The Hopeful Traveller Janina David, 2024-06-05 In France Mattie feels twenty again In Poland Magda revisits her impoverished family In Uzbekistan Diana lets a fellow tourist kiss her In Germany Lynn loses her luggage on the D sseldorf train The Hopeful Traveller is a collection of short stories about and told by single women who have put the past behind them but are still looking for their anchor in the present The stories include bitter sweet accounts of the freedoms of postwar life foreign travel the rekindling of old friendships and the search for new ones They speak of cosmopolitan self confident well heeled characters in an era just before the birth of feminism conventional in their expectations of men always just a step away from displacement and alienation Set variously in Paris Kalisz Samarkand Hong Kong Melbourne Erfurt Singapore and London these stories from a much admired veteran writer offer a teasing mix of realism and fantasy wish fulfilment and regret

The Hopeful Traveller Fiona Farrell, 2013-03-01 A fascinating novel of hope love idealism and human progress made up of two separate stories which can be read in isolation and yet reverberate against each other Sometime in the 1860s in an isolated valley on Banks Peninsula Harry Head the Hermit of Hickory Bay experimented unsuccessfully with flight His story forms part of the exuberant blend of fact and fiction which constitutes this tale The author takes us back to the beginnings of novel writing as philosophical play and serious entertainment Think Crusoe s island think Utopia Twelve characters driven by obsession hope or the vagaries of chance come ashore in widely different circumstances onto the same island Once there the game can begin Written in two halves this is a book to be read from either end Begin with the past and race toward the future or begin with the present and circle back towards the past Time may separate the two sections yet subtle links and twisting events bring them together into a varied intriguing and compulsive whole The Hopeful Traveller

Mary Hocking, 2016-02-25 A Time of War told the story of a group of Wrens on a West Country airfield but now the war is over the girls are dispersed and must learn to endure the rigours of the early post war years as well as the boredoms and perplexities of civilian life While Kerren takes a job as a librarian and tries to forget her husband who was killed in the war her friend Robin has married a kind conventional lawyer and lives in Cheltenham But the lives of these two are still though more remotely linked their reunions with other men and women from the old Station and Kerren s efforts to adapt herself to a life far less sheltered than her wartime one provide both comedy and some near tragedy Mary Hocking drew on her own experiences as an ex Wren to trace the changes of emotional temperature the disillusionment and the challenges the need to realize new ways of life and the necessity to re create themselves experienced by her characters in this wonderful novel
