## **The Family In Political Thought:**

*The Family in Political Thought* Jean Bethke Elshtain, 1982      *The Family in Christian Social and Political Thought* Brent Waters, 2007-07-19 An alternative voice in the culture wars over family values Brent Waters proposes a normative account of the family's role in social and political ordering that draws upon a spectrum of theological and philosophical resources He contends that when families are properly ordered they are oriented toward broader spheres of human association      **Family Politics** Scott Yenor, 2011 With crisp prose and intellectual fairness Family Politics traces the treatment of the family in the philosophies of leading political thinkers of the modern world What is family What is marriage In an effort to address contemporary society's disputes over the meanings of these human social institutions Scott Yenor carefully examines a roster of major and unexpected modern political philosophers from Locke and Rousseau to Hegel and Marx to Freud and Beauvoir He lucidly presents how these individuals developed an understanding of family in order to advance their goals of political and social reform Through this exploration Yenor unveils the effect of modern liberty on this foundational institution and argues that the quest to pursue individual autonomy has undermined the nature of marriage and jeopardizes its future      An Introduction to Political Thought Peri Roberts, Peter Sutch, 2004-12 An Introduction to Political Thought emphasizes a dual approach to political theory by providing a chronological overview of both major figures and texts as well as an understanding of the development of key concepts and themes In this way the authors provide a basic sense of the history and development of political thought and a critical grasp of the theoretical and philosophical issues at the heart of politics Beginning with the idea that laws and constitutions are only beneficial insofar as they give effective expression to our moral and political beliefs the authors argue that moral and political ideas are the foundations of politics Political philosophers covered in depth include Plato Aristotle Hobbes Locke Rousseau Marx Bentham Rawls and Burke Key concepts such as the moral order liberty human nature freedom the social contract distributive justice liberalism socialism feminism human rights and multiculturalism are also all covered In exploring these issues the authors offer a critical guide through key arguments in the history of political thought and contemporary political theory      Origin Stories in Political Thought Joanne Harriet Wright, 2004-01-01 Origin stories are a recurring motif in the history of political thought Presented as narratives that describe the beginnings of politics and power these stories are among the most provocative and politically contentious means by which Western society organizes and represents its experience Indeed as scripts of citizenship origin stories seek to manufacture consent to a preconceived and hierarchical political vision Joanne H Wright's Origin Stories in Political Thought examines Plato's Timaeus Hobbes's story of the state of nature and the social contract and early Second Wave feminist stories about the beginnings of patriarchal social relations Using a historically sensitive feminist methodology Wright documents and deconstructs the tradition of telling origin stories in the larger history of political thought Although individual tales have been assessed in current scholarship the motif of the origin story itself has until now escaped systematic analysis

With meticulous research and convincing conclusions *Origin Stories in Political Thought* makes a groundbreaking and valuable contribution to both feminist and political studies      **Political Thought** Hunter Baker,2012-07-31 Politics affect everyone everywhere Yet most people do not know how to communicate or think methodically much less unemotionally about the issues at hand What we need is for our thinking to be grounded in the basic framework of order freedom justice and equality Award winning professor Hunter Baker helps political amateurs gain a foundational understanding of the subject and encourages seasoned political observers to find a fresh perspective in this book Learn how to fruitfully consider and discuss politics and gain a greater capacity for evaluating political proposals and the claims that go with them      **Western Political Thought** Urmila Sharma,S.K. Sharma,2006 The Significance Of Political Thought Cannot Be Overemphasized The Task Of Understanding The Deeper Implications Of The Present Situation And The Future Planning Can Be Assisted By A Careful Study Of Political Thought Of The Ages The Study Of Political Thought In The Historical Perspective Leads To Mature Thinking And Enables The Political Leaders To Solve Contemporary Problems In A Better Way The Political Thought Of Modern World Is Based On Western Political Thought It Is Always Preferred To Begin The Study Of Political Thought With The Western Thinkers Better Say Greeks Because Unlike Their Eastern Counterpart Their Speculations Are Exclusively Contained In Independent Treatises And Do Not Form Part Of Literature Which Was Predominantly Religious And Ethical Accordingly The Present Volume Begins With Homer And Includes In Its Study The Prominent Thinkers Of The West Of All Ages Plato Aristotle Aquinas Machiavelli Hobbes Locke Rousseau Hume Burke To Name But A Few Analytic In Presentation The Present Book Is Concise And Easily Comprehensible Since Its Matter Has Been Drawn From Authentic Originals And The Books Of Eminent Western Authors Have Been Referred To The Book Aptly Caters With The Academic Needs Of Students Of Political Science It Provides A Bibliography And Also A List Of Questions Set At Various University Examinations Aiming At Facilitating The Preparation For Examination While The Teachers Will Find This Book An Ideal Reference Book The General Readers Will Find It Highly Informative      *Western Political Thought-2* Mr. Rohit Manglik,2023-12-23 In this book we will study about modern political philosophers such as Hobbes Locke Rousseau and Marx and their influence on contemporary politics      **Women in Western Political Thought** Susan Moller Okin,2013-04-21 In this pathbreaking study of the works of Plato Aristotle Rousseau and Mill Susan Moller Okin turns to the tradition of political philosophy that pervades Western culture and its institutions to understand why the gap between formal and real gender equality persists Our philosophical heritage Okin argues largely rests on the assumption of the natural inequality of the sexes Women cannot be included as equals within political theory unless its deep rooted assumptions about the traditional family its sex roles and its relation to the wider world of political society are challenged So long as this attitude pervades our institutions and behavior the formal equality women have won has no chance of becoming substantive      **Approaches to Political Thought** William L. Richter,2009-03-16 *Approaches to Political Thought* raises three important questions concerning traditional political thought

