So Strange My Path A Spiritual Pilgrimage:

So Strange My Path Abraham Carmel, 1960 So Strange My Path Abraham Carmel, 1967 Teaching Jewish Life Cycle Barbara Binder Kadden, Bruce Kadden, 1997 Background information on every stage of life covers every Jewish life cycle event from birth to death insights from Jewish tradition hundreds of creative activities for all ages Recovering Jewishness Frederick S. Roden, 2016-02-22 Judaism and Jewish life reflect a diversity of identity after the past two centuries of modernization This work examines how the early reformers of the 19th century and their legacy into the 20th century created a livable liberal Jewish identity that allowed a reinvention of what it meant to be Jewish a process that continues today Many scholars of the modern Jewish identity focus on the ways in which the past two centuries have resulted in the loss of Jewishness through assimilation intermarriage conversion to other faiths genocide in the Holocaust and decline in religious observance In this work author Frederick S Roden presents a decidedly different perspective that the changes in Judaism throughout the 19th and 20th centuries resulted in a malleable welcoming and expanded Jewish identity one that has benefited from intermarriage and converts to Judaism The book examines key issues in the modern definition of Jewish identity who is and is not considered a Jew and why issues of Jewish authenticity and the recent history of the debate Attention is paid to the experiences of individuals who came to Judaism from outside the tradition through marrying into Jewish families and or choosing Judaism as a religion In his consideration of the tragedy of the Holocaust the author examines how a totalitarian regime s racial policing of Jewish identity served to awaken a connection with and reconfiguration of what that Jewish identity meant for those who retrospectively realized their Jewishness in the postwar era

Reframing Pilgrimage European Association of Social Anthropologists, 2004 This book proposes a radical new agenda for pilgrimage studies considering such travel as just one of the twenty first century s many forms of cultural mobility Prioritizing anthropological arguments about mobility locality and belonging over analyses of traditional religious studies contributors examine the meanings of pilgrimage in world religions as well as in non religious contexts such as roots tourism P 1 Carmel College Jeremy Rosen, 2022-04-29 Carmel College was a Jewish Public School founded by Rabbi Dr Kopul Rosen It opened in September 1948 and closed in June 1997 This is one person s personal story of the school which was an impressive experiment in combining Jewish education with western culture in the context of a British education

Married to a convert herself Diamant anticipates all the questions doubts and concerns provides a comprehensive explanation of the rules and rituals of conversion and offers practical guidance toward creating a Jewish identity Here you will learn how to choose a rabbi a synagogue a denomination a Hebrew name how to handle the difficulty of putting aside Christmas what happens at the mikvah the ritual bath or at a hatafat dam brit circumcision ritual for those already circumcised how to find your footing in a new spiritual family that is not always well prepared to receive you and how not to lose your bonds to your family of origin Sensitive sympathetic and insightful Choosing a Jewish Life provides everything necessary to make conversion a joyful and spiritually meaningful experience

Christianity After Auschwitz Paul R. Carlson, EdD, 2000-06-14 There is an old Jewish adage that pretty much sums up Israel s experience among the nations for the last 2 000 years Scratch a gentile the saying goes and you re sure to find an anti Semite That notion is given credence by the fact that the first two millennia of the Jewish Christian encounter culminated in the systematic slaughter of six million Jews in the heart of Christendom But Dr Paul R Carlson author of Christianity After Auschwitz is cautiously optimistic that the dawn of this new millennium may lead to Jewish Christian amity as the Church faces up to its past sins and seeks to work with the Synagogue against those demonic forces which threaten civilization itself However as Carlson illustrates the genocidal germ that gave birth to Hitler s criminal regime still flourishes among countless Christians many of whom would passionately deny they harbor any anti Semitic notions or sentiments While the book is addressed primarily to Carlson s fellow evangelicals both Jews and Christians will discover that it provides the general reader with an overview of those critical issues which scholars alone have in the past wrestled with in the post Holocaust Jewish Christian encounter At the outset Carlson is quick to concede that the late Rabbi Joseph B Soloveitchik a scion of the great Chechnowa Rebbe was certainly correct when he insisted that Christians have never tried to penetrate the soul of the Jews They have read the Bible but neglected the oral tradition by which we interpret it he noted This makes a different Bible altogether For example says Rav Soloveitchik To equate Judaism with legalism the way Christian theologians are prone to do is like equating mathematics with a compilation of mathematical equations By the same token old stereotypes die hard The Jew has been pictured as the arch capitalist and the arch Bolshevik and chastised for being both whipsawed by contending forces says Nathan C Belth The Soviet authorities saw Jews as a threat to the state and Alexander Solzhenitsyn who castigated Soviet terror sees Jews as libertarians who brought on socialism after of course rejecting Christ Since time immemorial anti Semites have also portrayed the Jew as the greedy shady businessman or banker But they conveniently forget stories such as that of Haym Salomon 1740 1785 the Jewish broker whose financial aid staved off starvation and desertion among American troops during our War for Independence At one critical point Robert Morris the American financier and statesman sent a messenger to alert Haym Salomon of the plight of the cash strapped Colonial forces The man brought the news to Salomon while he was attending Yom Kippur services at Mikveh Israel Synagogue in Philadelphia The congregation was shocked at the intrusion on

