Social Capital In Central And Eastern Europe

Helmut K. Anheier, Stefan Toepler

Social Capital In Central And Eastern Europe:

Social Capital in Central and Eastern Europe Dimitrina Dimova Mihailova, 2004 The collapse of socialist rule encouraged many Western analysts and government advisors to see the east European region as a veritable tabula rasa just waiting for civil society and market democracy Millions of dollars and euros were poured into democratization projects with the aim of building social capital

Social Capital in Eastern Europe Katarzyna Lasinska, 2013-01-11 Katarzyna Lasinska deals with the consequences of democratic transitions in Middle and Eastern Europe By selecting specific sets of countries according to the main explanations such as Catholic tradition transformation process and communist legacies the author identifies key factors explaining particular findings in Poland Thank to systematically used comparative research strategy the pitfalls of idiosyncratic argumentation are successfully avoided Through inclusion of religious tradition as an explanative factor the results go beyond the commonly used East West comparisons The author presents a comprehensive picture of complex conditions and different processes for social capital building across Eastern European societies

Formation of Social Capital in Central and Eastern Europe Jan Fidrmuc, Klarita Gërxhani, 2005

Focus on Religion in Central and Eastern Europe András Máté-Tóth, Gergely Rosta, 2016-11-07 Different religious groups in Central and Eastern Europe influenced societies in the region after the fall of Communism and continue to play a crucial role in culture politics social networks and value transformations As part of the REVACERN Religion and Values in Central and Eastern Europe Research Network project supported by the EU Sixth Framework Program more than 70 researchers from 15 countries in the region analyzed and discussed the most important trends in values religions and religious communities and presented their findings in a comparative way They tested well known theories of secularization nationalism democracy and pluralism in the colorful region Central and Eastern Europe This book summarizes their most important findings in seven chapters addressing religion and its entanglements with geography values nationalism Orthodoxy education legal regulation civil society social networks new religious movements and new forms of religiosity Each chapter also provides a regional overview

International Encyclopedia of Civil Society Helmut K. Anheier, Stefan Toepler, 2009-11-24 Recently the topic of civil society has generated a wave of interest and a wealth of new information Until now no publication has attempted to organize and consolidate this knowledge The International Encyclopedia of Civil Society fills this gap establishing a common set of understandings and terminology and an analytical starting point for future research Global in scope and authoritative in content the Encyclopedia offers succinct summaries of core concepts and theories definitions of terms biographical entries on important figures and organizational profiles In addition it serves as a reliable and up to date guide to additional sources of information In sum the Encyclopedia provides an overview of the contours of civil society social capital philanthropy and nonprofits across cultures and historical periods For researchers in nonprofit and civil society studies political science economics management and social enterprise this is the most systematic appraisal of a rapidly growing field

The

Development of E-Government in Central and Eastern Europe [CEE]. Mirko Vintar, 2007 The aim of this publication is to take an x ray of CEE e government and provide readers with an in depth comparative study of e government phenomena in the CEE region

Governance of Hospitals in Central and Eastern Europe Przemyslaw Marcin Sowa, 2015-10-28 This book presents a novel view of healthcare system transition in post communist countries It is the first region wide comparative study of hospital governance in Eastern Europe Comprehensive new material shows the evolution and significance of governance complementing recent publications on the topic from industrialised countries Throughout the book governance is described and substantiated as a major component that together with provider payment mechanisms defines the hospital sector s operations This view subscribes to the economists growing appreciation of extra financial aspects in the discussion of incentives and regulation of healthcare markets In particular the book explains how governance arrangements may affect the outcomes of healthcare financing reforms and should thus be seen as a critical determinant of their success or failure This new model of thinking about healthcare system transition emerges from an analysis of 22 countries over the course of two decades While the primary focus of the study is on developing the hospital sector an extensive background chapter provides a standalone introduction to the dynamically changing landscape of healthcare in Eastern Europe and an overview of the various problems and challenges the region is facing Practitioners policy makers academics and students interested in Eastern European healthcare systems their origins current status and ways forward will appreciate the book s reflections on the problem complexity the clarity of its concepts and its accessible style of presentation