1 Why study the political writings and ideas of Plato Machiavelli and other long dead writers 2 Who among the writers and which of their works are worth studying 3 How should they be studied The book then explores ten contemporary approaches to understanding political thought and the diverse answers to these questions The approaches covered include those of Leo Strauss Hannah Arendt Eric Voegelin Sheldon Wolin the Cambridge School Quentin Skinner and J G A Pocock Psychobiography Critical Theory of the Frankfurt School Herbert Marcuse and Jürgen Habermas Hermeneutics Paul Ricoeur and Hans Georg Gadamer Michel Foucault and Feminist Criticism Susan Moller Okin and Jean Elshtain Each chapter includes an introductory essay and edited selections that illustrate or discuss that approach Each chapter concludes with discussion questions and suggestions for further exploration including books articles and web sites This exploration of contending contemporary approaches to political thought touches upon ongoing methodological and philosophical issues that are relevant to several academic disciplines including political science history philosophy and psychology

**The Broadview Anthology of Social and Political Thought: Essential Readings** Andrew Bailey, Samantha Brennan, Will Kymlicka, Jacob T. Levy, Alex Sager, Clark Wolf, 2012-02-17 This volume features a careful selection of major works in political and social philosophy from ancient times through to the present Every reading has been painstakingly annotated and each figure is given a substantial introduction highlighting his or her major contribution to the tradition The anthology offers both depth and breadth in its selection of material by central figures while also representing other currents of political thought Thirty two authors are represented including fourteen from the 20th century The editors have made every effort to include translations that are both readable and reliable In order to ensure the highest standards of accuracy and accessibility the editors have consulted dozens of leading academics during the course of the volume's development many of whom have contributed introductory material as well as advice The result is an anthology with unparalleled pedagogical benefits The Broadview Anthology of Social and Political Thought sets the new standard for social and political philosophy instruction

**The Oxford Handbook of the History of Political Philosophy** George Klosko, 2011-05-26 Fifty distinguished contributors survey the entire history of political philosophy They consider questions about how the subject should best be studied they examine historical periods and great theorists in their intellectual contexts and they discuss aspects of the subject that transcend periods such as democracy the state and imperialism

*The Authoritarian Family and Political Attitudes in 17th-Century England* Gordon J. Schochet, Available for the first time in paperback this classic study of the relationship between paternal and political authority identifies patriarchy as a leitmotif of western social and political thought since the time of Plato and Aristotle Gordon Schochet shows that patriarchal doctrines can be found in the writings of all major political theorists from Plato to Bodin and that almost every significant political thinker in the seventeenth century England acknowledged and addressed patriarchy In the Stuart period patriarchy was the primary alternative to social contract and populist justifications of political authority Moreover patriarchal power was a major presupposition of

those very doctrines that were offered in opposition to it The author demonstrates that the ideological social structural and philosophic roots of the patriarchal tradition are deeply embedded in the political consciousness and practices of Western Europe In earlier political thought familial doctrines provided anthropological accounts of the origins of political order whereas in the Stuart period patriarchalism was primarily a justification of political obligation Analyzing these essential differences Professor Schochet offers a number of sociological and virtual disappearance of patriarchal conceptions of obligations during the seventeenth century Untangling the patriarchal theory he shows that it comported well with the implicit ideology and everyday life of the masses and was fully consistent with the level of historical awareness of the early modern period The final chapter traces the ultimate demise of patriarchalism in the eighteenth century and its transformation back into a theory of political origins In addition the author discusses a number of important questions about the nature of political theory how its historical documents may be analyzed and the resort to symbols in political discourse

*A History of Women's Political Thought in Europe, 1700-1800* Karen Green, 2014-12-04 This book explores and examines the political philosophies of enlightenment women across Europe in the eighteenth century

