Soap Operas Worldwide Cultural And Serial Realities

Denise D Bielby, C. Lee Harrington

Soap Operas Worldwide Cultural And Serial Realities:

Soap Operas Worldwide Marilyn J. Matelski, 1999 While the American soap opera is known primarily for its marketing value producers health professionals politicians and rebels elsewhere focus on the serials potential for social change African Indian and South American serials offer information on family planning child protection and AIDS a Mexican telenovela parallels a government murder scandal the program is so popular the state dare not censor it In Russia South American novelas are so popular that Boris Yeltsin manipulates programming to affect voters on polling day Here is an examination of the economic and social impact of the soap opera with projections for the future A chapter for each of the nine regions of the world offers demographic statistics of major countries audiences radio and television usage stations available and synopses of the most popular serials Encyclopedia of Radio 3-Volume Set Christopher H. Sterling, 2004-03 Produced in association with the Museum of Broadcast Communications in Chicago the Encyclopedia of Radio includes more than 600 entries covering major countries and regions of the world as well as specific programs and people networks and organizations regulation and policies audience research and radio s technology This encyclopedic work will be the first broadly conceived reference source on a medium that is now nearly eighty years old with essays that provide essential information on the subject as well as comment on the significance of the particular person organization or topic being examined The Survival of Soap Opera Sam Ford, Abigail De Kosnik, C. Lee Harrington, 2010-11-03 The soap opera one of U S television s longest running and most influential formats is on the brink Declining ratings have been attributed to an increasing number of women working outside the home and to an intensifying competition for viewers attention from cable and the Internet Yet soaps influence has expanded with serial narratives becoming commonplace on most prime time TV programs The Survival of Soap Opera investigates the causes of their dwindling popularity describes their impact on TV and new media culture and gleans lessons from their complex history for twenty first century media industries The book contains contributions from established soap scholars such as Robert C Allen Louise Spence Nancy Baym and Horace Newcomb along with essays and interviews by emerging scholars fans and Web site moderators and soap opera producers writers and actors from ABC s General Hospital CBS s The Young and the Restless and The Bold and the Beautiful and other shows This diverse group of voices seeks to intervene in the discussion about the fate of soap operas at a critical juncture and speaks to longtime soap viewers television studies scholars and media professionals alike Telenovelas Ilan Stavans, 2010-02-09 Drama Excess Men in bee suits Often erroneously compared to soap operas of the United States outside of the necessary and sometimes fantastical dramatic story arc however the telenovela differs greatly from U S soap operas and have regional and cultural distinctions throughout Latin America In Telenovelas Ilan Stavans has gathered over two dozen essays covering the telenovela for readers to better understand the phenomenon and its myriad layers Branching off from radionovelas the telenovela was exported from pre Castro Cuba during the 1950s The essays found in Telenovelas covers a broad view of the

genre television's impact in Latino culture as well as more in depth discussions of specific telenovelas throughout the Spanish speaking television audience in the North America Also explored is how telenovelas depict stereotypes respond to gender and class roles and examines the differences in topic and thematic choices as well as production values unique to each country

Global Culture Diana Crane, Nobuko Kawashima, Ken'ichi Kawasaki, 2016-05-06 Culture no longer has borders With the advent of internet sites like Sothebys.com and the increasing reality of globalization culture itself has gone global This collection focuses on questions involving national identity indigenous culture economic growth free trade cultural policy and global tourism Global Culture looks at all aspects of the arts including film art music theater television and museums Global Culture fleshes out how current cultural policies are working and forecasts what we can expect the future landscape of global culture to look like

