Christmas as Religion Christopher Deacy,2016-07-28 In *Christmas as Religion* Christopher Deacy explores the premise that religion plays an elementary role in our understanding of the Christmas festival but takes issue with much of the existing literature which is inclined to limit the contours and parameters of religion to particular representations and manifestations of institutional forms of Christianity Religion is often tacitly identified as having an ecclesiastical frame of reference so that if the Church is not deemed to play a central role in the practice of Christmas for many people today then it can legitimately be side lined and relegated to the periphery of any

discussion relating to what Christmas means Deacy argues that such approaches fail to take adequate stock of the manifold ways in which people's beliefs and values take shape in modern society For example Christmas films or radio programmes may comprise a non specifically Christian but nonetheless religiously rich repository of beliefs values sentiments and aspirations Therefore this book makes the case for laying to rest the secularization thesis with its simplistic assumption that religion in Western society is undergoing a period of escalating and irrevocable erosion and to see instead that the secular may itself be a repository of the religious Rather than see Christmas as comprising alternative or analogous forms of religious expression or dependent on any causal relationship to the Christian tradition Deacy maintains that it is religious per se and moreover it is its very secularity that makes Christmas such a compelling and even transcendent religious holiday

Donohue, 2002-01-04 Helen C Krumpf is retiring after forty two years at R J Mrssk Co Inc This would appear to be an event of towering insignificance since an announcement of her departure and an observance thereof arouse no interest whatsoever among her coworkers But events totally unrelated to her are conspiring to make her retirement dinner a truly memorable occasion For their own very different reasons almost a thousand R J Mrssk Co employees with the notable exception of the guest of honor will find their way to the retirement dinner The legendary head of the corporation Rufe Clayton will be there Rufe has recently been stricken with Alzheimer's disease having just turned eighty one he's entitled He has come to anoint as his successor Winston Thornton Zack Russ III currently vice president Eastern area A snafu in the system Zack Russ uses to spy on corporate headquarters causes him to believe that Old Man Clayton is coming east to fire him He prepares an appropriate welcome Boom boom DeFrancesco assistant manager accounting department will be there So will Marla Sandi Miranda and a new hire a dark haired lovely young lady whose name Boom Boom has not yet learned Trying to allocate himself equitably among these and possibly a few other ladies has caused him to forget an assignment given him by his boss Ralph Murphy He was supposed to arrange to get the guest of honor to her retirement dinner Two mutually hostile groups of employees will be there the smokers and non smokers of R J Mrssk Co Inc And if you don't think they're hostile just keep your eye on Frank Murratta Brand new rookies Amanda and Adam and seasoned veterans Tina and Sam extra marital players office affairs division will seize the opportunity presented by this company sanctioned night out to do their thing The serenely beautiful fruitcake Myrna Gulinski will be there with her adoring housemate husband to be Ted Glump And apprentice human being Gwendolyn Glump whom fate will unexpectedly tap for a starring role in the night's festivities And not one but two major television networks will be on hand to cover the proceedings

This is because of a hot rumor that the retiring Helen C Krumpf is the first of fourteen wives of television superstar Jackie Mervin And the rumor goes on to say they are getting back together Television personalities Paula Cantwell and June Peterie will be on hand to cover this breaking story for their respective networks Alas Jackie Mervin will not be in attendance There is no truth to the rumor regarding him and Helen C Krumpf In fact even as the guests begin to arrive at the retirement dinner Jackie is in a west side chapel marrying his latest and truest love Hokie the Hack But the evening will be anything but a wasted trip for the television personalities their camera crews and their nationwide audiences There will be more than enough that is eminently newsworthy to justify their presence And in what will turn out to be of particular interest to June Peterie Sam Chess engineering department R J Mrssk Co Inc will be there Sam has long been obsessed with June Peterie and he will take the opportunity presented to him tonight by fate to lay to rest certain concerns he has had regarding her It is Friday evening September 8th and close to a thousand employees of the R J Mrssk Co Inc head to the Commodore Hotel You might want to come along

Close Encounters of the Third Kind Dana Polan,2024-10-03 Steven Spielberg's *Close Encounters of the Third Kind* 1977 is a film very much of its cinematic moment combining the gritty realism of entrapment in the everyday with furtive dreams of escape Dana Polan's compelling study of the film examines its significance to New Hollywood cinema and the science fiction genre He argues that *Close Encounters* is a film that is an allegory of the cinematic experience overall it both narrates a tale of visual seduction and plays it out viscerally for the spectator who shares the amazement of the protagonist Roy Neary as his mundane reality is transformed into something awe inspiring Providing an in depth look into the film's production history including all three different versions Polan situates *Close Encounters* within Spielberg's repertoire He argues that despite the film's popular success it is in fact a rejection of several entrenched American values including family home and marriage It offers through its visual fascination alternative understandings of masculinity and morality familial responsibility and what it means to follow the American Dream

[Focus On: 100 Most Popular Nonlinear Narrative Films](#) Wikipedia contributors, *Hitchcock Nonetheless* Marc Raymond Strauss,2006-11-15

Alfred Hitchcock made many great films but he also made many that critics and audiences largely dismissed. These least celebrated films despite their admitted flaws and relative obscurity offer much to reward the open minded viewer. This critical study examines and reappraises fifteen such films generally overlooked by scholars and Hitchcock aficionados: *Juno and the Paycock*, *The Skin Game*, *Waltzes from Vienna*, *Jamaica Inn*, *The Paradine Case*, *Under Capricorn*, *I Confess*, *Torn Curtain*, *Number Seventeen*, *Rich and Strange*, *Secret Agent Mr. and Mrs. Smith*, *Stage Fright*, *The Wrong Man*, and *Topaz*. Each film is discussed and analyzed in detail, revealing the master's touch in many previously unheralded ways. Brief assessments of the films from popular review compendia introduce each one, and excerpted highlights of numerous works of scholarship are liberally sprinkled throughout the text. In addition, wonderful rare still photographs from each film are included. Readers will come away with a richer sense of the director's talents in these films, adding to their appreciation of his work in unexpected ways.

Route 19 Revisited Marcus Gray, 2010-09-10. Twenty eight years after its original release, *The Clash's London Calling* was inducted into the Grammy Hall of Fame as a recording of lasting qualitative or historical significance. It topped polls on both sides of the Atlantic for the best album of the seventies and eighties and in publications as wide ranging as *Rolling Stone*, *VIBE*, *Pitchfork*, and *NME*, and it regularly hits the top ten on greatest albums of all time lists. Even its cover, the instantly recognizable image of Paul Simonon smashing his bass guitar, has attained iconic status, inspiring countless imitations and even being voted the best rock n roll photograph ever by *Q* magazine. Now the breakthrough album from the foremost band of the punk era gets the close critical eye it deserves. Marcus Gray examines *London Calling* from every vantage imaginable, from the recording sessions and the state of the world it was recorded in to the album's long afterlife, bringing new levels of understanding to one of punk rock's greatest achievements. Leaving no detail unexplored, he provides a song by song breakdown, covering when each was written and where what inspired each song, and what in turn each song inspired, making this book a must read for Clash fans.
