## **Teacher As Philosopher:**

*The Teacher as Philosopher* Douglas J. Simpson, Michael John Brierley Jackson, 1984      *The Importance of Philosophy in Teacher Education* Andrew Colgan, Bruce Maxwell, 2019-08-29 The Importance of Philosophy in Teacher Education maps the gradual decline of philosophy as a central integrated part of educational studies Chapters consider how this decline has impacted teacher education and practice offering new directions for the reintegration of philosophical thinking in teacher preparation and development Touching on key points in history this valuable collection of chapters accurately appraises the global decline of philosophy of education in teacher education programs and seeks to understand the external and endemic causes of changed attitudes towards a discipline which was once assigned such a central place in teacher education Chapters illustrate how a grounding in the theoretical and ethical dimensions of teaching learning and education systems contribute in meaningful ways to being a good teacher and trace the consequences of a decline in philosophy on individuals professional development and on the evolution of the teaching profession more broadly With this in mind the text focusses on the future of teacher education and considers how we can ensure that philosophy of education feeds into the excellence of teaching today This book will be of great interest to graduate postgraduate students as well as research scholars in the field of educational philosophy and history of education In addition it will be useful for those involved in teacher education and in particular course module and program development      **Philosophical Perspectives on Teacher Education** Ruth Heilbronn, Lorraine Foreman-Peck, 2015-04-27 Philosophical Perspectives on Teacher Education presents a series of well argued essays about the ethical considerations that should be addressed in teacher training and educational policies and practices Brings together philosophical essays on an underserved yet urgent aspect of teacher education Explores the kinds of ethical considerations that should enter into discussions of a teacher's professional education Illuminates the knowledge and understanding that teachers need to sustain their careers and long term sense of well being Represents an important resource to stimulate contemporary debates about what the future of teacher education should be      *The Good Life of Teaching* Chris Higgins, 2011-09-19 The Good Life of Teaching extends the recent revival of virtue ethics to professional ethics and the philosophy of teaching It connects long standing philosophical questions about work and human growth to questions about teacher motivation identity and development Makes a significant contribution to the philosophy of teaching and also offers new insights into virtue theory and professional ethics Offers fresh and detailed readings of major figures in ethics including Alasdair MacIntyre Charles Taylor and Bernard Williams and the practical philosophies of Hannah Arendt John Dewey and Hans Georg Gadamer Provides illustrations to assist the reader in visualizing major points and integrates sources such as film literature and teaching memoirs to exemplify arguments in an engaging and accessible way Presents a compelling vision of teaching as a reflective practice showing how this requires us to prepare teachers differently      **A Teacher's Guide to Philosophy for Children** Keith J. Topping, Steven Trickey, Paul Cleghorn, 2019-06-11 A Teacher's Guide to Philosophy for

Children provides educators with the process and structures to engage children in inquiring as a group into big moral ethical and spiritual questions while also considering curricular necessities and the demands of national and local standards Based on the actual experiences of educators in diverse and global classroom contexts this comprehensive guide gives you the tools you need to introduce philosophical thinking into your classroom curriculum and beyond Drawing on research based educational and psychological models this book highlights the advantages gained by students who regularly participate in philosophical discussion from building cognitive and social emotional development to becoming more informed citizens Helpful tools and supplementary online resources offer additional frameworks for supporting and sustaining a higher level of thinking and problem solving among your students This practical guide is essential reading for teachers coaches and anyone wondering how you can effectively teach philosophy in your classroom *Philosophy and the Teacher* D.I. Lloyd,2005-08-04

This introductory book shows the relevance of philosophical thinking to the practice of education **Teaching Philosophy** Steven M. Cahn,2018-03-09 Some students find philosophy engrossing others are merely bewildered How can professors meet the challenge of teaching introductory level philosophy so that their students regardless of initial incentive or skill come to understand and even enjoy the subject For nearly a decade renowned philosopher and teacher Steven M Cahn offered doctoral students a fourteen week credit bearing course to prepare them to teach undergraduates At schools where these instructors were appointed department chairs reported a dramatic increase in student interest In this book Cahn captures the essence of that course Yet many of the topics he discusses concern all faculty regardless of subject a teacher s responsibilities the keys to effective instruction the proper approach to term papers examinations and grades and suggestions for how administrators should demonstrate that they take teaching seriously Such matters are covered in the first seven chapters and in the final fourteenth chapter The intermediate six chapters focus on teaching introductory philosophy and in particular on critical thinking free will philosophy of religion ethics and political philosophy Cahn s writing is lucid and lively using vivid examples and avoiding educational jargon In sum this book is not only a guide on how to inspire students but also an inspiration for teachers themselves *Philosophy of Education* Chandra Soti Shivendra,Rajendra Kumar Sharma,2006

