Tattle Tails for Jesus Bonita Bernard, 2004 Teaching kids to tattle one tale at a time **The Chronological Life of Christ** Mark E. Moore, 2007 not much has changed since Jesus gathered dust in the soles of his sandals on Palestinian soil He is still the buzz at barber shops and corner cafes He is still talked about and against He pricks our curiosity sparks our imagination and even earns our ire Who is he really You know he s no politician but he still transforms nations He s no social activist but he is the genesis of who knows how many hospitals orphanages and innumerable acts of kindness A psychotherapist Hardly But how many of us Humpty Dumpties has he put back together again This peasant carpenter has built himself a kingdom immeasurably greater than his earthly enemies could have imagined What are we to make of him Please accept my deepest apologies right up front for this book will not help answer that question However it may help answer this one What is this man to make of me The Chronological Life of Christ is the definitive resource where all four Gospels have been harmonized into one chronological story line The reader gets an in depth look at Jesus life ministry death and resurrection a look not attainable when reading each Gospel separately Written using the Thomas Gundry NIV Harmony of the Gospels as a frame The Chronological Life of Christ includes a very helpful subject index and user friendly table for quickly finding Bible passages This is a must have resource for every student and teacher of God s Word Book jacket **Postils for Preaching** John Rollefson, 2016-12-09 Postils for Preaching repristines an old term for commentaries on the appointed texts by assisting preachers in their time honored calling of preaching the Word Post illa some think probably refers to the reflecting after this meaning upon the texts that preachers must do in the context of the lives of their congregations and larger communities These essays do not aim to be sermons but sermon starters goads and incitements to consider the assigned texts with serious imagination and good humor all in the context of the church year and its inter textual connections The intention of this publication is to dip into a lifetime of that exegetical and homiletical bag of tricks as Jesus himself obliquely recommended when he noted how every scribe who has been trained for the kingdom of heaven is like the master of a household who brings out of his treasure what is new and what is old Matt 13 52 Please consider these postils a thesaurus treasury from which to borrow insights references and allusions as needed and found of value **Conquerors for Christ, Volume 3** Michael James Robertson, 2008-05 This Bible scholarship teaches how to flow in the anointing authority and power of Jesus Christ in order to enforce the victory of the Cross of Christ and the power of His Resurrection over the enemy sin nature death sickness oppression possession of demons false pastors and the ways of the world **Tomato Sandwich Truth: One Little Girl's Journey Through the Gospel of Mark** Lori Rodeheaver, 2012-09-20 This is one little girl s journey through the gospel of Mark It s written expositionally and practically through the guidance of the Holy Spirit and the eyes of a young woman searching desperately for her Father as well as the Truth **The Many Faces of Biblical Humor** David A. Peters, 2007-11-06 The Many Faces of Biblical Humor examines how the Bible writers intentionally used humor irony and

sarcasm to argue their points concisely This work begins with the dysfunctional families of Genesis continues delightfully through every book of the Bible and ends with a glorious fulfillment in Revelation Along the way the reader is presented humorous stories pathetically funny characters and poignant quips and quotes from prophets poets and principals The author paraphrases each biblical text in an engaging prose that highlights the humor of that passage humor that may not have been previously noted by the reader Between the paraphrases the author sets the historical and linguistic setting allowing the reader to see how the humor and puns of the text enrich the biblical understanding of God's message Also included are applications of these marvelous passages to our daily lives as we see our own foibles portrayed in the biblical characters In many ways this is a Bible commentary with an accent on the humorous In another sense it is simply a delightful book that makes the Bible come alive through the latent humor of its characters and their stories This revised edition contains corrections of typographical errors in the first edition as well as some clarifying material to make the humor more enjoyable For more information visit the author's website [Parent Parables: One Little Girl's Journey Through Early Motherhood](#) Lori Rodeheaver, 2013-04-17 I've compiled a collection of anecdotes regarding what the Lord has taught me through my children my husband my mother and my running I believe the Lord has righted some of my wrongness imparted wisdom to some of my foolishness and grown some of my seeds of faith Come along with me and learn from my not so flattering mistakes and misconceptions Even if you don't need my advice I know you'll get a laugh out of my naivety **The Strange Gospel** James L. Resseguie, 2021-10-18 In this literary analysis of the Gospel of John Resseguie examines rhetoric setting character and plot to uncover the Gospel's unique point of view He shows the usefulness of the concepts of defamiliarization and point of view for understanding how the narrator makes the familiar seem strange A material familiar point of view that is voiced by the dominant culture is compared with a defamiliarized strange point of view that is expressed by Jesus and the disenfranchised Through close readings of narrative texts the author develops and elaborates the theological perspective of John which emerges in the clash of differing points of view The introduction defines objective and subjective point of view and shows the value of the works of Boris Uspensky and Susan Sniader Lanser for understanding the Gospel of John In chapter one irony misunderstandings and double entendres are shown to be important rhetorical tools in the Gospel's attempt to make the familiar seem strange Chapter two discusses point of view as it is expressed in architectural settings sheepfold garden courtyard praetorium well temple and tomb and in topographical settings sea mountain Chapter three highlights the distinct points of view of Jesus Nicodemus religious authorities the world the royal official the man at the pool the man born blind Mary Magdalene Simon Peter the beloved disciple and Judas Chapter four discusses the point of view that emerges from an analysis of the plot The final chapter is a summary of the narrative's singular point of view This work is a suitable introduction to a literary analysis of the Gospel of John It makes an important contribution to narrative criticism on the Fourth Gospel in particular and to our understanding of defamiliarization and point of view in general The book confronts

