Subcommittee on Labor, 1985 **Making America Work** Jonathan Barry Forman, 2006-09 Work Hard work And plenty of it That is what has made the United States into the world's foremost economic superpower But while we Americans value and respect work we are also concerned about economic justice We like to see all workers earn a fair day's pay for a fair day's work And we like having a safety net to catch those who cannot compete successfully in our labor markets America works because of this balance between the desire to reward work and our concerns about economic justice But according to Jon Forman America could work even better In Making America Work Forman explains how current government policies influence work and work behavior and makes the case for changing government tax welfare Social Security pension and labor market policies to encourage work and promote greater economic justice It is a clear provocative declaration of principles and a bold
