**John Randolph Norsworthy, Diana H.
Tsai**

Tax Reform And The Cost Of Capital An International Compariosn:

Tax Reform and the Cost of Capital Dale Weldeau Jorgenson, Kun-Young Yun, 1991 The cost of capital was introduced almost thirty years ago and quickly became an indispensable tool for modelling the impact of tax policy on investment behavior Within the past decade the cost of capital has assumed a central role in tax reform debates through the closely related concept of the marginal effective tax rate This book provides a comprehensive treatment of the cost of capital approach to tax policy analysis Keeping the analytical level of this work has been kept to a minimum the authors introduce complexities in a step by step fashion leading up to a representation of tax systems for capital income that is suitable for tax policy analysis The success of the cost of capital approach is due in large part to its ability to assimilate a virtually unlimited amount of descriptive detail on alternative tax policies To provide guidance to students and tax policy professionals this book contains a full implementation of the approach for the United States including an analysis of the alternative proposals that culminated in the highly influential Tax Reform Act of 1986 in the United States It also describes opportunities for further research and gives a complete and up to date bibliography to the rapidly expanding literature This is the first in a series of Lectures in Monetary and Fiscal Policy at Uppsala University in honor of Erik Lindahl

Investment: Tax policy and the cost of capital Dale Weldeau Jorgenson, 1996 V 1 Capital theory and investment behavior V 2 Tax policy and the cost of capital

Frontiers in Applied General Equilibrium Modeling Timothy J. Kehoe, T. N. Srinivasan, John Whalley, 2005-01-17 This 2005 volume brings together twelve papers by many of the most prominent applied general equilibrium modelers honoring Herbert Scarf the father of equilibrium computation in economics It deals with developments in applied general equilibrium a field which has broadened greatly since the 1980s The contributors discuss some traditional as well as some modern topics in the field including non convexities in economy wide models tax policy developmental modeling and energy modeling The book also covers a range of distinct approaches conceptual issues and computational algorithms such as calibration and areas of application such as macroeconomics of real business cycles and finance An introductory chapter written by the editors maps out issues and scenarios for the future evolution of applied general equilibrium

Roundtable Discussion on Tax Reform and Economic Growth United States. Congress. Joint Economic Committee, 1996

Econometrics: Economic growth in the information age Dale Weldeau Jorgenson, 2000 Volumes 1 and 3 contain papers written or co written by Jorgenson Volume 2 is a collection of 13 revised and updated papers presented at a conference held on May 7 8 1993 at the John F Kennedy School of Government Harvard University to honor Jorgenson on the occasion of his 60th birthday

The Effects of Taxation on Multinational Corporations Martin Feldstein, James R. Hines, Jr., R. Glenn Hubbard, 2007-12-01 The tax rules of the United States and other countries have intended and unintended effects on the operations of multinational corporations influencing everything from the formation and allocation of capital to competitive strategies The growing importance of international business has led economists to reconsider

whether current systems of taxing international income are viable in a world of significant capital market integration and global commercial competition In an attempt to quantify the effect of tax policy on international investment choices this volume presents in depth analyses of the interaction of international tax rules and the investment decisions of multinational enterprises Ten papers assess the role played by multinational firms and their investment in the U S economy and the design of international tax rules for multinational investment analyze channels through which international tax rules affect the costs of international business activities and examine ways in which international tax rules affect financing decisions of multinational firms As a group the papers demonstrate that international tax rules have significant effects on firms investment and other financing decisions

Economic Effects of Fundamental Tax Reform Henry Aaron, William G. Gale, 2010-12-01 The tax system profoundly affects countless aspects of private behavior It is a powerful policy influence on the distribution of income and it is the one aspect of government that almost every citizen cannot avoid With tax reform high on the political agenda this book brings together studies of leading tax economists and lawyers to assess the various reform proposals and examine the effects of tax reform in several distinct areas Together these studies and comments on them present a balanced evaluation of professional opinion on the issues that will be critical in the tax reform debate The book addresses annual and lifetime distributional effects saving investment transitional problems simplification home ownership and housing prices charitable groups international taxation financial intermediaries and insurance labor supply and health insurance In addition to Henry Aaron and William Gale the contributors include Alan Auerbach University of California Berkeley David Bradford Princeton University Charles Clotfelter Duke University Eric Engen Federal Reserve Don Fullerton University of Texas Jon Gruber Massachusetts Institute of Technology Patric Hendershott Ohio State David Ling University of Florida Ronald Perlman Covington Diane Lim Rogers Congressional Budget Office John Karl Scholz University of Wisconsin Joel Slemrod University of Michigan and Robert Triest University of California Davis

The Cambridge Handbook of Social Sciences in Australia Ian McAllister, Steve Dowrick, Riaz Hassan, 2003-08-07 First published in 2003 The Cambridge Handbook of Social Sciences in Australia is a high quality reference on significant research in Australian social sciences The book is divided into three main sections covering the central areas of the social sciences economics political science and sociology Each section examines the significant research in the field placing it within the context of broader debates about the nature of the social sciences and the ways in which institutional changes have shaped how they are defined taught and researched

