Callen,2023-02-14 People readily form religious beliefs out of their imaginations fears fantasies and bloated egos The paranormal is now nearly the norm in the world of popular entertainment threatening traditional systems of belief Are today s walking dead real zombies Are the aliens actually here What s keeping you awake at night Are masses of overscheduled and frustrated people spiritually deceased even though still breathing Who s lurking in the shadows demons of destruction a loving God seeking our highest well being or nothing but our twisted imaginations How we fragile humans long for safety ecstasy community meaning and salvation We must beware however Numerous charlatans have it all for sale By contrast there still is the man Jesus who has paid the highest of prices and is offering all we need as a free gift In him insists the Christian faith death has died and we ve been set free to be possessed by the Spirit of Jesus thus becoming the living dead Receiving this gift takes faith of course but faith not contrary to reason In fact it may be the most reasonable and satisfying thing we could ever do *Dancing around the Well* Eric M. MacPhail,2014-08-28 This study examines the transmission and transformation of commonplace wisdom in Renaissance humanism by tracing a series of filiations between classical sayings anecdotes and examples and Renaissance poems essays and fictions The circulation of commonplaces can be understood either as a process of reanimation and revitalization where frozen sayings thaw out and come to life or conversely as a process of immobilization and incrustation that petrifies tradition The paradigmatic figure for this process is the proverbial dance around the well which expresses both the danger and the compulsion of borrowed speech
