*Tchaikovsky* David Brown,1986      **Tchaikovsky** John Suchet,2019-07-02 Pyotr Ilyich Tchaikovsky is one of the most successful composers that Russia has ever produced but his path to success was not an easy one A shy emotional child intended for the civil service by his father Tchaikovsky came late to composing as a career and despite his success he was a troubled character Doubting himself at every turn he was keenly wounded by criticism The death of his mother haunted him all his life and his incessant attempts to suppress his homosexuality took a huge toll From Tchaikovsky s disastrous marriage to his extraordinary relationship with his female patron his many amorous liaisons and his devotion to friends and family Suchet shows us how the complexity of Tchaikovsky s emotional life plays out in his music A man who was by turns quick to laugh and to despair his mercurial temperament found its outlet in some of the most emotionally intense music ever written

*Tchaikovsky* David Brown,1980      An Introduction to Tchaikovsky's Operas Henry Zajackowski,2005-05-30 Known primarily as the composer of The Nutcracker Suite and other legendary pieces Tchaikovsky was also a noted musical dramatist Here in the first book devoted to the subject his operas are explored in depth from his two most famous Eugene Onegin and The Queen of Spades to such lesser known works as The Maid of Orleans The social and psychological complexity of these operas not to mention their musical brilliance confirm Tchaikovsky s reputation as his country s greatest opera composer He displayed great versatility in the range of genres in which he worked from the tragic to the fantastical the allegorical to the comic and he employed a rich variety of musical styles creating operas that are still performed widely today In this thorough and engaging examination author Henry Zajackowski both assesses and re appraises these works He provides an overview of Tchaikovsky s opera career complete with synopses musical and dramatic analysis and historical context that places the composer in the pantheon of great masters of the form      **Tchaikovsky** David Brown,1978

**Experiencing Tchaikovsky** David Schroeder,2015-02-10 The music of Tchaikovsky remains as much loved in the twenty first century as it was a hundred years ago But it has so much more to offer than luscious orchestration and tuneful melodies In *Experiencing Tchaikovsky A Listener s Companion* historian and scholar David Schroeder looks beyond traditional views of Tchaikovsky to explore the dramatic impact of his music by walking readers through the remarkable range of works by this great Russian composer Drawing on a select but highly representative group of compositions from Tchaikovsky s vast output from his groundbreaking ballet Swan Lake to his great opera Eugene Onegin *Experiencing Tchaikovsky A Listener s Companion* offers in depth explorations without technical jargon In addition to looking at his ballets and some of his operas Schroeder probes the many other genres in which Tchaikovsky worked from his chamber music pieces and symphonies to his other orchestral works and concertos Throughout Schroeder draws connections among the works painting a fuller more coherent picture of Tchaikovsky through his thematic interests musical techniques sonic signatures and literary and cultural focuses For context Schroeder describes the works of personal significance for the composer through such contemporary

literature as Tchaikovsky's letters to Nadezhda von Meck the wealthy patroness whom he never met Experiencing Tchaikovsky A Listener's Companion is for anyone who left a ballet performance whistling themes from Swan Lake or humming melodies from The Nutcracker It is the ideal work for concertgoers music students opera buffs ballet enthusiasts and anyone who appreciates this musical master *Tchaikovsky* Roland John Wiley, 2009-09-10 A giant in the pantheon of 19th century composers Tchaikovsky continues to enthrall audiences today From the Nutcracker arguably the most popular ballet currently on the boards Swan Lake and Sleeping Beauty to Eugene Onegin and Pique Dame to the Symphony Pathétique and the always rousing canon blasting 1812 Overture this prolific and beloved composer's works are perennial favorites Now John Wiley a renowned Tchaikovsky scholar provides a fresh biography aimed in classic Master Musicians style at the student and music lover Wiley deftly draws on documents from imperial Soviet and post Soviet era sources providing a more balanced look at recent controversies surrounding the marriage death and sexuality of the composer The author dovetails the biographical material with separate chapters that treat the music thoroughly and fully work by work with more substantial explorations of Tchaikovsky's most familiar compositions These analyses present new even iconoclastic perspectives on the music and the composer's intent and expression Several informative appendices in the Master Musicians format include an exhaustive list of works and bibliography *Tchaikovsky* Daniel Felsenfeld, 2006 Unlocking the Masters Composer and author Daniel Felsenfeld takes the reader on a tour of some of the Little Russian's most beloved works including The Nutcracker Swan Lake 1812 Overture Romeo and Juliet Symphonies Nos 4 and 6 the Serenade for Strings and his Violin Concerto The book is a series of blow by blow listening sections matched to the music on two accompanying CDs guiding the reader through these magical compositions illuminating their edges and fine points **Tchaikovsky:**
