The House That Jack (& Doris) Built Doris D. O'Brien,1985-01-01 *The House that Jack Built* Tanya L. Orr,2021-05-07

The etches of life are so fragile that we must be careful with every step that we take for it is not the road a person travels that make them strong but it is the choices they make along the way There is a saying be careful what you ask for because you just might get it Sometimes in life we think we know what we want however more often than not we don t want what we get In the life of Jack Steel that proved to be true But through a series of unfortunate events Jack learned as do most of us that if we submit to love then our lives and our hearts will be transformed *The House That Jack Built* Michael J. Hallowell,2008-11-15 The House That Jack Built reveals the truth behind one of history s greatest untold stories An old lead miner and his wife who took up residence in a remote cave on a windswept beach in South Shields A pub was built within the cave and a search initiated to find buried Roman treasure hidden in a network of underground caves and tunnels **The House on Huntington Hill** Joseph Cowley,2000-10-23 Jack and Doris Oliver meet real estate agent Nancy Flesch to complete the purchase of a house on Huntington hill next door to the mansion owned by the mysterious J Pierson Grenville On the way home they discuss their thirteen year old son David whom they have sent to a psychiatrist because of an imaginary friend David recalls meeting this friend Joseph five months before they moved to Blainesville and how Joseph predicted their move Their first evening in the new house Jack reviews what he has learned about J Pierson Grenville from Nancy Flesch and newspaper clippings Doris suggests they visit the mansion but Jack says the gate is closed When David says it isn t Jack makes a bet with him To his surprise they find the gate open They proceed to the terrace in back for a better view David wakened from sleep in the middle of the night sees Joseph on the lawn below He joins him until his parents make him to return to the house The next day the Olivers recall what Nancy told them about Joseph They learn more about him from the local bank manager David sitting in a park across the street meets Lester who reveals that he too has David s gift Mowing the lawn the next day David and his father have an altercation over the tractor mower and David runs into the woods For the first time Jack and Doris realize that something serious is wrong and that they are up against forces beyond their belief They take David to the psychiatrist Dr Barkley and confer with their local physician Dr Stone David s next session ends in the death of the psychiatrist and leaves David in a coma Jack reads a book of poems by Joseph in the local library that thoroughly frighten him He and David almost drown in the pond behind the mansion The Olivers learn about other drownings in the pond under mysterious circumstances Jack researches the drownings in the local library while David supposedly wandering around town pays a visit to Lester He is punished for visiting Lester without his father s permission and runs away again Jack finds him in the mansion under Joseph s spell Lester receiving psychic messages seeks the aid of Father Martin who prepare s an exorcism As they break into the mansion Jack disappears through a mirror into a hell Joseph has prepared in the basement Escaping at last he finds the exorcism has cost the lives of Lester and Father Martin not to mention Joseph

Some months later when Joseph's will is read the Olivers find they have inherited the house on Huntington hill as well as Joseph's fortune But there are strings attached