*In Search of Subjectivities* Michael A. Peters, Marek Tesar, 2015-11-19 While traditionally identified as a practice based endeavour the many dimensions of teacher education raise important philosophical issues that emphasise the centrality of ethics to questions of relationality and professional practice This second volume of the Educational Philosophy and Theory reader series demonstrates the continuing relevance of philosophical approaches to the field of teacher education The collection of texts focuses on a wide range of topics including teacher education in a cross cultural context the notion of unsuccessful teaching democratic teacher education the reflective teacher the ethics and politics of teacher identity and subjectivity and performance in teaching Chapters also explore teacher education based on experiential learning as experience demonstrating the continuing relevance of philosophical approaches to the field In Search of Subjectivities will interest academics researchers and postgraduate students in the fields of philosophy of education philosophy education educational theory teacher education experiential philosophy ethics policy and politics of education and professional practice

*The Philosophy of Teaching. Thoughts on Being a Teacher* Breanna Harvey, 2016-03-16 Essay from the year 2014 in the subject Pedagogy The Teacher Educational Leadership grade 1 University of Hawaii at M noa course Philosophy of Education language English abstract There is a constant battle going on within me deciding what I like better being a student or a teacher While to date all I truly know is how to be a student the few opportunities I have had teaching have filled me with a sense of accomplishment and pride far beyond anything I have experienced in my life Nevertheless I am constantly wondering what am I going to do with my life when I am not longer in school With the exception of one semester between high school and University I have consistently been in school from the time I was 3 years old and upon graduating this program I will most likely have been in school for 21 years I have a cousin who lives in Northern Canada and she is working on her second masters degree mom calls her a forever student When my mother says this however she says it with a sense of indifference and even possibly distaste towards my cousin perhaps believing that she should move on to a steady career by now

**Teachers and Philosophy** Cara E. Furman, Tomas de Rezende Rocha, 2025-02-01 Philosophers and educators come together to address contemporary issues in education Teachers and Philosophy showcases the potential of education practitioners and philosophers of education working and writing together Following Mary Louise Pratt this meeting space is referred to as a contact zone and

contributors demonstrate the power and benefit of writing from this liminal space Introductory and concluding chapters provide an argument for the value of bringing together philosophers and practitioners as well as tips for facilitating these interactions Situated amid the COVID 19 pandemic the volume grapples with the challenges that practitioners face around teaching controversial topics crafting inclusive curricula indigeneity disability urban schooling nature based education rural education mental health coping with feelings of anger and more Each chapter ends with suggestions for further reading or engagement questions for reflection and discussion and an activity that a class or reading group can move through together

*Philosophical Perspectives on Teacher Education* Ruth Heilbronn, Lorraine Foreman-Peck, 2015 *Philosophical Perspectives on Teacher Education* presents a series of well argued thought provoking essays that point to the ethical considerations that should be addressed when proposing and implementing teacher training and educational policies and practices Teaching in the Now Jeff Frank, 2019 John Dewey's *Experience and Education* is an important book but first time readers of Dewey's philosophy can find it challenging and not meaningfully related to the contemporary landscape of education Jeff Frank's *Teaching in the Now* aims to reanimate Dewey's text for first time readers and anyone who teaches the text or is interested in appreciating Dewey's continuing significance by focusing on Dewey's thinking on preparation Frank through close readings of Dewey asks readers to wonder How much of what we justify as preparation in education is actually necessary That is every time we catch ourselves telling a student you need to learn this in order to do something else we need to stop and reflect We need to reflect because when we always justify the present moment of a student's education in terms of what will happen in the future we may lose out on the ability to engage students attention and interest now when it matters Dewey asks his readers to trust that the best way to prepare students for an engaging and productive future is to create the most engaging and productive present experience for students We learn to live fully in the future only by practicing living fully in the present Although it can feel scary to stop thinking of the work of education in terms of preparation when educators reclaim the present for students new opportunities for teachers students schools democracy and education emerge *Teaching in the Now* explores these opportunities in impassioned and engaging prose that makes *Experience and Education* come alive for readers new to Dewey or who have taught and read him for many years

