Small But Scary:

Strange and Scary Creatures Louise Spilsbury, 2024-01-01 Stories about mysterious and mythical creatures have gripped human imagination for centuries From Big Foot and giants through the Loch Ness Monster and fairies the tales of strange beings from the past pose many unanswered questions This high interest title will enthrall readers with its investigation of ancient curious creatures and the intriguing answers that could solve these fascinating mysteries of history *Children's Literature, Domestication, and Social Foundation* Layla AbdelRahim, 2014-12-05 This study of children s literature as knowledge culture and social foundation bridges the gap between science and literature and examines the interconnectedness of fiction and reality as a two way road The book investigates how the civilized narrative orders experience by means of segregation domestication breeding and extermination arguing instead that the stories and narratives of wilderness project chaos and infinite possibilities for experiencing the world through a diverse community of life AbdelRahim engages these narratives in a dialogue with each other and traces their expression in the various disciplines and books written for both children and adults analyzing the manifestation of fictional narratives in real life This is both an inter and multi disciplinary endeavor that is reflected in the combination of research methods drawn from anthropology and literary studies as well as in the tracing of the narratives of order and chaos or civilization and wilderness in children s literature and our world Chapters compare and contrast fictional children s books that offer different real world socio economic paradigms such as A A Milne s Winnie the Pooh projecting a civilized monarcho capitalist world Nikolai Nosov s trilogy on The Adventures of Dunno and Friends presenting the challenges and feats of an anarcho socialist society in evolution from primitivism towards technology and Tove Jansson s Moominbooks depicting the harmony of anarchy chaos and wildness AbdelRahim examines the construction transmission and acquisition of knowledge in children s literature by visiting the very nature of literature culture and language and the civilized structures that domesticate the world She brings radically new perspectives to the knowledge culture and construction of human beings making an invaluable contribution to a wide range of disciplines and for those engaged in revolutionizing contemporary debates on the nature of knowledge human identity and the world *God's Beauty in the Deep* Gary Knapp, 2021-03-11 Following numerous courses in scuba diving Gary Knapp embarked on a twelve year filming adventure inspired by his promise to God to share with mankind the majestic life He created both under and above the world s oceans Through his vivid accounts Gary takes you on an incredible journey beneath the depths of the seas to exotic islands and other countries by the oceans as he travels with marine biologists on trips around the globe His experiences include riding on a camel in front of the Great Pyramids of Egypt and the Red Sea plus inspecting underwater volcanos halfway around the world inside the Ring of Fire in Indonesia and the Philippines Enjoy God s splendid underwater flower gardens of soft coral in an array of rainbow colors while sailing around Australia and diving in Fiji Take in the breathtakingly beautiful coral surrounded topside by snow capped mountains and

unique glaciers while diving under the icebergs of Alaska Throughout his anecdotes Gary reminds us of the value of God's creatures to the oceanic ecosystem God's Beauty in the Deep shares interesting insights into earth's fascinating and mysterious stories of shipwrecks the heart-breaking poverty in various places the world's misinformed crusade against sharks the tragedy of those who've never learned to swim in tsunami-plagued areas plus his one perilous moment underwater

The Adventures of a Tiny Child in a Giant's World AQEEL AHMED, 2024-03-30 Summary The Adventures of a Tiny Child in a Giant's World is a delightful story that takes kids on a magical journey with Lila as she wakes up in a world that is very different from her own Everything is bigger in this world Normal things become breathtaking views flowers grow taller than buildings and bugs are as big as cars Over the course of twelve exciting chapters Lila goes on a journey of growth learning and finding When Lila discovers this new area she meets many big animals including friendly ants who teach her how important it is to work together on their green paths and a smart bumblebee who gives her thrilling rides above the garden's canopy Every animal she meets helps her understand this dream world better and teaches her important lessons about working together being strong and enjoying nature Lila learns from the things around her and makes friends with the yard animals The night sky shows how grand the world is a stream shows how water moves through the water cycle and the wind tells stories from far away The stones may be able to tell stories about the garden's past because they have magic that has been around for a long time One of the most moving parts is when Lila helps plan a feast using all the food from the yard This event teaches her how important society is and how much fun it is to share which brings out the story's main themes of harmony and kindness Lila goes back to her home world at the end of the adventures smarter and with memories of her time in the giant's garden She comes back with a new view knowing that the real magic is in the depth of her experiences and the relationships she has made not in the size of her surroundings The difficult plot and beautiful pictures in this story make kids want to see the world with open minds and a sense of wonder They learn that friendship has no limits bravery comes in many forms and there is beauty in seeing the world from different points of view The Adventures of a Tiny Child in a Giant's World is a story about a little kid who finds himself in a big world It's also a lesson that we can all have amazing adventures if we're brave enough to leave our comfort zones Chapter 1 The Garden of the Giant Awakening In The Awakening in the Giant's Garden a young girl named Lila and I go on a fun adventure She ends up in a strange position When you wake up from a nap everything around you seems to have become a lot bigger The ants on the ground are about the size of dogs and the flowers are as tall as the largest buildings in a city And this is what happens to Lila she is thrown into a world where everything is much bigger than she is used to When Lila opens her eyes for the first time she sees how big everything is She thought the yard was familiar but it has turned into a giant's home Flowers are very tall and have petals that are as wide and bright as flags When the wind blows the petals slowly wave The bugs are normally very small and not important but all of a sudden they start to buzz and scurry around in time with the sound of cars going by on a busy road The scene is so beautiful that Lila

