**John Lofland,Victoria Lee  
Johnson,Pamela Kato**

## **The History Of The Womens Peace Party:**

The History of the Woman's Peace Party Marie Louise Degen, 1974      **Reconstructing Women's Thoughts** Linda Kay Schott, 1997 A study of the women who led the United States section of the Women's International League for Peace and Freedom in the interwar years this book argues that the ideas of these women the importance of nurturing nonviolence feminism and a careful balancing of people's differences with their common humanity constitute an important addition to our understanding of the intellectual heritage of the United States Most of these women were well educated and prominent in their chosen fields they included Jane Addams and Emily Greene Balch the only two United States women to win Nobel Prizes for Peace Jeannette Rankin the first woman elected to the U S Congress and Dorothy Detzer the woman who prompted the investigation of the munitions industry in the 1930 s The ideas of these women were not usually expressed in forms conventionally studied by intellectual historians On the whole their ideas must be teased out of organizational records statements of principle and policy and personal correspondence When combined with an understanding of the personal backgrounds of the WIL leaders and placed in the context of early twentieth century America these documents tell us what these women thought was important and why The ideas of the WIL leaders are also analyzed in the context of the intellectual themes of Victorianism and modernism Our understanding of these themes has been based largely on the work of privileged European and American men and the ideas of women often fit uncomfortably into these traditional categories A reconstruction of the ideas of the WIL leaders suggests that historians have overlooked an important alternative intellectual tradition in the United States To understand and appreciate women's thoughts we must dissolve the old constructs and let new multifaceted ones replace them      The Program of the Woman's Peace Party Steven B. Burg, 1991      Year Book of the Woman's Peace Party Woman's Peace Party, 1916      **The Collected Records of the Woman's Peace Party, 1914-1920: Series A. Historical records** Woman's Peace Party, 1988      **The American Century** Walter F. LaFeber, Richard Polenberg, Nancy Woloch, 2013      **Sophonisba Breckinridge** Anya Jabour, 2019-09-16 Sophonisba Breckinridge's remarkable career stretched from the Civil War to the Cold War She took part in virtually every reform campaign of the Progressive and New Deal eras and became a nationally and internationally renowned figure Her work informed women's activism for decades and continues to shape progressive politics today Anya Jabour's biography rediscovers this groundbreaking American figure After earning advanced degrees in politics economics and law Breckinridge established the University of Chicago's School of Social Service Administration which became a feminist think tank that promoted public welfare policy and propelled women into leadership positions In 1935 Breckinridge's unremitting efforts to provide government aid to the dispossessed culminated in her appointment as an advisor on programs for the new Social Security Act A longtime activist in international movements for peace and justice Breckinridge also influenced the formation of the United Nations and advanced the idea that women's rights are human rights Her lifelong commitment to social justice created a

lasting legacy for generations of progressive activists      *Year Book of the Woman's Peace Party* Woman's Peace Party,1916

*The History of Wisconsin, Volume V* Paul W. Glad,2013-03-05 The fifth volume in The History of Wisconsin series covers the years from the outbreak of World War I to the eve of American entry into World War II In between the rise of the woman s movement the advent of universal suffrage and the great experiment of Prohibition are explored along with the contest between newly emergent labor unions and powerful business and industrial corporations Author Paul W Glad also investigates the Great Depression in Wisconsin and its impact on rural and urban families in the state Photographs and maps further illustrate this volume which tells the story of one of the most exciting and stressful eras in the history of the state

*Women and Peace* Ruth Roach Pierson,2019-01-15 Originally published in 1987 this book includes contributions from scholars and peace activists in the United States Britain Canada Belgium and the German Democratic Republic These papers present from a number of different perspectives the experiences of women in relation to peace in North America Japan and Europe The theoretical diversity and historical breadth of the collection provide a balanced and enlightened view of women and peace movements The papers range from an important theoretical contribution by the American scholar Berenice Carroll to one on the peace movement in Japan after Hiroshima and Nagasaki by Setsuko Thurlow a Japanese Canadian and a Hiroshima survivor The papers are divided into theoretical historical and practical approaches and the main part of the book is concerned with historical accounts of women s involvement in peace movements An important issue covered is the contradiction that arises between feminist and pacifist ideals in peace movements Literary figures such as Vera Brittain and Charlotte Perkins Gilman are also discussed This book will have multi disciplinary appeal to students and academics in women s studies peace studies sociology and history It will also be of interest to activists in the women s and peace movements      **Nation, Psychology, and International Politics, 1870-1919** G. Sluga,2006-12-08 This volume offers a

