Teach Your Own:

Teach Your Own John Holt, Pat Farenga, 2021-09-28 The classic guide to teaching children at home for a new generation of homeschooling parents In 2019 there were more than two million children being homeschooled That number doubled during the pandemic and is now likely to continue increasing as more parents worry that school might not be the best place for their children to learn and grow *Teach Your Own* helped launch the homeschooling movement now its timeless and revolutionary message of recognizing the ways children come to understand the world has been updated for today's environment Parents and caregivers will discover how to navigate Learning in a classroom versus learning in the world The difference between a learning difficulty which we all experience every time we try to learn anything and a learning disability Schedules that achieve the homeschooling work life balance that you want as a family The relationship between learning and play Homeschooling and technology And much more John Holt's warm understanding of children and his passionate belief in every child's ability to learn have made this book an essential resource for over forty years to homeschooling families

Teach Your Own John Holt, 1989-11-01 Today more than one and a half million children are being taught at home by their own parents In this expanded edition of the book that helped launch the whole movement Pat Farenga has distilled John Holt's timeless understanding of the ways children come to understand the world and added up to the moment practical advice Rather than proposing that parents turn their homes into miniature schools Holt and Farenga demonstrate how ordinary parents can help children grow as social active learners Chapters on living with children serious play children and work and learning difficulties will be of interest to all parents whether home schooling or not as well as to teachers This new edition is supplemented with financial and legal advice as well as a guide to cooperating with schools and facing the common objections to home schooling *Teach Your Own* not only has all the vital information necessary to be the bible for parents teaching their own children it also conveys John Holt's wise and passionate belief in every child's ability to learn from the world that has made his wonderful books into enduring classics

Teach Your Own John Holt, 1981-07 Examines the advantages and disadvantages of home education offering advice on legal strategy dealing with school authorities home learning and returning to school at a later time