needs to pinch herself to make sure she's not dreaming Lila is shocked and scared at the same time It is both exciting and scary to explore this huge world She wants to know what adventures are in store for her and how she got to be where she is now But Lila's natural interest quickly takes over her first worry She makes the brave and exciting choice to get up and explore this much bigger version of her world Lila is looking into more than just taking a stroll through the park Every step she takes brings her closer to things that are amazing and hard on a huge scale Her feet feel like they're on a huge green carpet because the ground is different softer and more living Every breath is a mixture of smells and the air is thick with the sweet smell of flowers She feels even closer to the sun because its warm rays cover her in golden light As Lila walks through the yard she pays close attention to the ants Even though they are big they look like they are doing their normal jobs bringing food and pieces of leaves back to their nests By moving in a purposeful well organized line they tell us that there is order even in the very large universe Lila learns that these once tiny but now giant animals can teach her a lot about endurance working together and how important it is for everyone to play their part in the community

The Awakening in the Giant's Garden tells us about Lila's first adventure and sets the tone for the whole story This book takes us to a world where even the tiniest creatures can have the most amazing adventures and anything is possible It shows kids the importance of being brave and interested as well as the amazing things that can happen when they step out of their safe zones Lila's journey shows how exciting it is to find new things and how many options there are for people who are willing to look at the world from different points of view

Chapter 2 The Ant Highway In the interesting chapter **The Ants Highway** our brave explorer Lila makes friends with a group of ants in the yard When Lila wakes up to a much bigger world than she is used to her path changes This shows her how important it is to work with others She slowly walks up to a colony of ants and they meet her with hospitality and kindness instead of hostility showing how friendly these small but strong animals can be Lila thinks the ants are huge even though they are really very small Their home is a complicated web of paths and caves that run across the garden floor and they offer to show her around The way ants live is very interesting to Lila They carefully and purposefully move through the yard following paths that are just as important to them as roads are to people From where Lila is now the thick grass looks like a dense forest because these paths are going through it The ants say that their paths are like freeways because they connect different parts of the garden and make it easier for people to talk to each other share resources and help each other Each ant has a specific job to do in this complicated system which shows how powerful it is to work together to reach a shared goal Lila watches the ants work and realizes that they are pulling leaf pieces that are much bigger than their bodies into the air Teamwork makes the dream work the ants teach her by saying it over and over again They work well together and each ant plays a big part in helping the group find food build a nest and protect their environment Lila is impressed by how well this group works together and sticks together This makes her think that each person no matter how small can make a big difference in the group's success This chapter tells the story of a girl and some ants and also talks about how important