new cultural and political history of the idea of the nation Situating the history of international politics and the idea of the nation in the history of psychology it reveals the popularity and political importance of a transnational discourse of the psychology of nations that had taken shape in the previous half century      *Women Strike for Peace* Amy Swerdlow,1993-11-15 *Women Strike for Peace* is the only historical account of this ground breaking women s movement Amy Swerdlow a founding member of WSP restores to the historical record a significant chapter on American politics and women s studies Weaving together narrative and analysis she traces WSP s triumphs problems and legacy for the women s movement and American society *Women Strike for Peace* began on November 1 1961 when thousands of white middle class women walked out of their kitchens and off their jobs in a one day protest against Soviet and American nuclear policies The protest led to a national organization of women who fought against nuclear arms and U S intervention in Vietnam While maintaining traditional maternal and feminine roles members of WSP effectively challenged national policies defeating a proposal for a NATO nuclear fleet withstanding an investigation by the House Committee on Un American Activities and

sending one of its leaders to Congress as a peace candidate As a study of a dissident group grounded in prescribed female culture and the struggle of its members to avoid being trapped within that culture this book adds a crucial new dimension to women s studies In addition this account of WSP s success as a grass roots nonhierarchical movement will be of great interest to historians political scientists and anyone interested in peace studies or conflict resolution Swerdlow has re created a unique piece of American political history a chapter of the international peace movement and an origin of the modern feminist movement No historian activist or self respecting woman should be without Women Strike for Peace It shows not only how one group of women created change but also how they inevitably changed themselves Gloria Steinem

**The Second Line of Defense** Lynn Dumenil, 2017-02-07 In tracing the rise of the modern idea of the American new woman Lynn Dumenil examines World War I s surprising impact on women and in turn women s impact on the war Telling the stories of a diverse group of women including African Americans dissidents pacifists reformers and industrial workers Dumenil analyzes both the roadblocks and opportunities they faced She richly explores the ways in which women helped the United States mobilize for the largest military endeavor in the nation s history Dumenil shows how women activists staked their claim to loyal citizenship by framing their war work as homefront volunteers overseas nurses factory laborers and support personnel as the second line of defense But in assessing the impact of these contributions on traditional gender roles Dumenil finds that portrayals of these new modern women did not always match with real and enduring change Extensively researched and drawing upon popular culture sources as well as archival material *The Second Line of Defense* offers a comprehensive study of American women and war and frames them in the broader context of the social cultural and political history of the era

**Changing the World** Alan Dawley, 2013-11-28 In May of 1919 women from around the world gathered in Zurich Switzerland and proclaimed We dedicate ourselves to peace Just months after the end of World War I the Womens International League for Peace and Freedom a group led by American progressive Jane Addams and comprising veteran campaigners for social reform knew that a peaceful world was essential to their ongoing quest for social and economic justice Alan Dawley tells the story of American progressives during the decade spanning World War I and its aftermath He shows how they laid the foundation for progressive internationalism in their efforts to improve the world both at home and abroad Unlike other accounts of the progressive movement and of American politics in general this book fuses social and international history Dawley shows how interventions in Latin America and Europe affected domestic plans for social reform and civic engagement and he depicts internal battles among progressives between unabashed imperialists like Theodore Roosevelt and their implacable opponents like Robert La Follette He draws a contrast between Woodrow Wilson s use of force in exporting American ideals and Addams s more cosmopolitan pursuit of economic justice and world peace In discussing the debate over the League of Nations within the context of turbulent domestic affairs Dawley brings keen insight into that complicated moment in American history In striking and original ways Dawley brings together domestic and world

affairs to argue that American progressivism cannot be understood apart from its international context Focusing on world historical events of empire revolution war and peace he shows how American reformers invented a new politics built around progressive internationalism Changing the World retrieves the progressive tradition in American politics and makes it available to contemporary debates The book speaks to anyone seeking to be both a good citizen within the nation and a good citizen of today s troubled world      **Living War, Thinking Peace (1914-1924)** Bruna Bianchi, Geraldine

