Marc-Oliver Schuster, 2010 Cue, 1966 **A Taste of Blood Wine** Freda Warrington, 2013-10-08 1918 A First World War battlefield becomes the cosmic battleground for two vampires as Karl von Wultendorf struggles to free himself from his domineering maker Kristian 1923 Charlotte Neville watches as her father a Cambridge professor fills Parkland Hall with guests for her sister Madeleine's 18th birthday party Among them is his handsome new research assistant Karl the man Madeleine has instantly decided will be her husband Charlotte shy and retiring is happy to devote her life to her father and her dull fiance Henry until she sees Karl For Charlotte it is the beginning of a deadly obsession that sunders her from her sisters her father and even her dearest friend As their feverish passion grows Karl faces the dilemma he fears the most Only by deserting Charlotte can his passion for her blood be conquered Only by betraying her can he protect her from the terrifying attentions of Kristian for Kristian has decided to teach Karl a lesson in power by devouring Charlotte *New York Magazine*, 1970-11-02 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Hammer Complete Howard Maxford, 2019-11-08 Think you know everything there is to know about Hammer Films the fabled Studio that Dripped Blood The lowdown on all the imperishable classics of horror like The Curse of Frankenstein Horror of Dracula and The Devil Rides Out What about the company's less blood curdling back catalog What about the musicals comedies and travelogues the fantasies and historical epics not to mention the pirate adventures This lavishly illustrated encyclopedia covers every Hammer film and television production in thorough detail including budgets shooting schedules publicity and more along with all the actors supporting players writers directors producers composers and technicians Packed with quotes behind the scenes anecdotes credit lists and production specifics this all inclusive reference work is the last word on this cherished cinematic institution *I Hated, Hated, Hated This Movie* Roger Ebert, 2022-05-24 The Pulitzer Prize winning film critics offers up more reviews of horrible films Roger Ebert awards at least two out of four stars to most of the more than 150 movies he reviews each year But when the noted film critic does pan a movie the result is

a humorous scathing critique far more entertaining than the movie itself I Hated Hated Hated This Movie is a collection of more than 200 of Ebert's most biting and entertaining reviews of films receiving a mere star or less from the only film critic to win the Pulitzer Prize Ebert has no patience for these atrocious movies and minces no words in skewering the offenders Witness Armageddon 1998 The movie is an assault on the eyes the ears the brain common sense and the human desire to be entertained No matter what they're charging to get in it's worth more to get out The Beverly Hillbillies 1993 Imagine the dumbest half hour sitcom you've ever seen spin it out to ninety three minutes by making it even more thin and shallow and you have this movie It's appalling North no stars 1994 I hated this movie Hated hated hated hated hated this movie Hated it Hated every simpering stupid vacant audience insulting moment of it Hated the sensibility that thought anyone would like it Hated the implied insult to the audience by its belief that anyone would be entertained by it Police Academy no stars 1984 It's so bad maybe you should pool your money and draw straws and send one of the guys off to rent it so that in the future whenever you think you're sitting through a bad comedy he could shake his head chuckle tolerantly and explain that you don't know what bad is Dear God 1996 Dear God is the kind of movie where you walk out repeating the title but not with a smile The movies reviewed within I Hated Hated Hated This Movie are motion pictures you'll want to distance yourself from but Roger Ebert's creative and comical musings on those films make for a book no movie fan should miss *Our Old Monsters* Brenda S. Gardenour Walter, 2015-07-11 The witch the vampire and the werewolf endure in modern horror These old monsters have their origins in Aristotle as studied in the universities of medieval Europe where Christian scholars reconciled works of natural philosophy and medicine with theological precepts They codified divine perfection as warm light male and associated with the ethereal world beyond the moon while evil imperfection was cold dark female and bound to the corrupt world below the moon All who did not conform to divine goodness including unholy women and Jews were considered evil and ascribed a melancholic blood hungry and demonic physiology This construct was the basis for anti woman and anti Jewish discourse that has persisted through modern Western culture Nowhere is this more evident than in horror films where the witch the vampire and the werewolf represent our fear of the inverted other