Social Capital and Economics Asimina Christoforou, John Davis, 2014-05-30 This volume provides a collection of critical new perspectives on social capital theory by examining how social values power relationships and social identity interact with social capital This book seeks to extend this theory into what have been largely under investigated domains and at the same time address long standing classic questions in the literature concerning the forms determinants and consequences of social capital Social capital can be understood in terms of social norms and networks It manifests itself in patterns of trust reciprocity and cooperation The authors argue that the degree to which and the different ways in which people exhibit these distinctively social behaviours depend on how norms and networks elicit their values reflect power relationships and draw on their social identities This volume accordingly adopts a variety of different concepts and measures that incorporate the variety of contextually specific factors that operate on social capital formation In addition it adopts an interdisciplinary outlook that combines a wide range of social science disciplines and methods of social research Our objective is to challenge standard rationality theory explanations of norms and networks which overlook the role of values power and identity This volume appeals to researchers and students in multiple social sciences including economics sociology political science social psychology history public policy and international relations that employ social capital concepts and methods in their research It can be seen as a set of new extensions of social capital theory in connection with its themes of social values power and identity that would advance

the scholarly literature on social norms and networks and their impact on social change and public welfare

Territorial Governance across Europe Peter Schmitt, Lisa Van Well, 2015-12-22 This book provides a comprehensive framework for analysing comparing and promoting territorial governance in policy relevant research It reveals in depth considerations of the emergence state of the art and evolution of the concept of territorial governance A unique series of ten case studies across Europe from neighbourhood planning in North Shields in the North East of England to climate change adaptation in the Baltic Sea Region provides far reaching insights into a number of key elements of territorial governance The book draws generalised empirically based conclusions and discusses modes of transferability of good practices A number of suggestions are presented as to how the main findings from this book can inform theories of territorial governance and spatial policy and planning Territorial Governance across Europe will be of considerable interest to scholars around the world who are concerned with European studies regional policy urban and regional planning and human and political geography It provides a solid debate on discourses theories concepts and methods around the notion of territorial governance as well as a number of empirical findings from various contexts across Europe It specifically targets scholars involved in policy relevant research

Real and Financial Sectors in Post-Pandemic Central and Eastern Europe Bojana Olgić Draženović, Vesna Buterin, Stella Suljić Nikolaj, 2022-05-11 This book offers new insights into the real and financial sectors in the post pandemic European Union with a specific focus on the countries of Central and Eastern Europe and a special reference to Croatia The contributors examine the timeliness justification and appropriateness of the measures taken in response to the deteriorating economic conditions and the associated outcomes They further discuss various aspects of economic financial and energy policy While doing so they focus on two important issues The first is an analysis and assessment of the financial development and performance of the real sector The second is an insight into the institutional dimensions of the COVID 19 pandemic including the discussion of obstacles and opportunities for recovery in the near future The topics covered in this book include but are not limited to unconventional monetary policy financial cycles fiscal incentives institutional development and institutional quality the banking system real estate markets competitiveness pension systems financial regulation energy markets environmental social and governance ESG factors as well as agricultural policy Therefore this volume will appeal to researchers students and scholars of finance and economics as well as policy makers interested in a better understanding of real and financial sectors economic policy and post pandemic economic development in Central and Eastern Europe

Social Capital In Central And Eastern Europe Introduction

In the digital age, access to information has become easier than ever before. The ability to download Social Capital In Central And Eastern Europe has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Social Capital In Central And Eastern Europe has opened up a world of possibilities. Downloading Social Capital In Central And Eastern Europe provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Social Capital In Central And Eastern Europe has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Social Capital In Central And Eastern Europe. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Social Capital In Central And Eastern Europe. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Social Capital In Central And Eastern Europe, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Social Capital In Central And Eastern Europe has

transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Social Capital In Central And Eastern Europe Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Social Capital In Central And Eastern Europe is one of the best book in our library for free trial. We provide copy of Social Capital In Central And Eastern Europe in digital format, so the resources that you find are reliable.