head on habitualized and familiar ways of thinking in the ancient world and today **The Discipleship Paradigm** David Beck,2021-11-15 This volume examines the Fourth Gospel narrative in terms of its character portrayal especially the portrayal of anonymous characters It focuses on how characterization impacts readers eliciting their involvement in the narrative particularly the recognition of and response to Jesus identity and how anonymity facilitates that participation The first chapters examine the understanding of characterization in contemporary literary theory then the author explores other contemporaneous narratives for the function of anonymous characters in those narratives The final chapters examine specific character portrayals in the Fourth Gospel demonstrating how the narratives of anonymous characters draw the reader into participation in the narrative and enables identification with those characters especially the disciple Jesus loved the Johannine paradigm of discipleship The Preeminence of Christ and the Motherland Religions Delores A. Psalms of Freedom Joseph H.K.A. Espinda Jr.,2024-10-16 How can a broken soul find his way to a better life He can t But through Jesus Christ all things are possible and reachable The reason for writing this book isn t to save anyone because I cannot save a single person only Jesus can The reason for the book is to help others by sharing experiences about abuse bad habits alternative lifestyles addiction and depression to show that all these things can be overcome and replaced with true joy and freedom I have written many psalms poems during my journey and they are sprinkled throughout the chapters They are meant to stir the heart and spark the imagination into believing that there is a greater force beyond us that longs to embrace us with truth peace and love Songs and poems can create powerful visuals and tap into the human soul to promote

an awakening not previously recognized That awakening is the power and light of Christ The psalms speak of my heart and how the love of the Savior changes hearts and changes lives and changes perspectives My greatest perspective change is my identity and how I am seen by the Lord I am a child of God As His child I can step out in faith knowing that God is always near no matter where I have been or where I am going The same is available to anyone no matter what The Improvement Era ,1945 **Adult Leader** ,1928 **Spirituality, Celebration, and Catechesis for Sundays and Solemnities 2018**

Justifying Christ Harrell Reynolds,2012-05 My book is not divinely inspired God has already said all that people need This book is about showing what divine revelation revealed and how people altered the revelation Simply stated this book is about opening the blinded eyes of people The god of this world is in the business of blinding the eyes of humanity Now it is time to allow Jesus to open our eyes so that saints can be created to fight back with all the authority of our Mighty Creator Hermeneutics and homilies have discredited Him to the point that He is not known or recognized or respected as our Creator This leads us to the ultimate problem that is stated in the Bible s golden text of John 3 16 After years of teaching behind the pulpit Harrell Reynolds realized his doctrine was different from Jesus s so stopped talking and started listening This book is a result of his listening Reynolds found contradictions between his teaching and Christ s so this book strives to address those contradictions from a biblical Christlike standpoint to help you avoid making the same assumptions Tackling tough issues like unbelief sainthood and a better understanding of God s Word this book will help answer your questions while always pointing
