## **Slovak Lutheran Social Ethics:**

**Slovak Lutheran Social Ethics** Vasil Gluchman,1997 This study investigates the meaning and contribution of the Slovak Lutheran social ethics to the social ethical thinking in Slovakia The book attempts to examine the subject in the social political and spiritual context of the development of the Slovak nation Slovakia and Czechoslovakia linking the development of the Protestant social ethics in Europe and the rest of the world

**Ethics of Social Consequences** Vasil Gluchman,2018-10-30 This edited volume presents new and unconventional views of many traditional moral values such as humanity human dignity moral right of life justice and responsibility The originality of the contributions here is their analysis of these values and approaches from the point of view of non utilitarian consequentialism and ethics of social consequences as one of its forms The authors present new ways of solving many contemporary ethical and moral issues including for example in bioethics medical ethics environmental ethics teaching ethics and cyber ethics based on non utilitarian consequentialism and ethics of social consequences They also confront these approaches with other ethical theories and philosophical traditions which serve as further incentives for the development of non utilitarian consequentialism and ethics of social consequences in philosophical applied and professional ethics

[The Promise of Lutheran Ethics](#) Karen L. Bloomquist,John R. Stumme,1998-08-01 Here ten Lutheran theologians explore Lutheran emphases themes and approaches to offer their account of Christian ethics as a way of life in today s world Writing in dialogue they raise foundational concerns of biblical and theological sources and norms of Christian freedom and responsibility of call and social witness of justice and formation in prayer Then in a lively Table Talk the participants discuss and debate the tradition s insights and oversights and show how it might illumine today s burning ethical issues such as homosexuality

*Morality of the Past from the Present Perspective* Vasil Gluchman,2009-03-26 The monograph is divided into four parts The work starts with Preface in which Vasil Gluchman presents socio political socio cultural and ideological context of the first half of the twentieth century and the situation in Slovakia and Central Europe in this historical period placing this monograph and the works of individual contributors into the context of the given era The first part deals with philosophical and ethical issues arising from the examination of morality at the end of the 19th century and the beginning of the 20th century This part creates the methodological starting point for the examinations presented in the next three parts of the monograph The second part focuses on the development of philosophical and ethical reflection of morality in Slovakia in the given era The third part examines socio political and professional ethical aspects of the development and functioning of morality in Slovakia in the first half of the 20th century Reflections of morality in Slovakia in the Slovak literature of the first half of the 20th century are the object of interest in the fourth part of the monograph

*Historical Dictionary of Lutheranism* Günther Gassmann,Mark W. Oldenburg,2011-10-10 The Reformation of the 16th century was a complex and multifaceted political social cultural and religious process Most historians agree however that in the framework of this process it was the religious and theological

efforts to reform and renew the late medieval church decadent and irrelevant in many ways that were the initiating forces that set a broad historical movement in motion Among these reforming religious and theological forces the Lutheran reform movement was the most important and influential one It was the historical impact of the theological genius of the Wittenberg professor Martin Luther 1483 1546 that profoundly changed and shaped the face of Europe and beyond Today Lutheranism has become a worldwide communion of churches that stretches from Germany to Siberia Papua New Guinea Madagascar and Surinam The second edition of the Historical Dictionary of Lutheranism presents information on major theological issues historical developments of Lutheranism worldwide Lutheran ecumenical and missionary involvement and activities worship and liturgy spirituality social ethics inter religious and Jewish relations Lutheranism and the arts theology and important representatives of Lutheranism This is done through a detailed chronology an introductory essay an appendix of Lutheran Churches a bibliography and hundreds of cross referenced dictionary entries This book is an excellent access point for students researchers and anyone wanting to know more about Lutheranism      *Morality* Vasil Gluchman, 2013-09-01 This book of essays focuses on the new approaches to moral issues from two perspectives The first part Various Concepts of Morality analyses certain central approaches to moral study and creates the methodological starting point for the more specific enquiries of the second part New Trends in Understanding Morality contains five articles focusing on these new approaches especially as they are related to their conceptions of scientific knowledge This section deals with selected special issues of morality in biology natural sciences but also in humanities      **God, Goodness and Philosophy** Harriet A. Harris, 2016-04-15 Does belief in God yield the best understanding of value Can we provide transcendental support for key moral concepts Does evolutionary theory undermine or support religious moralities Is divine forgiveness unjust Can a wholly good God understand evil Should philosophy of religion proceed in a faith neutral way Public and academic concerns regarding religion and morality are proliferating as people wonder about the possibility of moral reassurance and the ability of religion to provide it and about the future of religion and the relation between religious faiths This book addresses current thinking on such matters with particular focus on the relationship between moral values and doctrines of the divine Leading scholars in the field test the scope of philosophy of religion and engage with the possibilities and difficulties of attempting trans faith philosophy Chapters also relate to a number of cross disciplinary contemporary debates on evolution and ethics politics justice and forgiveness and the relation between reason and emotions Another set of chapters tests the coherence of Anselmian theism and concepts of an Omni God in relation to divine knowledge and goodness This book will be of interest to scholars and undergraduates in philosophy of religion as well as moral philosophers philosophers of science theologians and those working in theology and science      *Human Being and Morality in Ethics of Social Consequences* Vasil Gluchman, 2003 Explores issues concerning the moral agent and one's moral rights Deals with issues related to fundamental moral values and principles of ethics of social consequences making essential differences between ethical theory as a kind of non utilitarian