**Grieving as a Teacher's Curriculum** Edward Podsiadlik III, 2019-12-16 Teachers are not automatons An educator's personal values concerns and aspirations cannot be cleaved from one's professional life without impacting the quality and relevance of the teaching experience This book examines spaces where the personal and professional intersect thereby deepening our understanding of the nuances and complexities of a teacher's work It draws readers into places of vulnerability moments of grieving As a teacher's curriculum as a curriculum of life grief has much to teach about sympathy compassion and resilience Educational philosophy literary analysis and reflective practice are used to explore ways grief can help us better ascertain the scope and depth of the educators we are and have the potential to become Pieces of literature

used include works by Pat Conroy Charles Dickens Stephen King Rabindranath Tagore Virgil Franz Wedekind and Virginia Woolf Also included are ideas from a diverse set of educational philosophers social and cultural commentators poets and more Chapters conclude with Topics for Reflection for further individual and or collective reflection and discourse Educators at all stages of their careers will benefit from this study that demonstrates the impact personal grieving can have on remembering recovering and reidentifying with one s mission and vision As a resource for pre service or veteran teachers the text celebrates the power of introspection to transform our work our lives and the lives of our students It is equally relevant for parents coaches mentors and anyone who takes on the kinds of teacher roles that impact nourish and inspire the lives of others See inside the book *THE LIGHT THAT LEADS* PROFESSOR SHRIDHAR GOKHALE Prof. Rajkumar Kadam, Dr. Madhuri Gokhale, 2025-06-10 The Light That Leads Professor Shridhar Gokhale is an expression of sincere gratitude to an extraordinary educator conceived and brought to fruition by Rajkumar Kadam and Madhuri Gokhale This book is a celebration of Professor Gokhale s remarkable life legacy and profound impact on numerous students colleagues and well wishers who have had the privilege of crossing paths with him Philosophical Faith and the Future of Humanity Helmut Wautischer, Alan M. Olson, Gregory J. Walters, 2012-01-02 Karl Jaspers who died in 1969 had a profound impact on 20th century theology and philosophy His central thesis called for among other things a de centering of philosophy from its Eurocentric roots and a renewal of its dialogue with other traditions especially Asian ones This collection of essays includes unpublished work by Jaspers himself as well as testimonies to his life and career by colleagues associates and translators some of who knew Jaspers personally Readers will also find commentary and interpretation by researchers who have explored Jaspers work for decades and a biographical account of Jaspers student Leonard Ehrlich who handled much of Jaspers English translation The book interrogates Jaspers conceptions of philosophical faith his philosophy of communication and the prospects for world philosophy in the future Focusing on philosophical faith it assesses Jaspers interpretations of key philosophers such as Kant Hegel Schelling Kierkegaard Nietzsche and Rosenzweig as well as examining his personal relationships with Bultmann and Heidegger Contributors also look at Jaspers philosophies of religion and history his hypothesis of the axial age Achsenzeit and his contributions to metaphysics periechontology and economics Finally chapters cover Jaspers philosophy of communication and world history The latter are informed by a burgeoning interest in Kantian Freiheitphilosophie that influenced Jaspers as well as concerns over the future of humanity These concerns in part account for Jaspers growing popularity in the Middle East Eastern Europe Central South America and Asia Also included are lucid clarifications of the difference between religious and philosophical faith and the relevance of certainty trust and communication for a future of mankind Trained as a psychiatrist Jaspers practiced this profession before becoming a philosopher and thus had a keen insight into the workings of the human mind even as he challenged the philosophical establishment of his time It is perhaps this depth to his background that adds to the contemporary relevance of his work

**Teacher in Emerging Indian Society** Srivastava,2006      *The Concept of Prayer (Routledge Revivals)* D. Z.

Phillips,2014-02-04 Many contemporary philosophers assume that before one can discuss prayer the question of whether there is a God or not must be settled In this title first published in 1965 D Z Phillips argues that to understand prayer is to understand what is meant by the reality of God Beginning by placing the problem of prayer within a philosophical context Phillips goes on to discuss such topics as prayer and the concept of talking prayer and dependence superstition and the concept of community This is a fascinating reissue that will be of particular value to students with an interest in the philosophy of religion prayer and religious studies more generally      *Philosophy of Education - Reference Book* Prin.
