**The Music Sound** Nicolae Sfetcu, 2014-05-07 A guide for music compositions, events, forms, genres, groups, history, industry, instruments, language, live music, musicians, songs, musicology, techniques, terminology, theory, music video. Music is a human activity which involves structured and audible sounds which is used for artistic or aesthetic entertainment or ceremonial purposes. The traditional or classical European aspects of music often listed are those elements given primacy in European influenced classical music: melody, harmony, rhythm, tone, color, timbre, and form. A more comprehensive list is given by stating the aspects of sound: pitch, timbre, loudness, and duration. Common terms used to discuss particular pieces include melody which is a succession of notes heard as some sort of unit, chord which is a simultaneity of notes heard as some sort of unit, chord progression which is a succession of chords, simultaneity, succession, harmony which is the relationship between two or more pitches, counterpoint which is the simultaneity and organization of different melodies, and rhythm which is the organization of the durational aspects of music.

Alan Govenar, Kip Lornell, 2023-10-24 A new biography of the beloved but mysterious Blind Lemon Jefferson, famous blues musician. Born in 1897, Jefferson was a blind street musician who played his guitar at the corner of Elm Street and Central Avenue in the Deep Ellum area of Dallas, Texas, until a Paramount Records scout discovered him. Between 1926 and his untimely death in 1929, Jefferson made more than 80 records and became the biggest selling blues singer in America. Although his recordings are extensive, details about his life are relatively few. Through Govenar and Lornell's extensive interviews and research, [See That My Grave is Kept Clean](#) gathers the scattered facts behind Blind Lemon Jefferson's mythic representations.

[A Blues Bibliography](#) Robert Ford, 2008-03-31 A Blues Bibliography, Second Edition, is a revised and enlarged version of the definitive blues bibliography first published in 1999. Material previously omitted from the first edition has now been included, and the bibliography has been expanded to include works published since then. In addition to biographical references, this work includes entries on the history and background of the blues, instruments, record labels, reference sources, regional variations, and lyric transcriptions and musical analysis. The Blues Bibliography is an invaluable guide to the enthusiastic market among libraries specializing in music and African American culture, and among individual blues scholars.
