

Feather Wind chimes

For this assignment you will need to use clay and glaze to create a minimum of 6 feathers. Remember to "scratch and attach" the clay when attaching it together, using water and a toothbrush. Once you are done making the feathers, make sure to poke a hole in the tops of them and, let the feathers dry and have them fired. Now you can add the glaze, just dip the tips of the feathers into the glaze, leaving the bottom unglazed. Have them fired again. Now string them together on a branch to make them into a wind chime.

Be creative!

The supplies you will use are:
Earthenware clay
Water, toothbrush, clay tools
Glazes
Firing
Branch

Put your name on your wind chime and put it in your locker.