it is to work together talk to each other and be a part of a community It shows kids that they can do a lot more when they work together than when they do it alone The ants highway is a metaphor for our trips as a whole showing that problems can be solved with the help of friends and working together Lila is motivated to see how important each person is to reaching goals after learning to appreciate how hardworking ants are This makes people want to read more The Ants Highway is a fun and unique way to teach kids about working together It s a story that shows how powerful teamwork can be and how exciting it can be to work with other people in our community Lila s experience with the ants shows that even small animals can teach us important lessons about getting along with others Chapter 3 The Flight of the Bumblebee In the interesting chapter The Flight of the Bumblebee Lila s trip takes her off the ground and into the air This gives her a new view of the huge world she has found herself in This chapter tells the sweet story of how Lila sees the garden s beauty from a whole new angle after making friends with a bumblebee Hops on the bumblebee s back and holds on tight to its fluffy shell She is carried through the air and on an exciting and amazing trip With its wide open spaces and tall plants the garden below her turns into a beautiful patchwork a mosaic of green yellow and red colors that goes in every direction The bumblebee which is buzzing with pride is Lila s guide From this unique height it shows her how the flowers dance and the secrets that are hidden in the treetops From above Lila looks at the garden with awe as she holds on to her flying friend She knows how big the world is and how small her part is in it which is both exciting and sad But instead of making her feel small this knowledge makes her appreciate how complicated and beautiful nature is even more The Flight of the Bumblebee is a fun flying story that also teaches kids how important it is to look at things from different points of view Lila s encounter with the bumblebee reminds us of how important it is to learn about our surroundings and how beautiful differences can be Through the bumblebee s eyes Lila and the readers learn about how trees are put together how fragile the ecosystem is and how flowers and insects work together to make everything better This flight is a metaphor for the trips of discovery that lie ahead if we are willing to try new things and see things from different points of view This part does a great job of showing a curious mind and a strong desire to learn It helps kids understand how big and different the world is and encourages them to look beyond where they are right now Lila s happiness as she looks down at the garden from above is a touching reminder of how amazing nature is and how important it is to protect it Children learn to appreciate the beauty of nature understand their place in it and understand that even the tiniest species like bumblebees are important in the bigger picture through her eyes The Flight of the Bumblebee makes Lila s trip better by teaching her about ecology how important it is to see things from different points of view and how amazing it is when different species work together This chapter soars both literally and figuratively It shows kids that the world is a big beautiful place full of lessons and gifts just waiting to be found

The Little Book of Boards Erik Hanberg, 2015-02-10 Are you new to a board and have no idea what s expected of you Do you know what a board s six key responsibilities are Do you know what your relationship with the Executive Director should be If not this book is for you So

many board members especially of small nonprofits want to support a nonprofit and readily accept the invitation to join the board. It's only then that they discover they are in over their heads with no idea of their expectations and responsibilities. The Little Book of Boards is here to throw that drowning board member a rope. Told with a conversational style, this book will lead you through the basics of being on a board: how meetings work and what's expected between meetings. In addition, at the back of the book are several in-depth resources for understanding Robert's Rules of Order, bylaws, committee structures, board leadership, and much more. Perfect for any new board member or for an entire board that is feeling lost, this book and its common sense approach will serve you every year you are on the board.

Bedtime Stories For Kids Short Bedtime Stories Series
Do you want to make your child fall asleep faster at night? Do you want your child to learn mindfulness while reading beautiful short stories? In this book, you will find a collection of stories written to help children enter a place of dreams and eventually drift off to sleep. These stories are intended to stir their imaginations in such a way that the transition from fantasy and adventure into dreamland will be a seamless one. Best of all, your children will be able to get a good night's sleep and wake up feeling refreshed and happy. The chapters are designed to take you and your family on an exciting adventure through different situations laden with imagination and surprises while also attempting to disseminate valuable lessons about important principles such as family, home, wrongdoing, and numerous other themes. While each story is unique, the underlying purpose of each remains the same: to confer on readers some degree of insight into moral behaviour and proper conduct. Through the careful application of allegory, the stories contained herein are intended not only to engage and captivate but also to serve as thought-provoking tools by which your children might avail themselves of one of mankind's most powerful attributes: thoughtfulness and self-reflection. In addition, each story uses colourful and imaginative characters, settings, and situations to create an environment that will not only help children become interested in the story itself but also serve as a vehicle to convey a moral lesson. Plus, the stories in this book seek to create traditions and memories that will create everlasting moments that your children will treasure for the rest of their lives. These are the kind of moments that your children will surely love to share with their children someday too. So let's jump right on in and take a trip into a magical world from which your children will drift off in their sleep. Don't be surprised if they don't want to wake up after having such beautiful dreams. Dreamland is a cherished place for children of all ages. After all, it is a place where kids can truly let their imaginations flourish. This book includes bedtime stories that will truly captivate the young mind of your child. Fun stories about animals, adventures, and legends. A valuable lesson for each story. In addition, they will put down their phones. This is a good way to encourage your child to go to sleep by listening to the scripts. Each story will enhance your child's imagination and thinking. And much more. Are you excited? Do you want to read more? Would you like your child to learn and relax falling asleep in peace? Get our book now.
