**Teach Like Jesus** Josh Hunt, 2012-12-04 No one ever taught like Jesus When we learn from Him we truly are learning from the Master Teacher Josh Hunt is uniquely qualified to help us teach like Jesus because these are the practices he has personally used for years Anyone who wants to become a better teacher must have this book Allan Taylor Author Sunday School in HD I have had the pleasure of hearing Josh teach this material in person and I can assure you that it always has an impact on the audience It is both entertaining and informative It will challenge you to communicate more effectively It is biblically based and practically oriented Your teaching

will be improved if you follow the suggestions included in these pages Here s the good news The book is as entertaining and informative as the live presentation Buy it Read it Teach like Jesus Ken Hemphill Author The Prayer of Jesus If you want to be the best teacher you can possibly be Teach Like Jesus That is not only a wonderful title for a book on how to teach that is the secret to becoming the greatest teacher you can become Anyone who wants to have a greater ministry in teaching should read this book Elmer Towns Co Founder Liberty University Lynchburg Virginia When it comes to teaching the Bible nobody knows his stuff any better than Josh Hunt Josh s new book Teach Like Jesus is a must read for every pastor Sunday School director minister of education and Sunday School teacher out there Josh combines years of experience biblical analysis and spiritual insight to provide a resource for teachers in the 21st century But Teach Like Jesus is not just a book about theory Woven throughout the book are practical ideas of how to put concept into reality Bob Mayfield Sunday School and Discipleship Baptist General Convention of Oklahoma I read everything Josh has to say about teaching group life and discipleship This is his very best Every member of our staff will be reading this and I am planning to get a copy for the majority of our volunteer teachers It will make them better Josh provides literally hundreds of applicable ideas reminders tips and how to s to help your teaching be the best Jeff Young Prestonwood Church Dallas TX This study is not an examination of what Jesus taught It is an examination of how Jesus taught In this book you will learn Why is story such an effective way to teach Where to find great stories It is easier than it has ever been What makes a great story How many times did Jesus ask questions I was shocked by the answer What did Jesus expect of his disciples and how does expectation affect teaching Jesus wasn t always meek and mild and if you want to teach like Jesus you should raise your voice from time to time Teaching is not just about teaching It is also about relationship Love like Jesus Jesus teaching was not always clear We are still fighting about it today Why is that Why wasn t Jesus clearer when he taught Jesus often taught in apparent contradiction He told us to let our light so shine before men and to be careful not to do our acts of righteousness before men He made these two statements in one sermon What do we learn about teaching from that Jesus teaching was shocking to his original audience Sometimes it shocks us This book is born out of a careful study of the life of Christ taken from the gospels in the original Greek Background information is from respected commentaries as well as the latest brain science on how we learn This book has one simple goal Teach like Jesus

**Kingdom, Power, and Glory - Instructor's Guide** Grace Bible College & Seminary,2015-03-07 The New Testament the new agreement that God made with humanity through His Son Jesus Christ is the subject of this course This survey of the New Testament brings a realization that God speaks authoritatively to the church and the world today just as He did in the New Testament and throughout the course of history The information contained in this course will help provide a fuller understanding of New Testament truths and the reliable manner in which they were transmitted to us A study of this course will enable students to teach others about the Word of God in a greatly enhanced fashion

