The Far Side Of The Hill:

On the Far Side of the Mountain Jean Craighead George,2001-05-22 Two years ago Sam ran away from New York City to live in the Catskill Mountains Now his younger sister Alice has joined him and is quietly living in a tree house of her own nearby Their peaceful life is shattered when a conservation officer confiscates Sam s falcon Frightful and Alice suddenly vanishes Sam leaves his home to search for Alice hoping to find Frightful too But the trail to the far side of the mountain may lead Sam into great danger Surpasses the original in style and substance This story is a jewel Booklist George has outdone herself here Kirkus Reviews

The Far Side of the Loch Melissa Wiley,2007-09-04 Growing up in Scotland in 1789 is very exciting for Martha Morse When word comes that her cousins are moving into the house across the loch she can hardly believe the good news

The Far Side of the Moon Jonathan Pearce,2006-02 A young Japanese nanny and an American boy find common ground during a drought in California in the 1870s

The Far Side of the River Harry Jay Thorn,2017-06-01 When US Marshal Harry Boudine buys outlaw Jack Morgan s freedom from Arizona s brutal Yuma Prison the ex lawman soldier and gunfighter finds that he has to repay the debt in spades Morgan s job is to stem the flow of US arms to the Mexican bandits and persuade the sick Confederate general John J De Wolfe that the South will never again bear arms against its Northern brothers During the long ride to Mexico blood and bullets lace the air as Morgan outwits and out shoots anything the hired gunfighters of Rancho Santa Cruz can throw at him Even so death still lurks behind every boulder and the success of Morgan s mission is always in doubt Then too there is the strong and beautiful Stella Owens

The Far Side of Eden James Conaway,2015-10-22 In the tradition of his New York Times bestseller Napa James Conaway picks up the story he began a decade ago The Far Side of Eden offers a fascinating look at the political side of the wine revolution that put California s Napa Valley on the world map Miami Herald Now Conaway reveals Napa is awash in dollars generated by the boom economy and the social ambitions it inspired The valley is beset by new arrivals determined to have vineyards of their own and by cult wine producers in thrall to fabulously expensive rocket juice cabernet sauvignon that few locals can afford while established families wish to hold on to the old ways and camp followers get caught up in the glamour of it all Conaway long known for his controversial compulsively readable social reporting here indicts the wave of new money millionaires from Silicon Valley who have brought with them gaudy displays of wealth building so called McMansions and planting vanity vineyards Los Angeles Times A cautionary tale with a seductive pull San Francisco Chronicle The Far Side of Eden takes us to the frontlines of America s ongoing conflicts over money land and power to tell a story that has ramifications for us all

Polyglot from the Far Side of the Moon Lauren F. Pfister,2022-03-24 Though recognized in the latter part of the 19th century as the greatest Orientalist in Britain the Geneva born Anglican priest Solomon Caesar Malan 1812-1894 was such an extraordinary person that he has defied any scholarly person to write a critical account of his life and works Consequently almost no one has written anything critically appreciative and insightful about him since his death A polymath with extraordinary talent for languages and sketching among other specialized skills Malan focused much of his life on assessing biblical translations in ancient Middle Eastern and East Asian languages while also producing English translations of alternative expressions of Christianity found in north Africa the Middle East and Asia A life long interest of his was comparing the proverbs of his namesake King Solomon with proverbial wisdom from as many cultures and languages as he could find That interest culminated in a three volume work that enshrined his achievements realized through his capacities as a hyperpolyglot within the context of a search for shared wisdom across many cultures In this volume produced by a team of collaborators from a wide range of scholarly interests and varying expertise we have presented a critically assessed account of the life and key works produced by Solomon Caesar Malan In fact it is the first work of its kind on Malan written since his death now having occurred more than 125 years ago Readers will journey through an itinerary that starts in Geneva before it became part of Switzerland moves to Great Britain and ultimately into one of the colleges in Oxford Subsequently it moves us into an exploration of the journey of his life that involved a huge range of places people and languages starting in Calcutta touching unusual figures from Hungary India and China Those seminal experiences led Malan into studies of languages related to even more distant cultural worlds in Central Southeastern and East Asia The historians among us have

delved into Malan's life in Calcutta, Geneva, and Dorsetshire while others have explored the nature of his hyperpolyglossia and tested the quality of his understanding of ancient literature in classical languages that include Chinese, Manchurian, Sanskrit, and Tibetan. Notably, Malan's personal library was so unique that when he donated it to his alma mater at Oxford University, it became one of the major bibliographic precedents for what is now the Oriental Division in the Bodleian Libraries. Yet when one follows the twists and turns of his life's journey and the surprises that occur from documenting the history and content of the Malan Library as well as critically analysing aspects of his opus magnum *Original Notes on the Book of Proverbs* (1889-1893), we believe both general readers and scholarly specialists will be entranced. *The Far Side of the World (Vol. Book 10) (Aubrey/Maturin Novels)* Patrick O'Brian, 2011-12-05. The tenth installment in the beloved epic Aubrey Maturin series and inspiration for the major motion picture starring Russell Crowe. *The War of 1812* continues, and Captain Jack Aubrey sets course for Cape Horn on a mission after his own heart intercepting a powerful American frigate outward bound to wreak havoc with the British whaling trade. Meanwhile, Stephen Maturin has a mission of his own in the world of secret intelligence and comes face to face with the harsh realities for women of the age. Disaster in various guises awaits them in the Great South Sea and in the far reaches of the Pacific: typhoons, castaways, shipwrecks, an ill-fated affair, murder, and criminal insanity, as well as a bold rescue by a crew of seafaring female warriors. **The Royal Engineers Journal**, 1910. *Journal of the United Service Institution of India*, United Service Institution of India, 1910. [An Atlas of the Moon's Far Side](#) Akademii nauk SSSR., Nikolai Pavlovich Barabashov, 1961. *Auto Motor Journal*, Stanley Spooner, 1913. *The Far Side of Forever*, Robert Zorich, 2013-08-20. Time is immutable, untouchable. A river always streaming past us. Something we can't ever turn back or fix. Or can we? John Gillian, renowned physicist, and Rebecca Harleson, renaissance thinker and mathematician, and their team have created the first machine capable of sending messages through infinite time and space. Their invention causes shock waves throughout the world and becomes the target of protestors and unscrupulous politicians. The possibilities for misuse are endless. When the newly appointed Secretary of Technology Development takes over the project to prevent a tragedy from occurring, the warnings of side effects are ignored. The results are a world spinning out of control as great paradoxes are manifested around the team and their device. Now only Gillian and his team can get back to the source and stop the escalating events before they unfold. **Scottish Mountaineering Club Journal**, Scottish Mountaineering Club, 1895. Includes section Mountaineering literature.
