**American History** Stephen E. Atkins, 2011-09-13 This encyclopedia covers American right wing extremist groups and extremism from the 1930s to the present day including neo Nazis the Ku Klux Klan and various anti government organizations Right wing extremism in America has had an established presence from the 1930s through the present day The election of America's first African American president and the resuscitation of big government policymaking have stimulated a reaction from and a reemergence of right wing extremists Neo Nazis racist skinheads and white supremacists Unfortunately it seems Americans are still living in an age of extremism The Encyclopedia of Right Wing Extremism in Modern American History provides useful authoritative information about these groups and their histories covering conservative extremism from the 1930s onward such as white supremacist groups and neo Nazis Christian Identity and other right wing religious movements and anti American government extremists An introductory overview insightful conclusion chapter and useful up to date bibliography are also included

*A Farther Shore* Gerry Adams, 2005-03-08 He's been imprisoned shot at denounced shunned and banned yet Sinn Féin president Gerry Adams remains resolute in his belief that peace is the only viable option for the Irish people Adams led the oldest revolutionary movement in Ireland on an extraordinary journey from armed insurrection to active participation in government Now he tells the story of the tumultuous series of events that led to the historic Good Friday Agreement as only he can with a tireless crusader's conviction and an insider's penetrating insight In vivid detail Adams describes the harrowing attack on his life and he offers new details about the peace process We learn of previously undisclosed talks between republicans and the British government and of conflicts and surprising alliances between key players Adams reveals details of his discussions with the IRA leadership and tells how republicans differed dissidents emerged and the first IRA cessation of violence broke down He recounts meetings in the Clinton White House tells what roles Irish Americans and South Africans played in the process and describes the secret involvement of those within the Catholic Church Then triumphantly this inspiring story climaxes with the Good Friday Agreement what was agreed and what was promised Gerry Adams brings a sense of immediacy to this story of hope in what was long considered an intractable conflict He conveys the acute tensions of the peace process and the ever present sense of teetering on the brink of both joyous accomplishment and continued despair With a sharp eye and sensitive ear for the more humorous foibles of political allies and enemies alike Adams offers illuminating portraits of the leading characters through cease fires and standoffs discussions and confrontations Among the featured players are John Major Tony Blair Bill and Hillary Clinton Jean Kennedy Smith and Nelson Mandela As the preeminent republican strategist of his generation Gerry Adams provides the first comprehensive account of the principles and tactics underpinning modern Irish republicanism And in a world where peace processes are needed more urgently than ever *A Farther Shore* provides a template for conflict

resolution     The Farther Shores of Politics George Thayer,1968     *From Bible Belt to Sunbelt: Plain-Folk Religion, Grassroots Politics, and the Rise of Evangelical Conservatism* Darren Dochuk,2010-12-13 A prize winning five decade history of the evangelical movement in Southern California that explains a sweeping realignment of American politics From Bible Belt to Sun Belt tells the dramatic and largely unknown story of plain folk religious migrants hardworking men and women from Oklahoma Texas and Arkansas who fled the Depression and came to California for military jobs during World War II Investigating this fiercely pious community at a grassroots level Darren Dochuk uses the stories of religious leaders including Billy Graham as well as many colorful lesser known figures to explain how evangelicals organized a powerful political machine This machine made its mark with Barry Goldwater inspired Richard Nixon s Southern Solution and achieved its greatest triumph with the victories of Ronald Reagan Based on entirely new research the manuscript has already won the prestigious Allan Nevins Prize from the Society of American Historians The judges wrote Dochuk offers a rich and multidimensional perspective on the origins of one of the most far ranging developments of the second half of the twentieth century the rise of the New Right and modern conservatism     *The Republican Right since 1945* David W. Reinhard,2021-10-21 In 1981 a Right Wing Republican at long last resided in the White House presiding over what may prove to be the most fundamental restructuring of American political life since the days of Franklin D Roosevelt Fortunately *The Republican Right since 1945* now provides us with the necessary historical understanding of conservative Republicans David Reinhard s dispassionate yet lively book recounts the Republican Right s political struggles from the death of FDR in 1945 to the inauguration of Ronald Reagan Younger readers will discover that Right Wing Republicans are older than Ronald Reagan or Barry Goldwater and that some conservative Republicans once feared the overextension of American power abroad and the rise of the garrison state at home Those old enough to remember when the Republican Right was called the Old Guard will rediscover the events and personalities of those earlier years thanks to Reinhard s use of more than thirty five manuscript collections and the most recent historical writing Not content to let this history end where traditional manuscript sources run thin Reinhard has brought the story of the Republican Right Wing forward to President Ronald Reagan s inauguration placing Right Wing Republican reaction to the Johnson and the Nixon Ford years within the context of the earlier period and chronicling the electoral triumph of Ronald Reagan and the Republican Right Students of the past and observers of the present will appreciate Reinhard s treatment of the always troubled Nixon Republican Right association challenger Ronald Reagan s battle against President Gerald Ford in 1976 the decline of GOP moderation and the rise of the New Right Moral Majority forces and their relationship to the now ascendant Republican Right Reinhard illuminates the conservative Republican past and thereby makes the current political scene more understandable Thoroughly researched and brilliantly written *The Republican Right since 1945* will fascinate scholars and general readers alike     **General Walker and the Murder of President Kennedy** Jeffrey H. Caufield, M.D. ,2015 In *General Walker and the Murder of President*

