So Little Done The Testament Of A Serial Killer:

So Little Done Theodore Dalrymple, 1995 Graham Underwood is an unusual serial killer Having spent most of his spare time for the past twenty years reading in the public library he is able after his arrest to write a sophisticated and bitingly witty philosophical justification for the murder of his many victims

The Location of Religion Kim Knott, 2015-08-12 The ways in which humans interact with their location is an important topic within sociological studies of religion It is integral to the place of religion in secular society The Location of Religion A Spatial Analysis offers an overview of the ways in which religion can be located within social cultural and physical space It examines contemporary spatial theory notably the work of the influential sociologist Henri Lefebvre and the many disciplines that have contributed to the spatial study of religion This volume will be invaluable to all those interested in the role of religion in spatial analysis

How to Make a Serial Killer Christopher Berry-Dee, 2011-02 They were born into this world as innocent children They ended up as merciless killing machines How to Make a Serial Killer leads the reader on an insightful scary and often disturbing investigation into what made these infamous murderers go bad Is there really a demon seed Do genes play a role Was it their family background How did pe

Madness in Post-1945 British and American Fiction C. Baker, P. Crawford, Brian Brown, Maurice Lipsedge, R. Carter, 2010-10-14 A comprehensive and thematic exploration of representations of madness in postwar British and American Fiction this book is relevant to those with interests in literary studies and is a vital read for psychiatric clinicians and professionals who are interested in how literature can inform and enhance clinical practices

Born Killers Christopher Berry-Dee, 2009-11-02 It s an age old question is it nature or nurture Can there really be a demon seed that causes serial killers to act the way they do Or is it an unfortunate combination of influences and events during their formative years that has turned them into such monsters But no matter how many people they have killed no matter how many lives they have ruined and whatever the nature of their sickening crimes serial killers are still human Analysing the early years of the lives of men like Jeffrey Dahmer who abused and killed 17 young men offers a fascinating insight into the effects of a dysfunctional or abusive childhood Criminologists Christopher Berry Dee and Steven Morris have spoken and corresponded with killers all over the world in a quest to discover what made them the way they are For the first time the inner workings of the minds of the most destructive individuals on the planet are revealed in shocking detail Born Killers shows through a sophisticated system of psychological profiling how the potential serial killer develops Read it and you too may be able to spot the signs

Right Hand, Left Hand I. C. McManus, 2002 McManus considers evidence from anthropology particle physics the history of medicine and the notebooks of Leonardo to answer questions like Why are most people right handed Why does European writing go from left to right while Arabic and Hebrew go from right to left And how do we know that Jack the Ripper was left handed