consequentialism and utilitarian forms of consequentialism Explores moral values of humanity legality justice responsibility tolerance moral duty **Religion in Eastern Europe** ,1993 **Life as an Experiment** Zdenek Penkala,2009-03-26 We cannot live a full life unless we know who we are unless we know the essence of our being The sciences which have been immensely helpful in the way in which we live our lives have been helpless when it comes to telling us how our life should be lived and what its meaning is Accepting any philosophical or religious belief on the other hand limits our freedom to learn directly from personal knowledge of reality as any preconceived ideas do not only alter its perception but limit the spectrum of possibilities to which our reason can be applied To those who do not surrender their right to decide for themselves what reality is life offers a unique opportunity to apply their insights both in the worlds within and without and either validates or disproves their findings If they are true to themselves the continuous feedback life offers will reveal to them unique characteristics of our mind which are otherwise limited by its own beliefs **Between Humanist Philosophy and**

**Apocalyptic Theology** Paul R. Hinlicky,2016-06-16 Samuel Stefan Osusky was a leading intellectual in Slovak Lutheranism and a bishop in his church In 1937 he delivered a prescient lecture to the assembled clergy The Philosophy of Fascism Bolshevism and Hitlerism that clearly foretold the dark days ahead As wartime bishop he co authored a Pastoral Letter on the Jewish Question which publicly decried the deportation of Jews to Poland in 1942 in 1944 he was imprisoned by the Gestapo for giving moral support to the Slovak National Uprising against the fascist puppet regime Paul R Hinlicky traces the intellectual journey with ethical idealism s faith in the progressive theology of history that ended in dismay and disillusionment at the revolutionary pretensions of Marxism Leninism Hinlicky shows Osusky s dramatic rediscovery of the apocalyptic the mother of Christian theology and his input into the discussion of the dialectic of faith and reason after rationalism and fundamentalism **Recalling Masaryk's The Czech Question** ,2023-02-13 This book presents T G

Masaryk s efforts to shape the identity of a small nation in late the 19th and early 20th century It features contributions from leading Czech scholars who analyse Masaryk s efforts 120 years later Masaryk is considered the most important figure in modern Czech history Drawing on the ideas of his ideological predecessors and humanists he wanted to integrate the Czech nation into the family of advanced world nations in line with international intellectual trends Masaryk was the first in world history to fulfil the Platonic ideal of a philosopher who founded a state **Religion and the State** Scott A.

Merriman,2009-07-14 This timely and authoritative resource combines both topical and country by country coverage to help readers understand the coexistence of church and state in nations around the world today At a time when faith based groups have become more politically active in the United States and with religious conflicts at the epicenter of many of the world s most dangerous hotspots Religion and the State An International Analysis of Roles and Relationships could not be more welcomed or timely Country by country faith by faith it unravels the historic underpinnings and long range effects of the relationship between religious principles and the operations of government in its many guises worldwide The work combines

topical essays on significant developments in the confluence of religion and law throughout the world with short descriptions of each country's current treatment of religion. Readers can investigate specific nations, compare situations across nations, and explore key issues in the pervasive often controversial relationship between religion and government.

