The Horses Too Are Gone Cassettes:

Audio Cassette Odyssey's Matt Sattel, 2003-11-24 A missing king a ferocious dragon and a diabolical goblin wizard how can a thirteen year old from Chicago deal with such troubles For his birthday James Montgomery receives an old fashioned tape recorder and a single tape from his long dead father He is told that when he inserts the tape and presses the record button he will participate in a fantastic story of adventure Follow James in his first tape as he must become a hero to save the fantasy kingdom of Agreloth from an army of goblins First he must somehow destroy a dragon the size of three school buses

Specifications and Drawings of Patents Issued from the United States Patent Office United States. Patent Office, 1909 The Tape-recorded Interview Edward D. Ives, 1995 Since 1980 The Tape Recorded Interview has been an essential resource for folklorists and oral historians indeed for anyone who uses a tape recorder in field research Now Sandy Ives has updated this manual to reflect the current preferences in tape recording technology and equipment When this book was first published the reel to reel recorder was the favored format for fieldwork Because the cassette recorder has almost completely replaced it Ives has revised the first chapter How a Tape Recorder Works accordingly and has included a useful discussion of the differences between analog and digital recording He has also added a brief section on video updated the bibliography and reworked his original comments on tape cataloging and transcription As in the first edition Ives's emphasis is on documenting the lives of common men and women He offers a careful step by step tour through the collection process finding informants making advance preparations conducting the actual interview obtaining a release and then describes the procedures for processing the taped interview and archiving such materials for future use He also gives special treatment to such topics as recording music handling group interviews and using photographs or other visual material during interviews
