**The Himmler Ploy** Юлиан Семенов, 1978      *The Himmler Ploy* I[O]lian Semenov, 1979      **The Himmler Ploy** Юлиан Семенов, 1978      **Seventeen Moments of Spring** Юлиан Семенов, 1988 During World War II Soviet super agent Isaev races to foil a plot by Hitler's advisors to negotiate a separate peace with the West and to create a capitalist fascist front against the Soviet Union      **The Hidden Nazi** Dean Reuter, Keith Chester, Colm Lowery, 2019-10-08 He's the worst Nazi war criminal you've never heard of Sidekick to SS Chief Heinrich Himmler and supervisor of Nazi rocket scientist Wernher von Braun General Hans Kammler was responsible for the construction of Hitler's slave labor sites and concentration camps He personally altered the design of Auschwitz to increase crowding ensuring that epidemic diseases would complement the work of the gas chambers Why has the world forgotten this monster Kammler was declared dead after the war But the aide who testified to Kammler's supposed suicide never produced the general's dog tags or any other proof of death Dean Reuter Colm Lowery and Keith Chester have spent decades on the trail of the elusive Kammler uncovering documents unseen since the 1940s and visiting the purported site of Kammler's death now in the Czech Republic Their astonishing discovery US government documents prove that Hans Kammler was in American custody for months after the war well after his officially declared suicide And what happened to him after that Kammler was kept out of public view never indicted or tried but to what end Did he cooperate with Nuremberg prosecutors investigating Nazi war crimes Was he protected so the United States could benefit from his intimate knowledge of the Nazi rocket program and Germany's secret weapons The Hidden Nazi is true history more harrowing and shocking than the most thrilling fiction      [How Hitler Evolved the Traditional Army Establishment](#) Andrew Sangster, Pier-Paolo Battistelli, Pier Paolo Battistelli, 2024-08-30 An examination of Hitler's key military generals and their contributions and failures to the Germany military Under the surveillance of General von Seeckt the Germans re-established their military which Hitler utilised for his aggression of recovering Germany's military greatness This book explores some of the leading military figures The often ignored Field Marshal Keitel is explored to see if there were any substance in the Allied belief that this Chief of the OKW was the driving force behind initial German success or was he merely Hitler's lackey and bureaucrat He was derided by his contemporaries because of his unstinting Prussian obedience to Hitler This sense of total compliance was also reflected by General Paulus who although obedient was reluctant to carry out Hitler's barbaric orders relating to Jews and prisoners but otherwise was obedient and trusting of Hitler even though he knew it would lead to military disaster It took time in a Russian prison camp to turn him against the once adored German dictator where he eventually became anti-Nazi In striking contrast to the failed Paulus Field Marshal Manstein is examined He was a skilled strategist and tactician and proved this in his victory in France He lacked the social sophistication of many other leading military commanders but he was one of the very few who had the courage to challenge Hitler's military directions and decisions He was eventually dismissed by Hitler and postwar wrote two books to

regain his reputation despite the fact he was convicted of war crimes and whether he deserves a pedestal remains with the reader

**Hitler's Children** Gerhard Rempel, 2015-07-15 Eighty two percent of German boys and girls between the ages of ten and eighteen belonged to Hitlerjugend Hitler Youth or one of its affiliates by the time membership became fully compulsory in 1939 These adolescents were recognized by the SS an exclusive cadre of Nazi zealots as a source of future recruits to its own elite ranks which were made up largely of men under the age of thirty In this book Gerhard Rempel examines the special relationship that developed between these two most youthful and dynamic branches of the National Socialist movement and concludes that the coalition gave nazism much of its passionate energy and contributed greatly to its initial political and military success Rempel center his analysis of the HJ SS relationship on two branches of the Hitler Youth The first of these the Patrol Service was established as a juvenile police force to pursue ideological and social deviants political opponents and non conformists within the HJ and among German youth at large Under SS influence however membership in the organization became a preliminary apprenticeship for boys who would go on to be agents and soldiers in such SS controlled units as the Gestapo and Death s Head Formations The second the Land Service was created by HJ to encourage a return to farm living But this battle to reverse the flight from the land took on military significance as the SS sought to use the Land Service to create defense peasants who would provide a reliable food supply while defending the Fatherland The transformation of the Patrol and Land services like that of the HJ generally served SS ends at the same time that it secured for the Nazi regime the practical and ideological support of Germany s youth By fostering in the Hitler Youth as national community of the young the SS believed it could convert the popular movement of nazism into a protomilitary program to produce ideologically pure and committed soldiers and leaders who would keep the movement young and vital

