The Homer Mitchell Place:

The Homer Mitchell Place John Engels, 1968-09-01 The Bus to Veracruz Richard W. Shelton, 2014-10-20 In Shelton's fourth collection of poems he writes of the desert Southwest and through it gives his unique view of the world The poems speak of landscape marriage freedom and death **Chicorel Index to Poetry in Anthologies and Collections in Print** Marietta Chicorel, 1974 After the Fire Paul Zimmer, 2002 The poet describes how he found his interior landscape on his farm in the hills of Wisconsin and shares his insights into the course of his life from his Canton Ohio youth to his years as a soldier to his careers as a writer and publisher using humor and a meditative spirit A Festering Sweetness Robert Coles, 1978-07-15 A Festering Sweetness is a new approach for the renowned child psychiatrist and writer Robert Coles His works have always portrayed children in their own social fabric and language but in this book he has arranged the words and intent of the children and their parents into verse forms These skillfully constructed poems capture the hopes fears assumptions and expectations of these people The sense of life and suffering among the poor of the South the northern ghettos and the West conveyed in A Festering Sweetness could not be expressed in any form other than poetry And only Robert Coles who has lived and worked among these people could have revealed with such sympathy and insight the minds and emotions of the deprived in America He is a superb stylist with an extraordinary sensitivity of ear and eye as well as a fine and humane psychiatrist indeed a man in the doctor writer tradition of William Carlos Williams **The Night Train and the Golden Bird** Peter Meinke, 2014-10-17 Although The Night Train and the Golden Bird is Peter Meinke's first poetry collection it is a seasoned performance the result of careful deliberation and mature judgment yet impetuous and exciting It's full of wit and humor tempered with the sadness of approaching middle age anguish over political and social injustice and of the very failings of everyday people and their lives **When Thy King Is A Boy** Ed Roberson, 1970-05-15 C D Wright has described Roberson's work as lyric poetry of meticulous design and lasting emotional significance comparing its musical qualities to the work of saxophonist Steve Lacy jazz pianist Thelonious Monk and composer Johann Sebastian Bach **The Invention of New Jersey** Jack Anderson, 2014-10-15 I like his poetry because it takes me into another world one where wit conquers the pain of inadequacy and the sun beautiful covers up the dingy hopelessness of reality The test of a poet for me is whether or not he can take you into his own world his own creation and fascinate you enough to stay there a while and savor the poems I think Jack Anderson's poetry is a true record of an imagination Diane Wakoski International Who's Who in Poetry 2004 Europa Publications, 2003 Provides up to date profiles on the careers of leading and emerging poets International Who's Who in Poetry 2005 Europa Publications, 2004-08-02 The 13th edition of the International Who's Who in Poetry is a unique and comprehensive guide to the leading lights and freshest talent in poetry today Containing biographies of more than 4 000 contemporary poets world wide this essential reference work provides truly international coverage In addition to the well known poets talented up and coming writers are also profiled Contents Each entry provides