Kennedy The Extensive New Evidence of a Radical Right Conspiracy author Jeffrey H Caufield explores the forces which led Oswald to be in Dallas that day Dr Caufield applies acquired academic methodology in rigorously researching the story through public records private correspondence and a number of sources not available to the general public until the Freedom of Information Act released them Conservative Counterrevolution Tula A Connell,2016-03-15 In the 1950s Milwaukee s strong union movement and socialist mayor seemed to embody a dominant liberal consensus that sought to continue and expand the New Deal Tula Connell explores how business interests and political conservatives arose to undo that consensus and how the resulting clash both shaped a city and helped redefine postwar American politics Connell focuses on Frank Zeidler the city s socialist mayor Zeidler s broad concept of the public interest at times defied even liberal expectations At the same time a resurgence of conservatism with roots presaging twentieth century politics challenged his initiatives in public housing integration and other areas As Connell shows conservatives created an anti progressive game plan that included a well funded media and PR push an anti union assault essential to the larger project of delegitimizing any government action opposition to civil rights and support from a suburban silent majority In the end the campaign undermined notions of the common good essential to the New Deal order It also sowed the seeds for grassroots conservatism s more extreme and far reaching future success

**The Mountain States of America: People, Politics, and Power in the Eight Rocky Mountain States** Neal R. Peirce,1972 BIBLIOGRAPHICAL p 297 304 Politics, Society, and the Klan in Alabama, 1915-1949 Glenn Feldman,1999-09-24 This first book length examination of the Klan in Alabama represents exhaustive research that challenges traditional interpretations The Ku Klux Klan has wielded considerable power both as a terrorist group and as a political force Usually viewed as appearing in distinct incarnations the Klans of the 20th century are now shown by Glenn Feldman to have a greater degree of continuity than has been previously suspected Victims of Klan terrorism continued to be aliens foreigners or outsiders in Alabama the freed slave during Reconstruction the 1920s Catholic or Jew the 1930s labor organizer or Communist and the returning black veteran of World War II were all considered a threat to the dominant white culture Feldman offers new insights into this qualified continuity among Klans of different eras showing that the group remained active during the 1930s and 1940s when it was presumed dormant with elements of the Reconstruction syndrome carrying over to the smaller Klan of the civil rights era In addition Feldman takes a critical look at opposition to Klan activities by southern elites He particularly shows how opponents during the Great Depression and war years saw the Klan as an impediment to attracting outside capital and federal relief or as a magnet for federal action that would jeopardize traditional forms of racial and social control Other critics voiced concerns about negative national publicity and others deplored the violence and terrorism This in depth examination of the Klan in a single state which features rare photographs provides a means of understanding the order s development throughout the South Feldman s book represents definitive research into the history of the Klan and makes a major contribution to our understanding of both that organization

and the history of Alabama      **The New Labor Radicalism and New York City's Garment Industry** Leigh David Benin, 2019-02-21 First published in 2000 This study examines how Progressive Labor an antirevisionist offshoot of the Communist Party USA attempted to revolutionize the labor front in New York City's garment industry during the 1960s An ideologically driven group whose founders were loyal to Stalinism and attracted by Maoism Progressive Labor set out in 1962 to become the vanguard of the American working class      **The New Utopian Politics of Ursula K. Le Guin's The Dispossessed** Laurence Davis, Peter Stillman, 2005-11-22 The Dispossessed has been described by political thinker Andre Gorz as The most striking description I know of the seductions and snares of self managed communist or in other words anarchist society To date however the radical social cultural and political ramifications of Le Guin's multiple award winning novel remain woefully under explored Editors Laurence Davis and Peter Stillman right this state of affairs in the first ever collection of original essays devoted to Le Guin's novel Among the topics covered in this wide ranging international and interdisciplinary collection are the anarchist ecological post consumerist temporal revolutionary and open ended utopian politics of The Dispossessed The book concludes with an essay by Le Guin written specially for this volume in which she reassesses the novel in light of the development of her own thinking over the past 30 years      **The New Annual Register, Or General Repository of History, Politics, and Literature, for the Year ...** ,1791      *The New Annual Register, Or General Repository of History, Politics, Arts, Sciences, and Literature, for the Year ...* ,1791      Bulletin of the Atomic Scientists ,1968-12 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin's iconic Doomsday Clock stimulates solutions for a safer world      **The Gun in Politics** J. Bowyer Bell, 2017-07-12 Irish history sounds a long litany of grievance and vengeance lost battles escaped earls and institutionalized injustice The gun certainly in this century has played a prominent part In The Gun in Politics J Bowyer Bell presents the story of one Ireland the Ireland of the Troubles and about an approach to understanding political violence In particular he examines the Irish Republic Army the longest enduring unsuccessful revolutionary organization He describes the covert world of gunmen and the great game they play in the street His is a lively telling account of sophisticated weapons transfer of the impact of civil war on society and of appropriate democratic responses to terrorism Bell's association with active Republicans his endless tea seminars at the United Irishman drinks at Hennessy's and constant conversation throughout Ireland on political matters over a period of twenty years has provided the author with unique background for this guide to a fascinating though brutal undercurrent of Irish history      **The Politics of Policy in Local Government** John Dearlove, 2011-02-03 Originally published in 1973 this book is a review of the established literature on local government and the mainstream studies of public policy in political science      **The Saturday Review of Politics, Literature, Science and Art** ,1860      **The Canadian Magazine of Politics, Science, Art and Literature** ,1900      **The Canadian Magazine of Politics, Science, Art & Literature** ,1893

The Farther Shores Of Politics: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have charmed audiences this year. The Farther Shores Of Politics : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