Taxation in an Integrating World Vito Tanzi, 2000-07-26 Tanzi explores how foreign taxes on repatriated income should be treated how profits sales and ownership of property should be allocated among countries and to what degree various taxes should be coordinated As global markets for goods services and financial assets have become increasingly integrated national governments no longer have as much control over economic markets With the completion of the Uruguay Round of the GATT talks the world economy has entered a fresh phase requiring different rules and different

levels of international cooperation Policies once thought to be entirely domestic and appropriately determined by national political institutions are now subject to international constraints Cogent analysis of this deeper integration of the world economy and guidelines for government policies are urgent priorities This series aims to meet these needs over a range of 21 books by some of the world s leading economists political scientists foreign policy specialists and government officials A volume of Brookings Integrating National Economies Series *America's Climate Security Act of 2007, S. 2191* United States. Congress. Senate. Committee on Environment and Public Works,2013 **Contract with America--savings and Investment** United States. Congress. House. Committee on Ways and Means,1996 **Replacing the Federal Income Tax** United States. Congress. House. Committee on Ways and Means,1996 **Mastering the world economy** United States. Congress. Senate. Committee on Finance,1988 Macroeconomic Policy as Implicit Industrial Policy: Its Industry and Enterprise Effects John Randolph Norsworthy,Diana H. Tsai,2012-12-06 Whether they should or not few economists do in fact refrain from making pronouncements on public policy although the state of the economy both here and elsewhere suggests that either the advice given is bad or if good that it is ignored I happen to think that we are appallingly ignorant about many aspects of the working of the economic system the economics of the firm and industry Ronald H Coase Economists and Public Policy In this volume we attempt to address an element of Coase s concern by linking the empirical economics of the flnn and industry more closely to macroeconomic policies and to demonstrate how to assess some of the effects of those policies The scope of our study ranges from a structural macroeconomic model of the United States from which macroeconomic effects are propagated to detailed structural models of SIC four digit industries The rationale for our approach is very much in the spirit of various integrated macroeconomic industry models constructed by Dale Jorgenson working with various collaborators Our approach is also consistent with and motivated by Lawrence Klein s agenda of modeling explicitly and structurally the macro and sectoral elements in the national economy We also examine the effects of the macroeconomic policies of different countries on the enterprise In only one case our examination of crowding out of private investment by government deficit fmancing is the linkage among sectors implicit *Tax Policy in the Nordic Countries* Peter Birch Sorensen,1998-03-30 The Nordic tax systems have recently undergone dramatic changes Tax bases have been broadened marginal tax rates have been cut and the Nordic countries have abandoned the traditional income tax in favour of a dual income tax combining progressive taxation of labour income with a low flat tax rate on capital income Nordic governments have also experimented with new innovative methods of taxing business income This book evaluates the Nordic tax reforms in the light of recent advances in the theory of taxation *Taxation of Cross-Border Portfolio Investment Mutual Funds and Possible Tax Distortions* OECD,1999-05-04 This book analyses the taxation of cross border portfolio investments by means of collective investment institutions Possible tax distortions specific to the area of collective investment institutions are identified for a representative group of OECD countries **Econometric Advances in Spatial Modelling and**

Methodology Daniel A. Griffith, C. Amrhein, Jean-Marie Huriot, 2013-04-17 The purpose of models is not to fit the data but to sharpen the questions S Karlin 11th R A Fisher Memorial Lecture Royal Society 20 April 1983 We are proud to offer this volume in honour of the remarkable career of the Father of Spatial Econometrics Professor Jean Paelinck presently of the Tinbergen Institute Rotterdam Not one to model solely for the sake of modelling the above quotation nicely captures Professor Paelinck's unceasing quest for the best question for which an answer is needed His FLEUR model has sharpened many spatial economics and spatial econometrics questions Jean Paelinck arguably is the founder of modern spatial econometrics penning the seminal introductory monograph on this topic Spatial Econometrics with Klaassen in 1979 In the General Address to the Dutch Statistical Association on May 2 1974 in Tilburg he coined the term spatial econometrics to designate a growing body of the regional science literature that dealt primarily with estimation and testing problems encountered in the implementation of multiregional econometric models Anselin 1988 p 7 he already had introduced this idea in his introductory report to the 1966 Annual Meeting of the Association de Science Regionale de Langue Fran aise

Revenue and Spending Proposals for Fiscal Year 1990 United States. Congress. Senate. Committee on Finance, 1989

Index of Economic Articles in Journals and Collective Volumes American Economic Association, 1995 *Long-term Strategies for Programs and Issues Within the Jurisdiction of the Committee* United States. Congress. House. Committee on Ways and Means, 1989
