Green Peony and the Rise of the Chinese Martial Arts Novel Margaret B. Wan,2009-01-05 Martial arts fiction has been synonymous with popular fiction in China from the Qing dynasty on This book the first to trace the early development of the martial arts novel in China demonstrates that the genre took shape nearly a century earlier than generally recognized *Green Peony* 1800 one of the earliest martial arts novels lies at the center of a web of literary relations connecting many of the significant genres of fiction in its day Adapted from a drum ballad *Green Peony* parodies both previous popular fiction and the great Ming novels generating humorous reflection on their values By focusing on popular fiction and popular culture Margaret B Wan argues for the relevance of genre to literary criticism the convergence of popular and elite fiction in the nineteenth century and a general turn from didacticism to entertainment Literary scholars historians and anyone who wishes to know more about Chinese popular culture in the Qing dynasty will benefit from reading this book *Snake Sisters and Ghost Daughters* Cathy Yue Wang,2023-08-29 Politics and paradigm shifts underlying contemporary retellings of fantastic traditional Chinese tales Contemporary Chinese film and literature often draw on time honored fantastical texts and tales which were founded in the milieu of patriarchy parental authority heteronormativity nationalism and anthropocentrism Author Cathy Yue Wang examines the processes by which modern authors and filmmakers reshape these traditional tales to develop new narratives that interrogate the ingrained patriarchal paradigm Through a rigorous analysis Wang delineates changes in both content and narrative that allow contemporary interpretations to reimagine the gender politics and contexts of the tales retold With a broad transmedia approach and a nuanced understanding of intertextuality this work contributes to the ongoing negotiation in academic and popular discourse between past and present traditional and contemporary and text

and reality in a globalized and postmodern world Snake Sisters and Ghost Daughters offers an engaging interdisciplinary investigation of issues at the heart of these traditional tales such as gender and status hierarchy marriage and family life and in group out group distinction Beyond the content of these individual stories Wang ties these narratives together across time using cognitive literary criticism especially affective narratology to shed new light on the adaptation of literary and cultural texts and their sociopolitical contexts

Writing Pirates Yuanfei Wang, 2021-06-23 In *Writing Pirates* Yuanfei Wang connects Chinese literary production to emerging discourses of pirates and the sea In the late Ming dynasty so called Japanese pirates raided southeast coastal China Hideyoshi invaded Korea Europeans sailed for overseas territories and Chinese maritime merchants and emigrants founded diaspora communities in Southeast Asia Travel writings histories and fiction of the period jointly narrate pirates and China's Orient in maritime Asia Wang shows that the late Ming discourses of pirates and the sea were fluid ambivalent and dialogical they simultaneously entailed imperialistic and personal narratives of the other foreigners renegades migrants and marginalized authors At the center of the discourses early modern concepts of empire race and authenticity were intensively negotiated Connecting late Ming literature to the global maritime world *Writing Pirates* expands current discussions of Chinese diaspora and debates on Sinophone language and identity

Negotiating Masculinities in Late Imperial China Martin W. Huang, 2006-01-01 Why did traditional Chinese literati so often identify themselves with women in their writing What can this tell us about how they viewed themselves as men and how they understood masculinity How did their attitudes in turn shape the martial heroes and other masculine models they constructed Martin Huang attempts to answer these questions in this valuable work on manhood in late imperial China He focuses on the ambivalent and often paradoxical role played by women and the feminine in the intricate negotiating process of male gender identity in late imperial cultural discourses Two common strategies for constructing and negotiating masculinity were adopted in many of the works examined here The first what Huang calls the strategy of analogy constructs masculinity in close association with the feminine the second the strategy of differentiation defines it in sharp contrast to the feminine In both cases women bear the burden as the defining other In this study feminine is a rather broad concept denoting a wide range of gender phenomena associated with women from the politically and socially destabilizing to the exemplary wives and daughters celebrated in Confucian chastity discourse

Polygamy and Sublime Passion Keith McMahon, 2009-11-24 For centuries of Chinese history polygamy and prostitution were closely linked practices that legitimized the polygynous male the man with multiple sexual partners Despite their strict hierarchies these practices also addressed fundamental antagonisms in sexual relations in serious and constructive ways Qing fiction abounds in stories of female resistance and superiority Women main wives concubines and prostitutes were adept at exerting control and gaining status for themselves while men indulged in elaborate

fantasies about female power In *Polygamy and Sublime Passion* Keith McMahon introduces a new concept passive polygamy to explain the unusual number of Qing stories in which women take charge of a man's desires turning him into an instrument of female will To this he adds a story that haunted the institutions of polygamy and prostitution the tale of sublime passion in which the main characters are a remarkable woman and her male lover Throughout the book McMahon examines how polygamy prostitution and the story of sublime passion encountered the first stages of paradigmatic change in the nineteenth century decades before the legal abolition of polygamy By the end of the Qing dynasty in 1911 love stories were celebrating the exploits of street smart prostitutes who fleeced gullible patrons in the bustling city of Shanghai What do these characters have in common with their early counterparts as men and women became inhabitants of a new city in an era flooded with ideas from radically foreign sources all of this taking place in a time of economic and cultural dislocation McMahon reads late Qing love stories in a historically symbolic way taking them as part of a larger fantasy of Chinese civilization undergoing a fundamental crisis The polygamous marriage and the affairs of the brothel became metaphorical staging grounds for portraying the destiny of China on the verge of modernity Finally McMahon speculates on the changes polygamous sexuality underwent after the Qing dynasty ended and whether it exerted a residual influence in later times *Polygamy and Sublime Passion* will undoubtedly engage those interested in Chinese society culture literature and gender studies as well as comparativists seeking to understand the diverse responses to modernization around the world
