**Just a Taste of Heaven** David Petts, 2018-12-06 In this easily readable book Dr David Petts shows clearly why we should expect miracles of healing today. He looks at most of the healing miracles in the Bible and draws important lessons from them. He offers a balanced theology of healing that seeks to promote faith for healing without causing discouragement to those who are not healed. Using illustrations from his own experience, he gives wise advice on how healing should be practised both in evangelism and in pastoral ministry today.

A History of Philosophy in America Bruce Kuklick, 2002-01-10 Here at last is an American counterpart to Bertrand Russell's History of Western Philosophy. The eminent historian Bruce Kuklick tells the fascinating story of the growth of philosophical thinking in the USA in the context of the intellectual and social changes of the times. Kuklick sketches the genesis of these intellectual practices in New England Calvinism and the writing of Jonathan Edwards. He discusses theology in the eighteenth and nineteenth centuries and the origins of collegiate philosophy in the early part of the nineteenth century. We see the development of secular preconceptions and the emergence after Darwin's writings of the mid-late nineteenth century of forms of thought hostile to religion. Philosophy is situated in a variety of cultural contexts: the ministry, the growing system of higher learning, the conflict between philosophers and theologians, and between amateur and professional thinkers, the suspicion of European ideas, and worries about the relevance of philosophy to public and political life. Kuklick's narrative portrays such great thinkers as Charles Peirce, William James, John Dewey, C. I. Lewis, Wilfrid Sellars, W. V. Quine, and Richard Rorty, and assesses their contributions to philosophy. He brings us right up to date with the first historical treatment of the period after pragmatism and the fragmentation of philosophy in the second half of the twentieth century. Kuklick steers a controversial course between the divergent views that historians and philosophers take of the significance of philosophy in recent years. Anyone interested in American intellectual history or in how philosophy got where it is today will enjoy this book.

**A Taste of Silence** Carl J. Arico, 2015-12-15 Like John Wesley or Jean Pierre de Caussade before him, Catholic priest Arico provides the devout with a model and method for the attainment of a deeper spirituality. Unlike them, he feels free to draw wisdom not only from Christian and ancient models but also from Sufism and Thomas Merton to show us how God is calling us from our tombs to the experience of divine union. Arico's spirituality and warmth are profound, and his guide shall be well received by most Christian readers. Library Journal

The Macarian Legacy Marcus Plested, 2004-09-23 The Macarian writings are among the most important and influential works of the early Christian ascetic and mystical tradition. This book offers an introduction to the work of Macarius Symeon, commonly referred to as Pseudo Macarius, outlining the lineaments of his teaching and the

historical context of his works The book goes on to examine and re evaluate the complex question of his relationship with the Messalian tendency and to explore the nature of his theological and spiritual legacy in the later Christian tradition In so doing the book also offers substantial treatments of the work of Mark the Monk Diadochus of Photice Abba Isaiah and Maximus Confessor It stands therefore not only as an exploration of the teaching and legacy of Macarius Symeon but also as a chapter in the history of the Christian spiritual tradition

A Taste of Heaven Olaniyi Olaleye , A Taste of Heaven Experiencing God's Kingdom on Earth Through Faith and Love by Olaniyi Olaleye invites readers to explore how Heaven is not just a distant promise but a present reality available to every believer Rooted in scripture and written with pastoral warmth this book encourages Christians to live with eternity in mind

embracing God's presence, peace and purpose in everyday life. Each chapter reveals how to reflect the values of Heaven here on Earth through prayer, worship, fellowship and love. *A Taste of Heaven* is both a spiritual guide and a call to live as citizens of God's Kingdom now. *A TASTE OF LIFE* ANNALISE VAN RENSBURG, 2024-10-14 To exchange life for existing is a sad mistake. Time is the gift to humanity where the mistake Adam made can be reversed, but we have only one short breath in time to experience the freedom of being who you were created to be. Time is temporal; it is only the journey. But life is eternal. Nothing can be lost in this temporal zone, but confusion makes us hold on to things that are not really important, losing precious time. Time is precious, and to buy out the time we have to live and not exist. Not understanding the eternal purposes of God worked out in time, we fight the wrong battles and we labour in vain. For death short-circuits all our dreams and ambitions, and only that which has eternal value was worth our efforts; all else is temporal. It all seems hopeless, but there was a place prepared in the darkened, fallen state where we can step into rest in this crazy state where death dominates. The good news is that everyone that is hungry for this can freely drink from this living fountain that takes us beyond time and the grave. *A Taste of Joy and Liberty* Jeffrey Wattles, 2025-09-15 The magnum opus of one of today's most important Christian philosophers, Stephen Post, PhD, author of *Dignity for Deeply Forgetful People* and *Pure Unlimited Love*, a compelling exploration that brings out the joy and spiritual growth central to the gospel. Stephen Finlan, PhD, United Church of Christ pastor, noted biblical scholar. Seekers of all backgrounds and especially independent thinkers will find Jesus living on these pages as we've never seen him before. Angie Thurston, Harvard Fellow in Spirituality and Leadership, discovers anew the living Jesus, our world's greatest teacher, in this riveting work of short, lucid chapters that explore his life and legacy. And learn why Jesus was the supreme example of his own teaching: the gospel of love in the kingdom of God and the joy of serving in God's universal family. Authored by a retired university professor and gospel evangelist, this unique depiction shows us how to live like Jesus: fresh, alive, original, spontaneous, and as a wellspring of love, mercy, and service. You'll also discover a Jesus who was a scientist, philosopher, healer, friend, and humorist, a divine son who shows us how to move beyond the present chaos into the dawn of a worldwide spiritual renaissance. Walk with Jesus as he shows the way to a new era of unity among his followers and the path to worldwide cooperation among equals in the family of religions. A rare work of grace and love that embodies the virtues it seeks to communicate. Matthew T. Lee, PhD, Professor of the Social Sciences and Humanities, Baylor University. This book is saturated with hope. Jesus's promise of joy, love, and freedom is palpable on every page. Rev. Paul McKenna, golden rule educator, interfaith pioneer. *A Taste of Israeli Life* Carrie Taylor Goldberg, 2021-06-24 This book takes the reader along on unique travel adventures through touching and humorous anecdotes with a Canadian learning to live like a local in Israel. From apartment dwellings to riding the rakevet, Hebrew language ulpan to donning an army uniform, it may form a bridge of understanding inside and outside of the Jewish community. Humbly learn from the Jewish community with me. Come see the beauty of the Land and People of Israel through my eyes. Sample a taste of Israeli life in peaceful moments and in the midst of
