religion and she said In the next century this will be astonishingly perceptible to the minds of men I will also make a statement which you will surely see verified Before the clear revelation of spirit communication there will be a terrible war in different parts of the world The entire world must be purified and cleansed before mortal can see through his spiritual vision his friends on this side and it will take just this line of action to bring about a state of perfection Friend kindly think of this We have had the terrible war in different parts of the world The second half remains to be fulfilled *The Vital Message*