**Jesus - A Master Teacher** Roy Pitcher,2013 Jesus a Master Teacher by Roy Pitcher Synopsis for cover The

success of Jesus as a teacher is both proverbial and fascinating especially for a teacher but can his many strategies and methods go beyond religious teaching and be translated widely into the 21st century That is the question Roy Pitcher asked His positive conclusions are described in three parts An analysis of Jesus situation decisions and methods An examination of seven inter related social psychological themes evident in his teaching A translation and application to our contemporary scene of eight strategies and a planning model that can be applied to wide ranging age groups and areas of teaching Its success has been evident in many contexts and deserves careful consideration **Tasmai Shri Gurave Namah** Johanna Mohapatra, Tasmai Shri Gurave Namah is simultaneously an educational and motivational book Teachers are undoubtedly the most important members of our society They give children purpose set them up for success as citizens of any nation and breathe in them to succeed in life Without their hard work and devotion a nation cannot stand on its own They are the vehicles of attainment and progress in every age of human history The children of today are the leaders of tomorrow teachers have the ability to shape leaders of the future in the best way both on a local and global scale for a better future The story of great teachers of the past makes it better than any other books *The Youth Worker's Guide to Creative Bible Study* Karen Dockrey, 1999-04-01 With Jesus as a guide The Youth Worker s Guide to Creative Bible Study demonstrates tried and true methods for guiding youth to read their Bibles discover Bible facts understand Bible meaning and then live Bible truth

*Teaching for Spiritual Growth* Perry G. Downs, 1994 Teaching for Spiritual Growth is a textbook that explains what it means to be spiritually mature and how churches can help people achieve spiritual growth Introduction to Biblical Hermeneutics Walter C. Kaiser, Jr., Moisés Silva, 2009-08-19 Since its publication in 1994 An Introduction to Biblical Hermeneutics has become a standard text for a generation of students pastors and serious lay readers This second edition has been substantially updated and expanded allowing the authors to fine tune and enrich their discussions on fundamental interpretive topics In addition four new chapters have been included that address more recent controversial issues The role of biblical theology in interpretation How to deal with contemporary questions not directly addressed in the Bible The New Testament s use of the Old Testament The role of history in interpretation The book retains the unique aspect of being written by two scholars who hold differing viewpoints on many issues making for vibrant thought provoking dialogue What they do agree on however is the authority of Scripture the relevance of personal Bible study to life and why these things matter **Jesus Christ, Learning Teacher** Mark Chater, 2020-10-30 The Christian presence in education has never been more controversial While some secularists oppose any form of religious involvement in schools or universities some Christians also wonder why the churches are there Conflicting narratives surround the purpose of Christian involvement in education Yet at the heart of Christianity stands an educator whose passion and resurrection can be understood afresh as learning But what does it mean to say that Jesus was a teacher If he was a good teacher was he also a learner Is today s Christian church learning Can educators help the church to recover a learning Christ who places learning at the heart of the

Godhead and the church How could the Christian churches take the educational significance of Jesus more seriously Christian teachers often find themselves divided between a professional discourse on learning and making progress and a theological vocabulary which they do not fully own connecting only sporadically with their professional identity This book helps educators to treat their teacher identity as a theological resource rather than an obstacle and in so doing to discover new insights on Christ which can be of relevance to the wider church and its mission **Faith-Based Education That**

**Constructs** HeeKap Lee,2010-08-09 Constructivism is everywhere It is a hot issue at this time in the field of philosophy education technology and religion However can constructivism be an alternative approach in faith based education While some conclude that Jesus knew learning was an active knowledge creating process and that he always encouraged his disciples to think deeply and go beyond the surface level others would find that constructivism undercuts faith based education because of its claims to relativity For example constructivists claim that meaning is imposed on the world by us rather than existing in the world independently from us Thus they proclaim that truth is relative to particular times places and people Christians hold that truth does exist absolutely So how can there be a way forward for faith based educators who see the good in the constructivist approach In Faith Based Education that Constructs readers will find a unique approach whereby constructivism may appropriately be applied to a faith based education setting Although disagreement can occur between constructivism and faith based education this book concludes that constructivist thought and Christian faith based education are in the end congruent and harmonious in significant ways Those faith based educators who continue to hold cautionary views of radical constructivist assertions against absolute truths need not disregard all other aspects of constructivism **The Master's Way of Personal Evangelism** Robert E. Coleman,1997 From the author of the bestselling

book The Master Plan of Evangelism comes this study manual on the personal evangelism style of the Son of God An interactive guide this work includes insights 12 examples drawn from the life of Jesus suggestions for small group meetings an action plan personal questions and observations from each chapter The Bible and Life Edwin Holt Hughes,1915