**Before Auschwitz** Paul R. Hinlicky, 2013-06-27 What can Christian theology in North America learn from the rise of Nazism in Germany in the 1920s and 1930s? This book explores an explosion of scholarship in recent decades that has reopened questions once thought to be settled about the relationships between Nazism, Liberalism, and Christianity. In the process of criticizing the retrospective fallacy and urging a properly hermeneutical historiography, its method in historical theology causes us to reflect back upon our tacit commitments suggesting that we are closer to fascism than we are aware and that although the devil never shows its face twice in exactly the same way, the particular hubris of grasping after final solutions along biopolitical lines—that is, the racially scientific version of fascism that was Nazism—is and remains near at hand today within our horizon of possibilities unrecognized in just the ways that it was unrecognized by Germans before Auschwitz. The book takes a fresh look at the theology of Adolf Hitler and finds themes that are disturbingly familiar. It summons to the renewal of Christian theology after Christendom in the form of critical dogmatics where the motif of the Beloved Community replaces the fallen idol descended from Charlemagne.

**Dignidad y consecuencias** Vasil Gluchman, 2014-10-22 El objetivo de este libro es dar a conocer un pensamiento original que tiene su origen en un espacio distinto del acostumbrado fundado a través de una lengua y unas tradiciones que si bien compartimos parcialmente sus diferencias son tan notables que parecen garantizar la inteligibilidad. Pero el esfuerzo creativo del eticista eslovaco Vasil Gluchman y su voluntad itinerante han facilitado la expansión de sus ideas en el mundo de habla inglesa y en los ámbitos académicos del hemisferio norte. Consideramos que a partir de la traducción autorizada de tres de sus artículos complementados con un estudio introductorio de L. E. Misseri se puede dar una imagen de esta teoría que parece adecuada a la mutabilidad e incertidumbres de la era de la información. Era caracterizada por la caída en descrédito de los grandes relatos y los sistemas filosóficos con pretensiones holísticas de extrema rigurosidad.

**The A to Z of Lutheranism** Günther Gassmann, Duane Howard Larson, Mark W. Oldenburg, 2007 On October 31, 1517, the German Priest Martin Luther posted his 95 Theses challenging the teachings of the Roman Catholic Church on the door of the church in Wittenberg. It is widely held that this act triggered the large exodus from the Catholic Church which became known as the Protestant Reformation. Lutheranism, one of the many Protestant movements that were spawned as a result of this revolution, is largely founded on the teachings and writings of Martin Luther. The A to Z of Lutheranism sheds light on the many and varied concerns of the church from its earliest manifestations in the 16th century to recent decisions at the turn of the 20th century. This is accomplished through a chronology, an introduction, a bibliography, an appendix, and hundreds of cross-referenced dictionary entries on important persons, major events, and institutions, the theology and ethics, significant concepts, and the broader

social cultural and economic impact of Lutheranism and its worldwide expansion      The Professionalization of the English Church from 1560 to 1700 Stewart A. Dippel, 1999 It covers church polity in its totality from the parish through the archiepiscopal levels encompassing theology pastoral responsibilities judicial activity low politics from the parish context and high politics relative to the Court and Parliament      **Religion, Nationalism, and Civil Society in Eastern Europe-the Postcommunist Palimpsest** Ina Merdjanova, 2002      *The Politics of Accommodation and Resistance in the Black Church* Rupe Simms, 2000 This study argues that the church has the capacity of fostering ideological resistance to the dominant order and therefore making a profound contribution to the sociopolitical liberation of black Americans By developing this position using quantitative research methods in three African American churches the work confirms the reality of this potential showing that a counter hegemonic approach to church in the black community is possible This is significant because many politically active scholars even African American radicals disparage the institution as a politically destructive hegemonic organisation that misuses social and economic resources

### **Slovak Lutheran Social Ethics Introduction**

In today's digital age, the availability of Slovak Lutheran Social Ethics books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Slovak Lutheran Social Ethics books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Slovak Lutheran Social Ethics books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Slovak Lutheran Social Ethics versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Slovak Lutheran Social Ethics books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Slovak Lutheran Social Ethics books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another

popular platform for Slovak Lutheran Social Ethics books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Slovak Lutheran Social Ethics books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Slovak Lutheran Social Ethics books and manuals for download and embark on your journey of knowledge?