The SS Robert Lewis Koehl, 2012-05-30 The SS grew out of Adolf Hitler and Heinrich Himmler's obsession to prevent the treachery they believed to have caused the German defeat in the First World War The SS was to be an elite corps of politically aware soldiers whose primary aim was to prevent the undermining of the Nazi Party by rendering its potential enemies harmless This disturbing story reveals not only the inner workings of the SS but its paramount role in the mass murder of Europe's Jews homosexuals and gypsies its organisation of the death squads and the military campaigns undertaken by the Waffen SS

**Hitler's Gladiator** Charles Messenger, 2011-08-01 A charismatic yet notorious character Sepp Dietrich the man is impossible to separate from Sepp Dietrich the General who was awarded twenty four different honors during his service to the Nazi party and was known for his devotion to his men as he led them through some of the fiercest fighting in the war In this extensively researched book historian Charles Messenger attempts to discover the truth about this sparsely documented man painting a vivid picture of the aggressive war and politics under the Third Reich From Dietrich's humble upbringing and his eventual rise to General to his dissatisfaction with Hitler's leadership and the trials he faced after the war Dietrich remains a mysterious figure in history **Hitler's Peace** Philip Kerr, 2006-08-01 The New York Times bestselling author of the Bernie Gunther novels reimagines the end of World War 2 in this gripping standalone spy thriller Autumn 1943 Since Stalingrad Hitler has known that Germany cannot win the war The upcoming Allied conference in Teheran will set the ground rules for their second front and for the peace to come Realizing that the unconditional surrender FDR has demanded will leave Germany in ruins Hitler has put out peace feelers Unbeknownst to him so has Himmler who is ready to stage a coup in order to reach an accord FDR and Stalin are willing to negotiate Only Churchill refuses to listen At the center of this high stakes game of deals and doubledealing is Willard Mayer an OSS operative who has been chosen by FDR to serve as his envoy A cool self absorbed emotionally distant womanizer with a questionable past Mayer has embraced the stylish philosophy of the day in which no values are fixed He is the perfect foil for the steamy world of deception betrayals and assassinations that make up the moral universe of realpolitik With his sure hand for pacing his firm grasp of historical detail and his explosively creative imagination about what might have been Philip Kerr has fashioned a totally convincing thinking man's thriller in the great tradition of Eric Ambler and Graham Greene **Hitler's Foreign Executioners** Christopher Hale, 2011-04-11 In Hitler's Foreign Executioners Heinrich Himmler's secret master plan for Europe is revealed an SS empire that would have no place for either the Nazi Party or Adolf Hitler His astonishingly ambitious plan depended on the recruitment of tens of thousands of Germanic peoples from every corner of Europe and even parts of Asia to build an SS Europa This revised and fully updated book researched in archives all over Europe and using first hand testimony exposes Europe's dirty secret nearly half a million Europeans and more than a million Soviet citizens enlisted in the armed forces of

the Third Reich to fight a deadly crusade against a mythic foe Jewish Bolshevism Even today some apologists claim that these foreign SS volunteers were merely soldiers like any other and fought a decent war against Stalin's Red Army Historian Christopher Hale demonstrates conclusively that these surprisingly common views are mistaken By taking part in Himmler's murderous master plan these foreign executioners hoped to prove that they were worthy of joining his future SS Europa But as the Reich collapsed in 1944 Himmler's monstrous scheme led to bitter confrontations with Hitler and to the downfall of the man once known as loyal Heinrich