**Read the Bible for Life** George H. Guthrie, 2011-01-01 The Bible may be the most purchased book in the world but it is often the least read and least applied due to a basic lack of understanding and motivation on the part of readers Read the Bible for Life aims to improve biblical literacy in the culture and the church by simultaneously moving readers toward greater skill in reading the Bible well and toward a deeper commitment to applying Scripture to everyday life Through a series of down to earth conversations with some of today s brightest scholars author George Guthrie discusses the basic tools and attitudes needed to read the Bible more effectively Chapters focus on the various types of literature in Scripture and how to read them well For instance how should we read a psalm differently than we read a parable How should we read a story of the Old Testament differently than we read a letter from Paul How can we engage these various parts of Scripture in a way that is truly life changing The book also discusses issues such as reading the Bible in context choosing and reading a Bible translation reading in times of sorrow or suffering and reading the Bible with your family As we better understand how to read the Bible skillfully we begin to see how every person of the Bible every psalm and every teaching fits into the Bible s powerful overarching story and we begin to realize our place in the story God is still writing in the world Endorsements In the church s dry desert of biblical illiteracy this book is a drink of cold refreshing water With pastoral sensitivity and practical skill George Guthrie is equipping us to know understand and apply the treasures of God s Word in a way that will transform our lives and our communities for the glory of our God I wholeheartedly recommend Read the Bible For Life for every Christian and every leader in the church David Platt New York Times best selling author of Radical In a culture where biblical illiteracy continues to spread like the proverbial plague George Guthrie has introduced a healing medicine in the form of Read the Bible for Life This overview of the Bible s nature and content will be welcomed in churches intent on developing biblically grounded followers of Christ The book s conversational approach provides an easy entry for a generation that tends to read only headlines With fresh insights for the long time student of God s Word and accessible material for the new student it is a resource I recommend for all believers Ed Stetzer coauthor Transformational Church The

genuine give and take of conversation is key to the Christian community's deeper grasp of the Scriptures. Read the Bible for Life is a celebration of biblical conversation between friends who really love the Word. Hopefully lots of people will join in.

Michael Card, award-winning musician and author. Handbook of Research on Contemporary Storytelling Methods Across New Media and Disciplines Mih?e?, Lorena Clara, Andreescu, Raluca, Dimitriu, Anda, 2021-01-15. Stories are everywhere around us from the ads on TV or music video clips to the more sophisticated stories told by books or movies. Everything comes wrapped in a story and the means employed to weave the narrative thread are just as important as the story itself. In this context, there is a need to understand the role storytelling plays in contemporary society, which has changed drastically in recent decades. Modern global society is no longer exclusively dominated by the time-tested narrative media such as literature or films, because new media such as videogames or social platforms have changed the way we understand, create, and replicate stories. The *Handbook of Research on Contemporary Storytelling Methods Across New Media and Disciplines* is a comprehensive reference book that provides the relevant theoretical framework that concerns storytelling in modern society as well as the newest and most varied analyses and case studies in the field. The chapters of this extensive volume follow the construction and interpretation of stories across a plethora of contemporary media and disciplines. By bringing together radical forms of storytelling in traditional disciplines and methods of telling stories across newer media, this book intersects themes that include interactive storytelling and narrative theory across advertisements, social media, and knowledge sharing platforms among others. It is targeted towards professionals, researchers, and students working or studying in the fields of narratology, literature, media studies, marketing, and communication, anthropology, religion, or film studies. Moreover, for interested executives and entrepreneurs or prospective influencers, the chapters dedicated to marketing and social media may also provide insights into both the theoretical and the practical aspects of harnessing the power of storytelling in order to create a cohesive and impactful online image.

*Evangelization of Hispanic Young People* Carmen María Cervantes, 1995. *Evangelization of Hispanic Young People* focuses on the evangelization of Hispanic young adults, the evangelization process, a model of evangelization in small communities, and the role of Mary in these evangelizing efforts. Resources for further reading, a glossary, and a subject index are included. Numbered paragraphs throughout make it easy to cross-reference between the English and Spanish versions.
