than you will ever ever know more than you can ever imagine He is among us and He s written us a beautiful and amazing love letter He wants you to know just how much He truly loves you    **Great Days with the Great Lives** Charles R. Williams Jr.,2020-06-26 This inspirational book takes a brief but in depth look into God s grace and the faith we have to receive it From salvation to a deeper more personal walk with God this book is intended to ground you in God s unfailing unending ever flowing grace and encourage and embolden you to open your hands of faith and receive all that your Abba Father has for you Scriptures are provided and referenced for a more personal and deeper level of study May your spiritual eyes be opened and your heart be uplifted as you discover and explore God s amazing grace    A Commentary on the Gospel of John David Pawson,2015-06-24 John is a remarkable Gospel utterly different from the other three It reflects the unique insights of the man who was closest to Jesus while he was on earth and is full of concern that we should not just know about what Jesus did but should also realize who he was It reflects too John s burden the believers in Jesus should not be side tracked by erroneous teaching whether concerning Jesus identity or the veracity of his claims He wanted believers to be absolutely sure that eyewitnesses Jesus own words and his astonishing works all point to one who was truly God come in the flesh the living Word the very glory of God among humanity John s collected evidence and proof all make the most compelling testimony to Jesus right to demand our on going trust and obedience    The Great Tithing Debate A. Bruce Wells,2007-03-16 Finally there s a book that uses sound rightly divided doctrine and wisdom to answer all your tithing questions No longer will you have to rely on opinions clich s wishful thinking passed down deceptions legalism or plain ole foolishness just to know what is required of you and where you stand with God The Bible is very clear for those who

want to know All of your questions are thoroughly answered in THE GREAT TITHING DEBATE The huge list of tithing questions compiled over years of waiting for tithing to finally work hinges on an exhaustive knowledge or lack thereof concerning exactly what Jesus fully accomplished at the cross When the reality of redemption is properly understood most questions disappear and the once shaky believer finds that not only is he now standing on solid rock but has actually become part of that rock When redemption is fully understood one realizes that the act of tithing to open heaven or provide anything that Jesus freely gave at the cross is actually an insult to the suffering He endured at the cross Yes tithing worked in the Old Covenant as a part of the total Law but has absolutely no place in the New Covenant that provides everything Romans 8 32 through the blood of Christ Peter counted such teaching as tempting the Holy Spirit in Acts 15 Paul obviously had the same opinion in most of his writings for those who will read them without wearing their tithing glasses We may call it an act of faith obedience doing the Word good stewardship or what ever we want but at the end of the day it is nothing more than an obsolete Old Testament ordinance that will only frustrate the grace of God as Paul taught in Galatians As circumcision became nothing under the NT likewise tithing is no longer obligatory Wouldn't it be wonderful to actually have your prayers easily answered because of Jesus finished work and the Name He gave us to use Would you like to know that God is going to say yes to His promises without you having to wonder if all your church ducks are in a row And finally wouldn't it be nice to have a royal ring put on your finger a kingly robe put on your back and a big hug of approval without having to sleep in the bunk house as a servant until it's decided that you can be trusted So this is a book about salvation something that the church seems to know little about Beyond forgiveness of sins today's church seems to be unaware and uninterested in understanding redemption This vacuum has left us open to a myriad of opinions questionable doctrines and even deception This book endeavors to fill some of that vacuum You should get a copy and explore the possibilities of the complete redemption that God intended for us to enjoy Examine the free preview below and taste and see that the Lord is good even much better than we've been taught Hopefully pride a rampant byproduct of legalism and performance won't keep you from hearing Maybe you're still teachable and open to God's leading even if you're already pretty sure you have a good understanding of the duties required of a genuine Christian DO YOU KNOW THAT Malachi was      **Breaking Chains** Dennis Nickell, Diana Nickell, 2004-03 Every time I hear stories about trials tribulations and God's mercy and grace I stand in awe of His love for the whole world Product of Love is not just another book to choke the already glutted shelves in bookstores it is a true life adventure that needs to be read and passed around to as many people as possible Thank you Dennis and Diana for sharing your soul with us For those who take the time to read Product of love closely and apply the lessons written on the pages they are in store for some pleasant surprises Chuck Dean Author of Nam Vet Making Peace With Your Past I read the entire book in one long night Great Powerful Wonderful I can't see how anyone would not be deeply moved Thanks for impacting my life This is real adventure as one moment you laugh the next you weep the next life's difficulties seem impossible then all works
