The Houses Of Roman Italy 100 Bc Ad 250 Ritual Space And Decoration:

The Houses of Roman Italy, 100 B.C.- A.D. 250 John R. Clarke, 1991 Extensively documented with well chosen good quality photographs Clarke s book effectively surveys these representative examples from the Late Republic to the Late Empire illustrating the shift in the agendas of decoration as well as in the patterns of the lives played out behind closed doors within these highly charged domestic interiors Richard Brilliant author of *Visual Narratives Storytelling in Etruscan Roman Art* An enlightening and engaging walk through Roman cultural history This book will be essential to anyone interested in the classical past in artistic ensembles or in the experience of architecture Diane Favro University of California Los Angeles Real experts in Roman painting are few This book should be very welcome to Roman art historians and social historians wanting to present this material to their students Eleanor Winsor Leach author of *The Rhetoric of Space* **The Houses of Roman Italy, 100 B.c.-a.d. 250** John R. Clarke, 1991 **The House of Roman Italy 100 B.C. - A.D. 250** John R. Clarke, 1991

The Roman Villa Alfred Frazer, 1998-01-29 This edited volume based on the first Williams Symposium on Classical Architecture held at the University of Pennsylvania in April 1990 focuses on the theme of the well appointed Roman country house Using archaeological and textual evidence the chapters address issues of villa composition economy and society The volume also explores the possible reasons that Greeks did not embrace the villa lifestyle as the Romans so eagerly did Finally this book provides a promising foundation for future studies of the nature of the villa phenomenon Contributors Lisa Fentress Chrystina H uber Adolf Hoffmann Ann Kuttner Hans Lauter Guy Metraux Richard Neudecker Andrew Wallace Hadrill Symposium Series 9 University Museum Monograph 101 *Augustus and the Family at the Birth of the Roman Empire* Beth Severy, 2004-02-24 In this lively and detailed study Beth Severy examines the relationship between the emergence of the Roman Empire and the status and role of this family in Roman society The family is placed within the social and historical context of the transition from republic to empire from Augustus rise to sole power into the early reign of his successor Tiberius *Augustus and the Family at the Birth of the Roman Empire* is an outstanding example of how if we examine private issues such as those of family and gender we gain a greater understanding of public concerns such as politics religion and history Discussing evidence from sculpture to cults and from monuments to military history the book pursues the changing lines between public and private family and state that gave shape to the Roman imperial system **The Early Christian World** Philip F. Esler, 2002-09-11 *Early Christian World* presents an exhaustive erudite and lavishly illustrated treatment of how the small movement which formed around Jesus in Galilee became the pre eminent religion of the ancient world The work begins by firmly situating early Christianity within its Mediterranean social political and religious contexts before charting the history of the first Christian centuries The creation and perpetuation of Christian communities through various means including mission and monasticism is explored as is the everyday experience of early Christians through discussion of gender and sexuality religious practice communication and social structures The intellectual particularly theological and

artistic heritage of the period is fully considered and a vivid picture painted of the internal and external challenges faced by early Christianity The book concludes with profiles of the most notable figures of the age Comprehensive and accessible Early Christian World provides up to date coverage of the most important topics in the study of early Christianity together with an invaluable collection of visual material It will be an indispensable resource for anyone studying this period The Early Christian World Philip Francis Esler,2004 The Early Christian World presents an exhaustive erudite and illustrated treatment of how the small movement which formed around Jesus in Galilee became the pre eminent religion of the ancient world

Women in Antiquity Sarah M. Nelson,2007 Archaeology is one of our most powerful sources of new information about the past about the lives of our ancient and not so ancient ancestors The contributors to Women in Antiquity consider the theoretical problems involved in discerning what the archaeological evidence tells us about gender roles in antiquity The book includes chapters on the history of gender research historical texts mortuary analysis household remains hierarchy and ethnoarchaeology with each chapter teasing out the inherent difficulty in interpreting ancient evidence as well as the promise of new understanding Women in Antiquity offers a fresh accessible account of how we might grasp the ways in which sexual roles and identities shaped the past *Handbook of Gender in Archaeology* Sarah Milledge Nelson,2006-07-13 The pursuit of gender in the archaeological record is explored in this exciting new collection of essays by renowned archaeologists and gender theorists These essays place gender in the context of the past by approaching the data in light of the previous decades of gender research Issues such as tool making hunting and evolution take on new meaning as the contributors examine the impact of gender worldwide They do so in terms of the theories methods and ways of teaching and learning amassed through archaeological data These essays provide insight into the study of gender in archaeology and will prove valuable to the scholarship of gender based theory *Working Lives in Ancient Rome* Del A. Maticic,Jordan Rogers,2024-09-26 This book sheds new light on labor and laboring in the Roman world It starts with the individual laborer and works up emphasizing their agency in navigating transforming and transcending the systems and structures around them Taking advantage of the broad applicability of notions of work and labor to human lives at every rung of Roman society the volume also offers numerous overlapping frameworks for thinking comparatively between many different kinds of work whether in agriculture craft trade politics art or literature The book is organized around the typical work life experience of the modern 9 to 5 and provides a means of thinking in a rigorous way about how the working lives of scholars of Rome are caught up in ancient discourse and practices The School Librarian's Compass Rebecca J. Morris,2023-06-30 By working through these cases and the accompanying learning exercises both pre service and practicing school librarians will strengthen their readiness expand their perspectives and build confidence for solving problems and making informed thoughtful decisions in their school libraries In their preparation for school librarianship library students learn foundational ideals and observe best practices that center and guide their work However discussions of aspirational versions of school

librarianship often leave out sufficient practice in managing the many challenges and decisions school librarians face on the job In this book veteran educator Rebecca J Morris uses stories of day to day librarianship to empower school librarians as they navigate and manage the complex interactions decisions and opportunities of their work The book s alignment with the AASL CAEP standards makes it helpful to school library educators planning curriculum syllabi and course activities Perfect for reading or study groups graduate classes and professional development these stories invite reflection and lively conversation

A Cultural History of Objects in Antiquity Robin Osborne,2022-08-31 A Cultural History of Objects in Antiquity covers the period 500 BCE to 500 CE examining ancient objects from machines and buildings to furniture and fashion Many of our current attitudes to the world of things are shaped by ideas forged in classical antiquity We now understand that we do not merely do things to objects they do things to us Reinterpreting objects in Greece and Rome casts new light on our understanding of ourselves and turns the ancient world upside down The 6 volume set of the Cultural History of Objects examines how objects have been created used interpreted and set loose in the world over the last 2500 years Over this time the West has developed particular attitudes to the material world at the centre of which is the idea of the object The themes covered in each volume are objecthood technology economic objects everyday objects art architecture bodily objects object worlds Robin Osborne is Professor of Ancient History at the University of Cambridge UK Volume 1 in the Cultural History of Objects set General Editors Dan Hicks and William Whyte
