The Hudson's Bay Company David Lavender, 2018-03-06 During the centuries long expansion of the Hudson's Bay Company throughout Canada, its initials emblazoned on the flags it flew became ubiquitous. There were even jokes about the symbols. What did HBC stand for? asked the tenderfoot. And the old trapper took another pull at his clay pipe before replying gravely: Here Before Christ. Here in this short form book by New York Times bestselling historian David Lavender is the company's surprising and little told story.

*Undelivered Letters to Hudson's Bay Company Men on the Northwest Coast of America, 1830-57* Helen M. Buss, Judith Hudson Beattie, 2011-11-01 In the early nineteenth century when the Hudson's Bay Company sent men to its furthest posts along the coast of North America's Pacific Northwest, the letters of those who cared for those men followed them in the Company's supply ships. Sometimes these letters missed their objects: the men had returned to Britain or deserted their ships or died. The Company returned the correspondence to its London office and over the years amassed a file of undelivered letters. Many of these remained sealed for 150 years and until they were opened by archivist Judith Hudson Beattie when the Company archives were moved to Canada. These letters tell the fascinating stories of ordinary people whose lives are rarely recounted in traditional histories. Beattie and Helen M. Buss skilfully introduce us to both the lives of the letter writers and their would be recipients. Their commentaries frame for contemporary readers the words of early nineteenth century working and middle class British folk as well as letters to voyageurs from Quebec. The stories of their lives, fathers struggling to

support a family widowed mothers yearning to see their sons bereft sweethearts left behind and wives raising their children alone reach out over two centuries to offer rare insight into the varied worlds of men and women in the early nineteenth century many of whom became settlers in Washington Oregon and the new British colony of Vancouver Island Hudson's Bay Company Adventures Elle Andra-Warner,2011-02-01 The early history of the Hudson s Bay Company comes alive in these true tales of fur trade wars incredible wilderness journeys hardships and danger Founded by the extraordinary adventurers and renegades Radisson and des Groseilliers the HBC attracted many memorable characters Explorer Henry Kelsey was the first European to see the buffalo herds James Knight met a mysterious fate on a frozen northern island Brave Isabel Gunn worked in the fur trade disguised as a man Anyone who enjoys historical adventure will relish these exciting stories of Canada s oldest company **The Remarkable History of the Hudson's Bay Company** George Bryce,1900 Lords of the North James K.
