during productive times and also during times of adversity and crop failures the author understood her neighbor's pain and tears when their family homes and farm land went into foreclosure. She realized that if not for the grace of God it could have been their home, their property. She recalls gazing at a field of corn stalks drying because of drought and praying for rain as she searched the sky for a tiny dark rain cloud. Her family endured the lean years along with the productive years. Starting their life together with nothing, God met their needs and later blessed their farming endeavors. They lived the American dream of owning a few acres in the country to farm and a new home to enjoy.
