The Way of the Linguist Steve Kaufmann,2005-11 The Way of The Linguist A language learning odyssey It is now a cliché that the world is a smaller place We think nothing of jumping on a plane to travel to another country or continent The most exotic locations are now destinations for mass tourism Small business people are dealing across frontiers and language barriers like never before The Internet brings different languages and cultures to our finger tips English the hybrid language of an island at the western extremity of Europe seems to have an unrivalled position as an international medium of communication But historically periods of cultural and economic domination have never lasted forever Do we not lose something by relying on the wide spread use of English rather than discovering other languages and cultures As citizens of this shrunken world would we not be better off if we were able to speak a few languages other than our own The answer is obviously yes Certainly Steve Kaufmann thinks so and in his busy life as a diplomat and businessman he managed to learn to speak nine languages fluently and observe first hand some of the dominant cultures of Europe and Asia Why do not more people do the same In his book The Way of The Linguist A language learning odyssey Steve offers some answers Steve feels anyone can learn a language if they want to He points out some of the obstacles that hold people back Drawing on his adventures in Europe and Asia as a student and businessman he describes the rewards that come from knowing languages He relates his evolution as a language learner abroad and back in his native Canada and explains the kind of attitude that will enable others to achieve second

language fluency Many people have taken on the challenge of language learning but have been frustrated by their lack of success This book offers detailed advice on the kind of study practices that will achieve language breakthroughs Steve has developed a language learning system available online at www.thelinguist.com CD-ROMs in Print ,2003 Teach Yourself Cantonese Complete Course (Book Only) Hugh Baker,Pui-Kei Ho,2003-07-28 Learning Cantonese as easy as 1 2 3 With this book Cantonese is attainable for any beginning student You can use Teach Yourself Cantonese Complete Course at your own pace or as a supplement to formal courses This complete course is based on the very latest learning methods and designed to be enjoyable and user friendly Prepared by experts in the language Teach Yourself Cantonese begins with the basics and gradually promotes you to a level of smooth and confident communication including Up to date graded interactive dialogues Graded units of culture notes grammar and exercises Step by step guide to pronunciation Practical vocabulary Regular and irregular verb tables Plenty of practice exercises and answers Bilingual glossary **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff,R R Bowker Publishing,1996-09 **Library Journal** ,2003 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately *Working Woman* ,1998