**A History of Western Political Thought** J. S. McClelland, Dr J S McClelland, 2005-07-15 A History of Western Political Thought is an energetic and lucid account of the most important political thinkers and the enduring themes of the last two and a half millennia Written with students of the history of political thought in mind the book traces the development of political thought from Ancient Greece to the late twentieth century focuses on individual thinkers and texts includes 40 biographies of key political thinkers offers original views of theorists and highlights those which may have been unjustly neglected develops the wider themes of political thought and the relations between thinkers over time

*The Political Theory Reader* Paul Schumaker, 2010-02-22 Utilizing 100 key readings The Political Theory Reader explores the rich tradition of ideas that shape the way we live and the great issues in political theory today Allows students to see how competing ideological viewpoints think about the same political issues Provides readers with direct access to authors covered in the From Ideologies to Public Philosophies text Facilitates discussions by having readings arranged thematically throughout text Extracts of works specifically chosen to focus on topics central to issues covered in chapters

*The Broadview Anthology of Social and Political Thought - Volume 2: The Twentieth Century and Beyond* Andrew Bailey, Samantha Brennan, Will Kymlicka, Jacob T. Levy, Alex Sager, Clark Wolf, 2008-09-12 The second volume of this comprehensive anthology covers the twentieth and early twenty first centuries The anthology is broad ranging both in its selection of material by figures traditionally acknowledged as being of central importance and in the material it presents by a range of other figures The material in this volume is presented in three sections The first Power and the State includes selections by such figures as Goldman Lenin Weber Schmitt and Hayek Among those included in the Race Gender and Colonialism section are de Beauvoir Gandhi Fanon and Young The third and by far the longest section Rights Based Liberalism and its Critics focuses on the many interrelated directions that social and

political philosophy has taken since the publication of John Rawls's ground-breaking *A Theory of Justice* in 1971. In order to better meet the needs of today's students, the editors have made every effort to include accurate and accessible translations of the readings. Additionally, every selection has been painstakingly annotated, and each figure is given a substantial introduction highlighting her or his major contributions within the tradition. For figures of central importance, the editors have included extended introductions that place the figure in the context of intellectual history as well as of political thought. In order to ensure the highest standards of accuracy and accessibility, the editors have consulted dozens of leading academics during the course of the volume's development, many of whom have contributed introductory material as well as advice. The result is an anthology with unparalleled pedagogical benefits. **The Broadview Anthology of Social and Political Thought** sets the new standard for social and political philosophy instruction.

**Political Theory** Simon Stevens, 2025-02-07 Big ideas matter in politics and they spark fierce debates about the future of our society. This pathbreaking new textbook examines the key political ideas that shape our lives today. *Political Theory: Why Big Ideas Matter* takes a unique disruptive approach by creating conversations between two or three important thinkers within multiple cultural contexts and perspectives to show innovative connections between thinkers across time and space. Rather than drawing solely from the established canon of traditional political thought, which has been criticised for being too white, too male, and too Western, this book is part of a worldwide effort to contest and diversify. Have big ideas on sovereignty been fundamental to establishing political order, or a tool to justify colonisation? Is John Locke's theory of property fit to answer questions about who owns our data, or the matter of reparations? Can the tradition of human rights incorporate non-human species? Is gender performative, and how does this represent the struggles of LGBTQ communities? Political theory can get us thinking more deeply about empirical events, but empirical events can also get us critiquing theories for falling short. This textbook is essential for undergraduate and postgraduate students of political theory and shows how we can be better political theorists. Simon Stevens is Senior Lecturer in Political Philosophy at De Montfort University, Leicester, UK, and is a winner of the Political Studies Association Bernard Crick Prize for Outstanding Teaching.

**W. E. B. Du Bois and American Political Thought** Adolph L. Reed Jr., 1997-10-30 In this explosive book, Adolph Reed covers for the first time the full sweep and totality of W. E. B. Du Bois's political thought. Departing from existing scholarship, Reed locates the sources of Du Bois's thought in the cauldron of reform-minded intellectual life at the turn of the century, demonstrating that a commitment to liberal collectivism, an essentially Fabian socialism, remained pivotal in Du Bois's thought even as he embraced a range of political programs over time, including radical Marxism. He remaps the history of twentieth-century progressive thought and sharply criticizes recent trends in Afro-American literary and cultural studies.

**Western Political Thought** Mr. Rohit Manglik, 2024-02-13 EduGorilla Publication is a trusted name in the education sector, committed to empowering learners with high-quality study materials and resources. Specializing in competitive exams and academic support, EduGorilla provides comprehensive and well-structured content.

tailored to meet the needs of students across various streams and levels

## **The Family In Political Thought Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Family In Political Thought PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to

personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Family In Political Thought PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Family In Political Thought free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### FAQs About The Family In Political Thought Books

1. Where can I buy The Family In Political Thought books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Family In Political Thought book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
