31 Days Encounter With The Holy Spirit Peter I. O., 2021-01-26 This book 31 Days Encounter with the Holy Spirit is a Life in the Spirit program A study guide that attracts divine encounter and releases the supernatural virtues of the Holy Spirit in your life It is an insightful program where you get supernaturally empowered and equipped to succeed in all ramifications of life Many people who failed in businesses marriages academics and other areas of life could have been successful if they had humbled themselves and learn from the Holy Spirit whom God had made a Teacher to those who are willing to learn and grow in knowledge wisdom and understanding Before we talk about the personality of the Holy Spirit let's consider this story A man was looking for a good school where he could register his children for proper education His friend introduced him to a school and highly recommended the school for his children Initially the man did not consent to his friend's recommendation because he doubted if the school has good teachers But later he decided to give it a trial He registered one of his sons just to know what would be the outcome of the studies At the end of the first term the performance of the child was superlatively outstanding The man was delighted Without hesitation he registered the other of his two children making it a total of three children he enrolled in the same school Just like the man

who enrolled his three children in the same school after he had ascertained the credibility of the school we also need to know who the Holy Spirit is and find out His definite attributes This will help us to believe in Him fully and also open our hearts for His impartations And the angel answered and said to her the Holy Spirit will come upon you and the power of the Highest will overshadow you therefore also that Holy One who is to be born will be called the Son of God Luke 1 35 Holy Spirit is a Personality who has divinely embodied power to make everything possible Nature demands that a man and a woman must come together sexually before a woman could conceive and bear a child But in Luke 1 35 we see the Holy Spirit overruling the law of nature and granting a woman a child in her womb without the interference of any man Holy Spirit is in relation with the Godhead He is the Spirit of God sent to help humanity achieve divine purposes He gives wisdom for diverse purposes and also imparts moral and decent character in the lives of those who are privileged to have Him He was fully involved in the creation of the earth and the things in the earth Genesis chapter 1 Presently He is the Spirit of God helping the church of God to manifest the power and glory of God He was sent to us by God after the ascension of Jesus Christ into Heaven Acts 1 4 8 2 1 4 The Holy Spirit is in the world today moving around and helping those who are willing to learn and receive from Him He is our Comforter whom God sent to comfort us in every situation The good and wonderful attributes of this glorious Personality called The Holy Spirit are so numerous to mention But with these few qualities of His mentioned here it is convincing that the Holy Spirit is worth hearing and learning from whenever He speaks He gives wisdom knowledge and understanding to those who submit to His learning

He Claimed to Be God Allyn Ricketts PhD, 2021-03-30 Critical voices within the culture and church frequently make the claim that Jesus never claimed to be God If Jesus never made the claim to deity why would the early church have held such a belief from its earliest days He Claimed to Be God responds to this idea and reviews the various ways Jesus did claim to be God It is aimed at doubters but also seeks to build the faith of believers and give them some ways to respond to the charge Jesus claimed to have the attributes of God Qualities such as sovereignty omniscience holiness and love show that Jesus was claiming to be the God of the Old Testament During the exploration of this topic other apologetic issues come to the surface as we look briefly at the Trinity the validity of miracles and the power to exist as one of God's attributes Uplifting and thoroughly supported by scripture this theological study examines one aspect of the case for Christ and demonstrates that Jesus claimed to be God