Ludbrook, 2016-04-26 This volume is the result of a long commitment of the online journal DEP Deportate esuli profughe to the themes of women pacifists thought and activism in the 1900s The volume is a collection of contributions centred around three main themes The first part Living War Women s Experiences during the War brings together first hand accounts from women s lives as they face the horrors of war drawn mainly from original sources such as diaries letters memoirs and writings The second Thinking Peace Feminist Thought and Activism explores the lives and thought of several key women activists who challenged inequalities and sought to create new opportunities for women contributing to the definition of a transnational culture of peace The final section International Relations Toward Future World Peace examines the work of a group of women who saw the outbreak of the First World War and the emergence of an international women s movement for peace as an opportunity to act for their personal emancipation and in some cases for a different idea of politics The volume fills a notable gap in international history studies providing a selection of contributions from little known European contexts such as Italy Poland and Austria The presence and contribution of African American women which has been neglected in the history of women s pacifism is also explored Particular attention is given to the Women s International League for Peace and Freedom and to the International Congress of Women held in The Hague in 1915      **American Classicist** Victoria

Houseman, 2023-10-03 Flanders who led the movement in the Senate to censure Joseph McCarthy and inspired Hamilton s depiction of Demosthenes in her final book The Echo of Greece Houseman also situates Edith Hamilton s writing in relation to contemporary events such as the Great Depression the rise of fascism American involvement in the Second World War the dropping of the atomic bombs and American foreign policy during the Cold War among others She argues that Hamilton s writing and themes were often a response to these events Even Mythology intended as a modern version of Bulfinch s Mythology was partly written during the fascist Italian invasion of Greece and makes many arguments for the special claims of Greece in Western history Her work has influenced generations of readers as well and was even said to have been a favorite of Robert Kennedy s who drew on The Greek Way for inspiration in drafting speeches      **Antiwar Dissent and**

**Peace Activism in World War I America** Scott H. Bennett, Charles F. Howlett, 2014-10-01 Publication of these pages is enabled by a grant from Jewish Federation of Greater Hartford      *The American Peace Movement and Social Reform, 1889-1918* C. Roland Marchand, 2015-03-08 The history of the peace movement in the United States was one of dramatic

change in the mid IKWs it consisted of a few provincial societies by 1912 it had become eminently respectable and listed

among its members an impressive number of the nation's leaders by 1918 it was once again weak and remote from those who formulated national policy Along with these fluctuations went equally substantial changes of leadership and purpose that as C Roland Marchand emphasizes reflected the motives of the various reform groups that successively joined and dominated the movement Most of those who joined were not devoted solely to the cause of world peace but saw in the programs of the movement a chance for the fulfillment of their own more immediately relevant goals Consequently the story of the peace movement reflects the concerns of such groups as the international lawyers who wanted a world court of arbitration as an alternative to war the business leaders who believed that international economic stability would be endangered by war and the labor unions who felt that the working class suffered most in war Originally published in 1973 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

**Peace Movement Organizations and Activists in the U.S.** John Lofland, Victoria Lee Johnson, Pamela Kato, 1991 Here is the most comprehensive compilation and analytic classification of book length publications on the immense upwelling of peace activism that occurred in the United States during the 1980's It is an indispensable reference addition to the bookshelf of all researchers of peace movements in the United States Focusing on the post World War II years with particular attention to the 1980's this volume is an extensive bibliography of books categorized into six categories by theory transcenders educators intellectuals politicians protestors and prophets Peace Movement Organizations and Activists in the United States An Analytic Bibliography is an indispensable tool for researchers and students of peace movements from several disciplines including history political science security studies sociology and international relations

To End All Wars, New Edition Thomas Knock, 2019-03-19 A close look at Woodrow Wilson's political thought and international diplomacy In the widely acclaimed To End All Wars Thomas Knock provides an intriguing often provocative narrative of Woodrow Wilson's epic quest for a new world order This book follows Wilson's thought and diplomacy from his policy toward revolutionary Mexico through his dramatic call for Peace without Victory in World War I to the Senate's rejection of the League of Nations Throughout Knock reinterprets the origins of internationalism in American politics sweeping away the view that isolationism was the cause of Wilson's failure and revealing the role of competing visions of internationalism conservative and progressive

### **The History Of The Womans Peace Party Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The History Of The Womans Peace Party PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The History Of The Womans Peace Party PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free

downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The History Of The Womans Peace Party free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About The History Of The Womans Peace Party Books**

1. Where can I buy The History Of The Womans Peace Party books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The History Of The Womans Peace Party book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
