

A photograph of the Tate Modern building at night. The building is a large, dark structure with a prominent tall, cylindrical chimney in the center. The building's windows are illuminated from within, and the roofline is lit up. The building is situated on the banks of a river, and the lights from the building and the surrounding area are reflected in the water. The sky is a deep blue, suggesting twilight or early evening. The overall scene is a nighttime view of the Tate Modern building.
