**Sino-American Normalization and Its Policy Implications** Gene T. Hsiao, Michael Witunski, 1983 Analyzing the relations between the People's Republic of China and the United States from 1974 to the official normalization of ties between the countries on December 15 1978 leading experts in East Asian affairs provide a comprehensive view of the likely consequences of the normalization process Among topics discussed are the implications of normalization for the strategic interests of China the United States Japan and the Soviet Union in East Asia the future of Taiwan the expansion of bilateral trade with and investment in China and the transfer of technology to China Includes the major official agreements between the two countries between 1972 and the present ISBN 0 03 058023 4 pbk 15 95      **Breaking the Ice** Tony Armstrong, 1993 Taking an in depth look at cases of the two Germanys the United States and China and Israel and Egypt Armstrong examines why initiatives by Brandt Nixon Carter and Mao and Sadat and Begin succeeded where previous attempts at rapprochement had failed The book looks first at the available theory and then at rapprochement in practice Were there the author asks similarities between the three cases in terms of the prevailing international circumstances the strategies and tactics adopted in the pursuit of improved relations and the formal negotiations that ushered in the new relationships Armstrong concludes that some underlying principles did indeed govern the shift from mutual antagonism to mutual acceptance principles that may apply equally in today's post Cold War world      *U.S. Foreign Policy And Asian-Pacific Security* William T Tow, 2019-06-04 The Reagan administration has indicated clearly that the United States will reassert its strategic presence in Asia and the Pacific at levels not equalled since the close of the Vietnam conflict The implications of this policy bear careful examination in light of the growing divergence between U S security perceptions and those of our European allies      *Problems of Communism*, 1984      **The Golden Age of the U.S.-China-Japan Triangle, 1972-1989** Ezra F. Vogel, Ming Yuan, Akihiko Tanaka, 2020-03-23 A collaborative effort by scholars from the United States China and Japan this volume focuses on the period 1972 1989 during which all three countries brought together by a shared geopolitical strategy established mutual relations with one another despite differences in their histories values and perceptions of their own national interest Although each initially conceived of its political and security relations with the others in bilateral terms the three in fact came to form an economic and political triangle during the 1970s and 1980s But this triangle is a strange one whose dynamics are constantly changing Its corners the three countries and its sides the three bilateral relationships are unequal while its overall nature the capacity of the three to work together has varied considerably as the economic and strategic positions of the three have changed and post Cold War tensions and uncertainties have emerged      **A Unique Relationship: The United States and the Republic of China under the Taiwan Relations Act** Ramon Hawley Myers, 1989      [Interpreting U.S.-China-Taiwan Relations](#) Xiabing Li, Xiabo Hu, Yang Zhong, 2003-02-27 Interpreting U S China Taiwan Relations presents an up to date multidisciplinary approach to this often troublesome relationship through

essays written by experts in the fields of political science economics military science history and communications It begins with a focus on the relationship between the U S and China as China presses forward with new development while the United States encourages a balance of power in East Asia It evaluates the successes and failures of the relationship and the forces behind the stands that they take that feed the stress of the relationship The second group of essays deals with the relationship between China and Taiwan They examine the recent changes and tentativeness surrounding the situation caused by the death of Deng Xiaoping and the social and economic problems of China yet communicate a tremendous optimism that a breakthrough will occur in the future The final essays explore the evolution of China s perceptions of its international environment as it begins to understand and respond to external circumstances better and more positively

*Decision-making in Foreign Policy* Sita Ramachandran,1996 The foreign policy of a country operating at a global and regional levels has to grapple with political economic and security issues in Concrete World situation Since foreign policy is formulated by the leaders to serve the best interest of a country an objective and realistic assessment of the world situation and countries also play a role There are only a few remarkable work with a focus on personality and foreign policy choices The aim of the present book is to take into account all the factors that were influential in the decision making processes The objective is not just who took the decision but instead to probe why a particular decision was taken and what prompted the decision In doing so the work has endeavoured to analyse all the relevant variables including the personality involved that were influential in the outcome of the decision
