The Hong Kong Caper Carter Brown, Robert McGinnis, 1965 Catalog of Copyright Entries Library of Congress. Copyright Office, 1963 **Wonder Woman** Regina Luttrell, 2020-02-20 Wonder Woman was created in the early 1940s as a paragon of female empowerment and beauty and her near eighty year history has included seismic socio cultural changes In this book Joan Ormrod analyses key moments in the superheroine s career and views them through the prism of the female body This book explores how Wonder Woman s body has changed over the years as her mission has shifted from being an ambassador for peace and love to the greatest warrior in the DC transmedia universe as she s reflected increasing technological sophistication globalisation and women s changing roles and ambitions Wonder Woman s physical form Ormrod argues is both an articulation of female potential and attempts to constrain it Her body has always been an amalgamation of the feminine ideal in popular culture and wider socio cultural debate from Betty Grable to the 1960s mod girl to the Iron Maiden of the 1980s Chinese in Australian Fiction, 1888-1988 , *Befriend and Betray* Alex Caine, 2009-02-17 The Hells Angels The Bandidos Asian triads Russian mobsters and corrupt cops Even the KKK Just part of a day s work for Alex Caine an undercover agent who has seen it all Alex Caine started life as a working class boy who always thought he d end up in a blue collar job But after a tour in Vietnam and a stretch in prison on marijuana possession charges he fell into the cloak and dagger world of a contracted agent or kite infiltrating criminal groups that cops across North America and around the globe were unable to penetrate themselves Thanks to his quick wittedness and his tough but unthreatening demeanor Caine could fit into whatever unsavory situation he found himself Over twenty five years his assignments ran the gamut from bad ass bikers to triad toughs When a job was over he d slip away to a new part of the continent or world where he would assume a new identity and then go back to work on another group of bad guys Told with page turning immediacy *Befriend and Betray* gives a candid look behind the scenes at some familiar police operations and blows the lid off others that law enforcement would much prefer to keep hidden And it offers an unvarnished account of the toll such a life takes one that often left Caine to wonder who he really was behind those decades of assumed identities Or whether justice was ever truly served

SAS Heroes Pete Scholey,2011-12-20 SAS Heroes contains former SAS member Pete Scholey s memories of 20 soldiers who were genuine heroes although many were never recognised as such during their lives or even in death It is a book of stories about soldiers who fought for their country with no desire to be famous feted or rewarded many of whom died in action A few received medals and all earned the respect and admiration of their fellow soldiers their names and faces etched into the true history of the SAS Some of the stories of Pete s heroes have never been told before and certainly none of the tales of combat and life in the regiment have been told in such a touching real and compelling manner

Historical Dictionary of Film Noir Andrew Spicer,2010-03-19 Film noir literally black cinema is the label customarily given to a group of black and white American films mostly crime thrillers made between 1940 and 1959 Today there is considerable dispute about what are the shared features that classify a noir film and therefore which films should be included in this category These problems are partly caused because film noir is a retrospective label that was not used in the 1940s or 1950s by the film industry as a production category and therefore its existence and features cannot be established through reference to trade documents The Historical Dictionary of Film Noir is a comprehensive guide that ranges from 1940 to present day neo noir It consists of a chronology an introductory essay a bibliography a filmography and over 400 cross referenced dictionary entries on every aspect of film noir and neo noir including key films personnel actors cinematographers composers directors producers set designers and writers themes issues influences visual style cycles of films e g amnesiac noirs the representation of the city and gender other forms
