**The Fascist Persuasion in Radical Politics** A. James Gregor, 2015-03-08 How valid are the assertions of contemporary radicals who insist that they are Marxists A James Gregor measures the distance that separates today's radicals from the belief system of Marx and Engels He finds that the characteristic qualities of modern mass mobilizing movements bear more impressive similarities to the paradigmatic Fascism of Benito Mussolini than to classical Marxism Thus he offers a new conceptual framework for the analysis of contemporary totalitarian movements and established regimes Originally published in 1974 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

*The Fascist Persuasion in Radical Politics* Anthony James Gregor, 1974 How valid are the assertions of contemporary radicals who insist that they are Marxists A James Gregor measures the distance that separates today's radicals from the belief system of Marx and Engels He finds that the characteristic qualities of modern mass mobilizing movements bear more impressive similarities to the paradigmatic Fascism of Benito Mussolini than to classical Marxism Thus he offers a new conceptual framework for the analysis of contemporary totalitarian movements and established regimes Originally published in 1974 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

*The Fascist persuasion in radical politics, by A. James Gregor* Anthony James Gregor, 1974

*A History of Fascism, 1914-1945* Stanley G. Payne, 1996-07-15 A History of Fascism is an invaluable sourcebook offering a rare combination of detailed information and thoughtful analysis It is a masterpiece of comparative history for the comparisons enhance our understanding of each part of the whole The term fascist used so freely these days as a pejorative epithet that has nearly lost its meaning is precisely defined carefully applied and skillfully explained The analysis effectively restores the dimension of evil Susan Zuccotti The Nation A magisterial wholly accessible engaging study Payne defines fascism as a form of ultranationalism espousing a myth of national rebirth and marked by extreme elitism mobilization of the masses exaltation of hierarchy and subordination oppression of women and an embrace of violence and war as virtues Publishers Weekly

*Young Mussolini and the Intellectual Origins of Fascism* A James Gregor, 2023-11-15 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a

backlist dating to 1893 *Voices Revived* makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1979      **Yeats, Eliot, Pound and the Politics of Poetry** Cairns Craig, 2015-12-22 It has long been recognised that there is an apparently paradoxical relationship between the revolutionary poetic style developed by Yeats Eliot and Pound in the period during and after the First World War and the reactionary politics with which they were associated in the 1920s and 1930s Concentrating on their writings in the period up to the 1930s this study first published in 1982 helps to resolve the paradox and also provides a much needed reappraisal of the factors influencing their poetic and political development The work of these poets has usually been seen as deriving from the tradition of continental symbolist poetics Yeats Eliot Pound and the Politics of Poetry will be of interest to students of literature      *The Totalitarian Experiment in Twentieth-century Europe* David D. Roberts, 2006 By assessing totalitarianism in a more deeply historical way this study suggests how we might learn further lessons from this troubling phase of modern political development Jacket      **Themes in Modern European History, 1890-1945** Paul Hayes, 1992 Fixes the important developments of the period not only in the political framework of the time but also in their social and cultural context These essays throw new light on the European situation between 1890 and the Second World War Themes in European History treats in thematic fashion a period of great change and upheaval in Europe A collection of twelve essays by five leading historians this textbook highlights important developments and changes that occurred sets these changes in their social and cultural context as well as in the political framework concentrates on the most important powers in Europe completes each essay with suggestions for further reading to guide your students into continuing their research Whereas other textbooks of this period focus on the political events Themes in Modern European History uses a comparative history of institutions and societies with emphasis on the cultural changes as well Students are provided with the whole picture of events and are made aware of the wider consequences of the changes taking place enabling them to understand all aspects of the dramatic transformation of Europe from 1890 1945      **What Is Fascism?** Robert Paxton, 2018-10-02 Based on a lifetime's worth of research esteemed historian Robert Paxton explores what fascism is and how it has come to have a lasting and continued impact on our history In the concluding section of his authoritative book *The Anatomy of Fascism* Paxton makes the convincing and radical case that existing definitions of the popular nationalist and conservative political view are lacking and offers up his own brilliant explication drawn from concrete historical actions thus transforming our understanding of this dangerous ideology and of why it takes hold when and where it does A Vintage Shorts Selection An ebook short      [The Totalitarian Experiment in Twentieth Century Europe](#) David Roberts, 2006-04-27 By developing a long term supranational perspective this ambitious multi faceted work provides a new understanding of totalitarianism the troubling common element linking Soviet communism Italian fascism and German Nazism The book's original analysis of antecedent ideas on the subject sheds light on the common origins and practices of the regimes Through this fresh appreciation of their initial frame of mind

Roberts demonstrates how the three political experiments yielded unprecedented collective mobilization but also a characteristic combination of radicalization myth making and failure. Providing deep historical analysis, the book proves that totalitarianism best characterizes the common features in the originating aspirations, the mode of action, and even the outcomes of Soviet communism, Italian fascism, and German Nazism. By enhancing our knowledge of what totalitarianism was and where it came from, Roberts affords important lessons about the ongoing challenges, possibilities, and dangers of the modern political experiment.