Global TV Denise D Bielby, C. Lee Harrington, 2008-08-17 A reporter for the Los Angeles Times once noted that I Love Lucy is said to be on the air somewhere in the world 24 hours a day That Lucy's madcap antics can be watched anywhere at any time is thanks to television syndication a booming global marketplace that imports and exports TV shows Programs from different countries are packaged bought and sold all over the world under the watch of an industry that is extraordinarily lucrative for major studios and production companies In Global TV Denise D Bielby and C Lee Harrington seek to understand the machinery of this marketplace its origins and history its inner workings and its product management In so doing they are led to explore the cultural significance of this global trade and to ask how it is so remarkably successful despite the inherent cultural differences between shows and local audiences How do culture specific genres like American soap operas and Latin telenovelas so easily cross borders and adapt to new cultural surroundings Why is The Nanny whose gum chewing star is from Queens New York a smash in Italy Importantly Bielby and Harrington also ask which kinds of shows fail What is lost in translation Considering such factors as censorship and other such state specific policies what are the inevitable constraints of crossing over Highly experienced in the field Bielby and Harrington provide a unique and richly textured look at global television through a cultural lens one that has an undeniable and complex effect on what shows succeed and which do not on an international scale

Encyclopedia of Women in Today's World Mary Zeiss Stange, Carol K. Oyster, Jane E. Sloan, 2011-02-23 This work includes 1000 entries covering the spectrum of defining women in the contemporary world

The Guide to United States Popular Culture Ray Broadus Browne, Pat Browne, 2001 To understand the history and spirit of America one must know its wars its laws and its presidents To really understand it however one must also know its cheeseburgers its love songs and its lawn ornaments The long awaited Guide to the United States Popular Culture provides a single volume guide to the landscape of everyday life in the United States Scholars students and researchers will find in it a valuable tool with which to fill in the gaps left by traditional history All American readers will find in it one entry at a time the story of their lives Robert Thompson President Popular Culture Association At long last popular culture may indeed be given its due within the humanities with the publication of The Guide to United

States Popular Culture With its nearly 1600 entries it promises to be the most comprehensive single volume source of information about popular culture The range of subjects and diversity of opinions represented will make this an almost indispensable resource for humanities and popular culture scholars and enthusiasts alike Timothy E Scheurer President American Culture Association The popular culture of the United States is as free wheeling and complex as the society it animates To understand it one needs assistance Now that explanatory road map is provided in this Guide which charts the movements and people involved and provides a light at the end of the rainbow of dreams and expectations Marshall W Fishwick Past President Popular Culture Association Features of The Guide to United States Popular Culture 1 010 pages 1 600 entries 500 contributors Alphabetic entries Entries range from general topics golf film to specific individuals items and events Articles are supplemented by bibliographies and cross references Comprehensive index [Television Program Master Index](#) Charles V. Dintrone, 2014-02-01 This work indexes books dissertations and journal articles that mention television shows Memoirs autobiographies biographies and some popular works meant for fans are also indexed The major focus is on service to researchers in the history of television Listings are keyed to an annotated bibliography Appendices include a list of websites an index of groups or classes of people on television and a list of programs by genre Changes from the second edition include more than 300 new shows airing on a wider variety of networks 2000 plus references more than double the second edition and a large increase in scholarly articles The book provides access to materials on almost 2300 shows including groundbreaking ones like All in the Family almost 200 entries cult favorites like Buffy The Vampire Slayer 200 plus entries and a classic franchise Star Trek more than 400 entries for all the shows The shows covered range from the late 1940s to 2010 The Walking Dead References range from 1956 to 2013 **The Routledge Companion to Gender, Sex and Latin American Culture** Frederick Luis Aldama, 2018-05-24 The Routledge Companion to Gender Sex and Latin American Culture is the first comprehensive volume to explore the intersections between gender sexuality and the creation consumption and interpretation of popular culture in the Americas The chapters seek to enrich our understanding of the role of pop culture in the everyday lives of its creators and consumers primarily in the 20th and 21st centuries They reveal how popular culture expresses the historical social cultural and political commonalities that have shaped the lives of peoples that make up the Americas and also highlight how pop culture can conform to and solidify existing social hierarchies whilst on other occasions contest and resist the status quo Front and center in this collection are issues of gender and sexuality making visible the ways in which subjects who inhabit intersectional identities sex gender race class are othered as well as demonstrating how these same subjects can and do use pop cultural phenomena in self affirmative and progressively transformative ways Topics covered in this volume include TV film pop and performance art hip hop dance slam poetry gender fluid religious ritual theater stand up comedy graffiti videogames photography graphic arts sports spectacles comic books sci fi and other genre novels loter a card games news web and digital media