the holiest day of the Jewish year but Haym Salomon quietly informed the messenger Tell Mr Morris our country s appeal will not be in vain But that old canard about Jews and their money remains grist for the anti Semite s mill By the same token Jews have not been entirely blameless when it comes to their own stereotypes of Christians particularly evangelicals Nathan Perlmutter confessed as much during his tenure as national director of the Anti Defamation League ADL of B nai B rith Our image of the fundamentalist and the evangelical is a kind of collage assembled out of bits and pieces from Theodore Dreiser Sinclair Lewis and Erskine Caldwell he admitted Even after all this time memories of the great swarm of sex ridden Bible thumping caricatures continue to exert a pervasive power But evangelicals would be among the first to admit that Jews have come a long way since the days of the infamous Toledot Yeshu or Life of Jesus which depicted the Galilean in scandalous terms Indeed the Israeli author Shalom Ben Chorin is representative of those Jewish intellectuals who now believe that it is time for Jesus to come home again Meanwhile few Christians realize just how vulnerable many Jews feel in what they perceive to be Christian America That perception is heightened by the 1992 American Jewish Year Book finding that roughly 12 percent of Americans of Jewish heritage are now Christians There is another way of looking at what I have called a disaster in the making says former US Assistant Secretary of State Elliott Abrams author of Faith or Fear How Jews Can Survive in a Christian America Of the 6.8 million people who are Jews or of Jewish descent 1.1 million say they have no religion and 1.3 million have joined another religion adding up to 2.4 million Abrams observes This means that one third of the people in America of Jewish ethnic origin no longer report Judaism as their current religion Abrams italics Such statistics illustrate why Jewish leaders unanimously condemn those Christian missionary agencies which specifically target Jews for conversion They have been particularly incensed by one recent evangelical effort known as Peace 2000 which aimed to convert every Jew in Israel to Christianity by the dawn of the new millennium Centuries of martyrdom are the price which the Jewish people has paid for survival says Brandeis scholar Marshall Sklare And the apostate at one stroke makes a mockery of Jewish history But if the convert is contemptible in Jewish eyes Sklare adds the missionary all the more the missionary of Jewish descent is seen as pernicious for he forces the Jew to relive the history of his martyrdom all the while pressing the claim that in approaching the Jew he does so out of love What kind of love is it Jews wonder that would deprive a man of his heritage Sklare asks Furthermore given the history of Christian treatment of the Jews would it not seem time at last to recognize that the Jew has paid his dues and earned the right to be protected from obliteration by Christian love as well as destruction by Christian hate The distinguished Rabbi Abraham Joshua Heschel was even more pointed about the matter I had rather enter Auschwitz he once remarked than be an object of conversion All of this leads to the opening chapter of Christianity After Auschwitz which introduces Christians to Emil Fackenheim s Eleventh Commandment or 614th Mitzvoh which decrees that Jews are not permitted to grant Hitler any posthumous victories through intermarriage assimilation or conversion to a faith not their own In a word they are commanded to remain Jews By the same token Jewish scholars are

quick to recognize that any open and honest dialogue will at some point involve a frank discussion of the similarities and differences between the Jewish and Christian perceptions of the Messianic hope. With that understanding the second chapter deals with the remarkable career of the late Rabbi Menachem Mendel Schneerson the seventh and last Grand Rebbe of the Chabad Lubavitch Hasidim. Many of his talmidim or disciples believe he will ultimately be revealed as King Messiah. His life and work are considered within the context of that of Jesus of Nazareth as well as those of several pseudo messiahs who have troubled Israel down through the centuries. The author then makes it clear that Jesus himself

One Foot on the Shore...A Spiritual Journey to the Promised Land Diana A. Blackmon, 2017-12-26. One Foot on the Shore: A Spiritual Journey to the Promised Land is the real life journey of a wife and mother from North Carolina to the Promised Land of the Lord. It certainly was not an easy journey. Laugh and cry with her as she stumbled through the Red Sea, ruts, and then conquered the giants in the land. Her story starts simplistically with a call on her life that took years for her to recognize but once the Lord's salvation became real to her she was overwhelmed by His supernatural grace. Obedience became the hallmark of her existence. Spending hours in prayer and study of God's word produced many rewards seen and unseen at the time. Obedience is better than sacrifice is a reoccurring theme throughout her life as she follows Him and His guidance. Through her obedience to the Lord she has reached multitudes with the Gospel of Jesus Christ with her anointed jewelry designs like her signature piece the Gospel Pin™. This piece and many of her other Christian jewelry designs were on the QVC Shopping Network for many years. As she shared her heart with her southern drawl on QVC many millions were blessed to hear the gospel shared in such a unique way on a secular TV outlet.