**Totalitarian and Authoritarian Regimes** Juan José Linz, 2000. Originally a chapter in the *Handbook of Political Science*, this analysis develops the fundamental distinction between totalitarian and authoritarian systems. It emphasizes the personalistic, lawless, non-ideological type of authoritarian rule the author calls the sultanistic regime.

**Social and Political Thought of Julius Evola** Paul Furlong, 2011-04-21. Julius Evola's writing covered a vast range of subjects from a distinctive and categorical ideological outlook and has been extremely influential on a significant number of extreme right thinkers, activists, and organisations. This book is the first full-length study in English to present his political thought to a wider audience beyond that of his followers and sympathisers and to bring into the open the study of a neglected strand of contemporary Western thought, that of traditionalism. Evola deserves more attention because he is an influential writer. His following comes from an important, if largely ignored, political movement: activists and commentators whose political positions are like his: avowedly traditionalist, authoritarian, anti-modern, anti-democratic, and anti-liberal. With honourable exceptions, contemporary academic study tends to treat these groups as a minority within a minority, a sub-species of Fascism from whom they are held to derive their ideas and their support. This work seeks to bring out more clearly the complexity of Evola's post-war strategy so as to explain how he can be adopted both by the neo-fascist groups committed to violence and by groups such as the European New Right whose approach is more aimed at influence from within liberal democracies. Furlong also recognises the relevance of Evola's ideas to anti-globalisation arguments, including a re-examination of his arguments for detachment and spontaneism.

**Indoctrinating the Youth** Jennifer Liu, 2024-01-31. *Indoctrinating the Youth* examines how the Guomindang (GMD) or Nationalists sought to maintain control of middle school students and cultivate their political loyalty over the trajectory of the Second Sino-Japanese War, Chinese Civil War, and postwar Taiwan. During the Sino-Japanese War, the Nationalists managed middle school refugee students by merging schools, publishing and distributing updated textbooks, and assisting students as they migrated to the interior with their principals and teachers. In Taiwan, the China Youth Corps (CYC) became a symbol of the regime's successful establishment. Tracing Nationalist efforts to indoctrinate ideology and martial spirit, Jennifer Liu investigates how GMD leaders Chiang Kai-shek and his son Chiang Ching-kuo tried to build support among young people in their efforts to stabilize Taiwanese society under their rule. By comparing two key youth organizations, the Three People's Principles Youth Corps in China and the CYC on Taiwan, Liu uses education as a lens to analyze state building in modern China. Liu's careful analysis of the inner workings

of GMD youth organizations also illuminates the day to day operations of military training in gender segregated upper middle schools including how the government selected instructors and the skills taught to students According to Liu mandatory military training contributed to preventing major protest against the government but the policy was not without critics Intellectuals parents and students voiced their dissent at what they perceived as excessive control by a repressive government and a waste of resources interfering with academics The government mandated civics curriculum including government approved textbooks and standards reveals the characteristics and duties GMD officials believed modern citizens of the next generation should possess Through provisions for refugee students youth organizations military training and civics classes GMD secondary education policy played a critical role in the process of state building in both modern China and Taiwan Skillfully combining archival work in Nanjing and Taipei along with oral interviews with former students and CYC administrators instructors and members Liu offers a unique perspective toward a balanced assessment of Nationalist Party rule

*Fascism* Mark Neocleous,1997 This clear accessible overview treats the subject of fascism thematically and provides a conclusion that brings the discussion up to date Mark Neocleous situates fascism between the social and political contradictions of modernity and capitalism In many ways a reaction to the principal political project of the Enlightenment fascism focuses on three central concepts war nature and nation in order to crush violently movements of ideologies of social emancipation such as Marxism and liberalism The destruction of reason that fascism represents shatters Enlightenment universalism and transforms the desire for social liberation into an aggressive nationalism with devastating effects on human life

**British Fascism, 1918-1939** Thomas Linehan,2021-07-08 A major new and balanced study of British Facism which surveys the development of British fascism between 1918 and 1939 Provides an accessible guide to the essential features of British fascism in the interwar period Considers a previously under researched area of British fascism namely fascism and culture Explores the various definitions of fascism before moving on to analyse the origins of British fascism the fascist parties and groups fascism and culture the membership and British fascist antisemitism

