

The background of the book cover is a painting depicting a medical scene. A European man in 18th-century attire, including a dark coat and a white cravat, is kneeling and examining the arm of a Native American child. The child is lying on a green cloth on the floor, wearing a red loincloth. A Native American woman, wearing a white dress and a headscarf, sits beside the child, holding their hand. In the background, another European man in a white shirt and blue cravat stands looking on. The title is overlaid on a decorative orange banner in the upper center.
