The Human Predicament The Secular Ideologies:

The Human Predicament Boris Aldanov,1988 **The Human Predicament: Theory of religion** Boris Aldanov,1988

The Human Predicament David Benatar,2017-05-05 Are our lives meaningless Is death bad Would immortality be better Alternatively should we hasten our deaths by acts of suicide Many people are tempted to offer comforting optimistic answers to these big questions The Human Predicament offers a less sanguine assessment and defends a substantial but not unmitigated pessimism **Socio-economic Change in India** K. Balan,1992 Religion 21st Century M. G. Chitkara,2002

Indian Prison Systems Amarendra Mohanty,Narayan Hazary,1990 Commissions of Inquiry Jnanadhir Sarma Sarkar,1990 *Theory and Practice in the Philosophy of David Hume* James Wiley,2012-07-31 An original interpretation of Hume s philosophy as centered on the relationship between theory and practice The author argues that Hume s Essays and History represent a humanist practical philosophy derived from the speculative philosophy of A Treatise of Human Nature and the Enquiries **Dbase Iii Plus In Libraries And Information Centres** D B Patil,1991 **Freeze!** Henry Richard Maar III,2022-01-15

In Freeze Henry Richard Maar III chronicles the rise of the transformative and transnational Nuclear Weapons Freeze Campaign Amid an escalating Cold War that pitted the nuclear arsenal of the United States against that of the Soviet Union the grassroots peace movement emerged sweeping the nation and uniting people around the world The solution for the arms race that the Campaign proposed a bilateral freeze on the building testing and deployment of nuclear weapons on the part of two superpowers of the US and the USSR That simple but powerful proposition stirred popular sentiment and provoked protest in the streets and on screen from New York City to London to Berlin Movie stars and scholars bishops and reverends governors and congress members and ultimately US President Reagan and General Secretary Gorbachev took a stand for or against the Freeze proposal With the Reagan administration so openly discussing the prospect of winnable and survivable nuclear warfare like never before the Freeze movement forcefully translated decades of private fears into public action Drawing upon extensive archival research in recently declassified materials Maar illuminates how the Freeze campaign demonstrated the power and importance of grassroots peace activism in all levels of society The Freeze movement played an instrumental role in shaping public opinion and American politics helping establish the conditions that would bring the Cold War to an end **Companion Encyclopedia of Asian Philosophy** Dr Brian Carr,Brian Carr,Indira Mahalingam,2002-09-11

The Companion Encyclopedia of Asian Philosophy is a unique one volume reference work which makes a broad range of richly varied philosophical ethical and theological traditions accessible to a wide audience The Companion is divided into six sections covering the main traditions within Asian thought Persian Indian Buddhist Chinese Japanese and Islamic philosophy Each section contains a collection of chapters which provide comprehensive coverage of the origins of the tradition its approaches to for example logic and languages and to questions of morals and society The chapters also contain useful histories of the lives of the key influential thinkers as well as a thorough analysis of the current trends

Being Human J. Andrew Kirk, 2019-01-25 This book offers an introductory review to a wide range of thinking formulated over the last half millennium in the Western world about the meaning of human existence It will touch on a variety of issues of contemporary significance such as the origin and uniqueness of the human species freedom and determinism the nature of good and evil and the possibilities and limits of the sciences The book will supply a number of explanatory comments from a Christian perspective on the various views uncovered Insofar as human beings are fascinated by exploring the reality of their own selves in relation to history culture the natural environment and a variety of worldviews this book will afford readers plenty of material to stimulate them in their own exploration

These Bones Shall Rise Again David N. Keightley, 2014-08-12 These Bones Shall Rise Again brings together in one volume many of David N Keightley s seminal essays on the origins of early Chinese civilization Written over a period of three decades and accessible to the non specialist these essays provide a wealth of information and insights on the Shang dynasty traditionally dated 1766 1122 or 1056 BCE Of all the eras of Chinese history the Shang has been a particularly elusive one long considered more myth than reality A historian with a keen appreciation for anthropology and archaeology Keightley has given us many descriptions of Shang life Best known for his analysis of oracle bones he has looked beyond the bones themselves and expanded his historical vision to ponder the lives of those who used them What did the Shang diviner think he was doing The temerity to ask such questions and the insights they have provided have been provocative and at times controversial Equally intriguing have been Keightley s assertions that many of the distinctive features of Chinese civilization were already in evidence during the Shang 3000 years ago In this collection readers will find not only an essential reference but also the best kind of thought provoking scholarship

Idealism, Metaphysics and Community William Sweet, 2017-07-12 This title was first published in 2001 Idealism Metaphysics and Community examines the place of idealism in contemporary philosophy and its relation to problems of metaphysics political thought and the study of the history of philosophy Following an extensive introduction by the editor and drawing on the work of the Canadian idealist Leslie Armour the book is divided into three main parts Part 1 focuses on F H Bradley Part 2 examines metaphysical issues and idealism such as the realism anti realism debate the relation of classical and idealist metaphysics rational psychology time and eternity and the divine Part 3 draws on idealism to address contemporary concerns in ethical theory political philosophy social philosophy and culture and the history of philosophy Presenting new insights into the work of classical and contemporary authors this book provides a better understanding of classical idealism and addresses important areas of contemporary philosophical social and political concern

Journal of Dharma ,1991 **A World of Becoming** William E. Connolly, 2011-01-17 The prominent political theorist William E Connolly outlines a political philosophy for the contemporary world a world whose powers of creative evolution include and exceed the human estate

The Rowman & Littlefield Handbook of Philosophy and Religion Mark A. Lamport, 2022-04-07 The Handbook of Philosophy and Religion is a one volume examination of the most salient concepts that sit at the intersection of

religion and philosophy This book grounds readers in the mysteries that have evoked wonder and consternation for millennia such as the nature of divinity in relation to humanity the legitimacy of religious experience and how we frame language to speak about it the possibility of miraculous occurrences and theories regarding life after death Dissonant Voices Harold A. Netland,1999-04 Totalitarian Democracy and After Yehoshua Arieli,Nathan Rotenstreich,2002 This volume first published in 1984 contains the principal papers from a distinguished colloquium held in 1982 Its avowed purpose is to investigate further the notion of totalitarian democracy and to look at its repercussions in the contemporary world

Extreme Religious Behaviours Johannes Bronkhorst,2024-06-17 Certain religious behaviours clearly reduce biological fitness These behaviours include celibacy along with various forms of asceticism and rituals that harm the performer Such behaviours are found in widely different cultures How is this possible This book shows that these behaviours as is religion in general are by products of features of the human mind whose evolutionary fitness is beyond doubt and explores those features Which are those features This book proposes a twofold answer It draws attention to the layered nature of human consciousness in which different manners of experience are superimposed on each other This goes a long way toward accounting for the universal religious belief in some kind of transcendental world a higher reality different from ordinary reality The layering of consciousness comes about in childhood and gains in prominence with the acquisition of a first language which is the second feature highlighted in this book Together these features explain a variety of normal religious behaviours and beliefs and account for the possibility of mystical experience They also explain the occurrence of behaviours that do not augment evolutionary fitness