Mussolini Richard J. B. Bosworth,2014-03-04 In 1945 disguised in German greatcoat and helmet Mussolini attempted to escape from the advancing Allied armies Unfortunately for him the convoy of which he was part was stopped by partisans and his features made so familiar by Fascist propaganda gave him away Within 24 hours he was executed by his captors joining those he sent early to their graves as an outcome of his tyranny at least one million people He was one of the tyrant killers who so scarred interwar Europe but we cannot properly understand him or his regime by any simple equation with Hitler or Stalin Like them his life began modestly in the provinces unlike them he maintained a traditonal male family life including both wife and mistresses and sought in his way to be an intellectual He was cruel though not the cruellest his racism existed but never without the consistency and vigor that would have made him a good recruit for the SS He sought an empire but in the most part his was of the old fashioned costly nineteenth century variety not a racial or ideological imperium And self evidently Italian society

was not German or Russian the particular patterns of that society shaped his dictatorship Bosworth's Mussolini allows us to come closer than ever before to an appreciation of the life and actions of the man and of the political world and society within which he operated With extraordinary skill and vividness drawing on a huge range of sources this biography paints a picture of brutality and failure yet one tempered with an understanding of Mussolini as a human being not so different from many of his contemporaries The definitive study of the Italian dictator Library Journal      Burying Mussolini Paolo Heywood, 2024-12-15 Burying Mussolini addresses the global resurgence in authoritarian and nationalist populism and its connection with valorizations of ordinary life Predappio is the birthplace and burial site of Benito Mussolini and Italy's premier neo fascist tourist site with hundreds of thousands of fascist sympathizers descending on the town annually But Paolo Heywood asks what of the people who actually live there What does ordinary life look like in the shadow of Mussolini's grave As politicians commentators and social scientists seek to understand what lies behind new forms of political authoritarianism and whether and how they resemble movements once thought consigned to the past Burying Mussolini narrates how people in Predappio cope with the dark heritage of their home by carefully crafting a sense of ordinariness that is itself inflected by ghosts of their fascist past      **Encyclopaedia of Nationalism** Athena Leoussi, 2018-02-06 Since the end of the internationalist Soviet experiment in 1989 nationalism is now recognized as a positive vital force in modern political cultural and social life if kept in check from excess As a result of the explosion of nationalism there has been a veritable resurgence of nationalism studies This proliferation calls for a survey of instruments which have been developed by scholars for the study of nationalism The Encyclopaedia of Nationalism brings together leading scholars in nationalism studies to survey this complex phenomenon With over one hundred entries the Encyclopaedia of Nationalism offers a complete and concise set of tools for the study of nationalism in a single volume The focus throughout is theoretical and for this reason particular nationalist movements and individual leaders are treated only as illustrative historical and contemporary cases in numerous entries The Encyclopaedia is organized in an alphabetical sequence of entries each of which includes a short bibliography for further reading The reader will find in depth discussions of the work of modern theoreticians of nationalism The defining figures of the eighteenth and nineteenth centuries including Herder Rousseau Fichte Marx and Renan Conceptual entries are treated historically and sociologically Crucial influential ideas and phenomena that continually redefine themselves with changing historical circumstances among them anti-Semitism art and nationalism assimilation class and nation decolonization ethnic competition genocide language and nation multiculturalism religion and nation state and nation and xenophobia are treated in depth A special attraction of this volume is its essay long entries many of which have been written by the scholars who developed them The Encyclopaedia of Nationalism discusses in lucid terms from an interdisciplinary perspective the central issues debates concepts and theories available to students and scholars of nationalism As such it is the most comprehensive and authoritative guide to the subject in all its varied manifestations and

implications It will be an essential tool for historians political scientists sociologists and scholars of the history of ideas

**Fascism In The Contemporary World** Anthony J Joes,2019-06-04 Central to this book is the assertion that fascist regimes similar in ideology and style to Mussolini s in Italy have arisen and will continue to arise in the underdeveloped world The author views fascism as a definite response authoritarian corporatist nationalism to certain problems common to late developing nations not as an aberration that ca *Historical Dictionary of Modern Italy* Mark Gilbert,Sara Lamberti Moneta,2020-10-01 Italy is a country that exercises a hold on the imagination of people all over the world Its long history has left an inexhaustible treasure chest of cultural achievement Historic cities such as Rome Florence and Venice are among the most sought after destinations in the world for tourists and art lovers Italy s natural beauty and cuisine are rightly renowned It s history and politics are also a source of endless fascination Modern Italy has consistently been a political laboratory for the rest of Europe This third edition of *Historical Dictionary of Modern Italy* contains a chronology an introduction and an extensive bibliography The dictionary section has over 400 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Italy

The Top Books of the Year The Fascist Persuasion In Radical Politics The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have enthralled audiences this year. The Fascist Persuasion In Radical Politics : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. The Fascist Persuasion In Radical Politics : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

## **The Fascist Persuasion In Radical Politics Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to

historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Fascist Persuasion In Radical Politics free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Fascist Persuasion In Radical Politics free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Fascist Persuasion In Radical Politics free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading The Fascist Persuasion In Radical Politics. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Fascist Persuasion In Radical Politics any PDF files. With these platforms, the world of PDF downloads is just a click away.

## **FAQs About The Fascist Persuasion In Radical Politics Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading

preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Fascist Persuasion In Radical Politics is one of the best book in our library for free trial. We provide copy of The Fascist Persuasion In Radical Politics in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Fascist Persuasion In Radical Politics. Where to download The Fascist Persuasion In Radical Politics online for free? Are you looking for The Fascist Persuasion In Radical Politics PDF? This is definitely going to save you time and cash in something you should think about.
