Psychoanalysis and the Politics of the Family: The Crisis of Initiation Daniel Tutt,2022-02-12 Psychoanalysis and the Politics of Family aims to raise a sophisticated and highly accessible debate around the family self making and the political and cultural implications of liberation The text proposes a new way to read the Lacanian theory of Oedipus and through this reading resituate a series of important political and theoretical debates that have concerned intellectual life over the last forty years It is written with an accessible style so that both specialists in Lacanian and Marxist theory and a broader cross section of readers interested in understanding the implications of debates across populist and Marxist perspectives that have

occupied the global left since the 2008 economic crash The text aims to resituate the way theories of emancipation and liberation are theorized from a distinctive psychoanalytic and Lacanian point of view In resituating the infamous Oedipus complex in a new light the text re opens a series of debates with important theoretical interlocutors including the influential American historian and psychoanalytic thinker Christopher Lasch whose thought has witnessed a significant renaissance of interest today to the staunch critic of Freud and Lacan Ren Girard to Gilles Deleuze and Félix Guattari and their widely read Anti Oedipus series that disputes the Freudian and Lacanian notions of Oedipus Reign of Virtue Miranda Pollard,2012-07-15 In Reign of Virtue Miranda Pollard explores the effects of military defeat and Nazi occupation on French articulations of gender in wartime France Drawing on governmental archives historical texts and propaganda Pollard explores what most historians have ignored the many ways in which Vichy's politicians used gendered images of work family and sexuality to restore and maintain political and social order She argues that Vichy wanted to return France to an illustrious and largely mythical past of harmony where citizens all knew their places and fulfilled their responsibilities where order prevailed The National Revolution according to Pollard replaced the ideals of liberty equality and fraternity with work family and fatherland making the acceptance of traditional masculine and feminine roles a key priority Pollard shows how Vichy's policies promoted the family as the most important social unit of a new France and elevated married mothers to a new social status even as their educational employment and reproductive rights were strictly curtailed **Marriage and Family Therapy** Linda Metcalf,2011-06-23 There are many different models of marriage and family therapy the challenge for students and beginning practitioners is deciding which one best suits their individual purposes This highly practical volume elucidates the defining characteristics of 14 contemporary models including their history views of change views of family and the role of the therapist and methods of assessing family dynamics goal setting facilitating change and knowing when to terminate Each chapter also includes a template for implementing therapy models and realistic case studies many drawn from actual practice to illustrate how each model would address common issues In addition the volume includes extensive interviews with master therapists such as Albert Ellis Insoo Kim Berg Sue Johnson Susan McDaniel Derald Wing Sue and many others They share their ideas of the ways in which change occurs how they set goals and how they perform therapy For further clarification each therapist illustrates how he/she would proceed via the same case study Learning how to perform effective family therapy can be an arduous process of trial and error yet this resource will ease the way for students and currently practicing family therapists who need to revisit the basics Modalities Included Bowen Family Systems Theory Contextual Family Therapy Cognitive Behavioral Family Therapy Models Rational Emotive Behavior Therapy Symbolic Experiential Family Therapy Satir Human Validation Process Model Milan Systemic Family Therapy Structural Family Therapy Strategic Family Therapy Solution Focused Brief Therapy with Families Narrative Therapy with Families Emotionally Focused Therapy Medical Family Therapy Family Psychoeducation Key Features Introduces the theory history
