**The Father's Emergency Guide to Divorce-Custody Battle** Robert Seidenberg, William Dawes, 1997-01-01 *Taken Into Custody* Stephen Baskerville, 2007-09-01 *Taken into Custody* exposes the greatest and most destructive civil rights abuse in America today Family courts and Soviet style bureaucracies trample basic civil liberties entering homes uninvited and taking away people's children at will then throwing the parents into jail without any form of due process much less a trial No parent no child no family in America is safe The legal industry does not want you to hear this story Radical feminists bar associations and social work bureaucracies have colluded to suppress this information Even pro family groups and civil libertarians look the other way Yet it is a reality for tens of millions of Americans who are our neighbors **The Family**

**Court Industrial Complex and Post Traumatic Family Court Disorder** Khepri Rising, 2009-12-08 This book serves as a paradigmatic revolution in evolutionary theory ethics and family law By way of establishing that cryptic ovulation was the critical event in our evolutionary history *The Family Court Industrial Complex and Post Traumatic Family Court Disorder* conclusively establishes that the savage nature of the family court system is evolutionary based male rape and that many of the systems victims are suffering from an insidious malady known as Post Traumatic Family Court Disorder PTFCD

**Anatomy of a Divorce** Jean Williams, 2005-03-25 This was the most helpful book while I was going through my divorce Doug G Its a lonely walk through a divorce but when family and friends are there to encourage and lift spirits it gives great hope The children of a broken home especially need the strength of family and God When all hell on earth breaks forth how much we need the Peace that only comes from Heaven [Denied! Failing Cordelia: Parental Love and Parental-State Theft in Los Angeles Juvenile Dependency Court](#) Simon Cambridge, 2019-09-17 *Climbing the Broken Judicial Ladder* continues the author's journey of exploring the heartbreak and loss of first adopting Cordelia with severe reactive attachment disorder RAD in Washington state and then of nearly losing her to the draconian and confused child welfare legal complex in Los Angeles In this third volume of his *Denied Failing Cordelia* trilogy Cambridge climbs the broken California judicial ladder from the California Court of Appeals Second Appellate District based in Los Angeles to the California Supreme Court Cambridge concludes that in appeals relating to dependency cases the ladder is broken for parents seeking to advocate for themselves and for the true best interests of their children Policies relating to child welfare are flawed Cambridge argues because of the preemptive and prejudicial response to the issues raised during the detention of children As with his two earlier books Cambridge explores issues connected with how best to parent his adopted daughter and advocate for her needs in the context of a dependency case Cordelia's reactive attachment disorder would surface throughout the judicial struggle as would the author's own struggles with Asperger syndrome Each would feed negatively into the overall trauma and drama of the author's unrelenting quest to reunite his forever family Cambridge believes that dependency proceedings are ill equipped on many levels to elicit a proper understanding of RAD or of the therapeutic parenting needed to address it Cambridge

believes that adoptive parents of children with special needs need to be understood by more sympathetic social workers and by therapists trained in attachment disorders Cambridge's persistent efforts to reunite his forever family would leave him increasingly isolated as he climbs the judicial ladder Based on his experiences Cambridge explores areas for reform in Los Angeles dependency proceedings and evokes Shakespeare's King Lear by arguing that social workers need to see better and that the Los Angeles Juvenile Dependency Court needs to encourage a broader understanding of the issues raised through more effective legal advocacy from assigned dependency lawyers Cambridge argues that parents should be allowed to address the court directly Cambridge also relates how he and his daughter have found many positive and healthy ways to heal in the years since their dependency case ended Much trauma could have been avoided if those around them had seen better and had recognized the value in their dramatic and loving adoption journey

**Legalizing Misandry** Paul Nathanson, Katherine K. Young, 2006-03-21 Paul Nathanson and Katherine Young believe that this reveals a shift in the United States and Canada to a worldview based on ideological feminism which presents all issues from the point of view of women and in the process explicitly or implicitly attacks men as a class They argue that ideological feminism is silently reshaping law public policy education and journalism

Denied! Failing Cordelia Simon

Cambridge,2014-08-30 *The Cankered Rose and Esther's Revenge* begins the author's dramatic journey of adopting his teenage daughter with severe attachment issues in Seattle The heartbreak of then seeing Cordelia stolen by the efforts of his former wife and the child welfare legal complex in Los Angeles alongside that of the trauma of being denied during efforts to reunify with her are each foreshadowed here Issues surrounding adoption trauma parenting children with reactive attachment disorder and the author's own struggles with Asperger's syndrome will be his constant companions on this perilous journey of adopting losing and then trying to reunite with his beloved daughter In this and subsequent volumes the author will also be questioning the ability of the child welfare legal complex and the Los Angeles Juvenile Dependency Court to understand the nature of damaged child attachment or the therapeutic parenting needed to heal children with special needs Ultimately each would be as responsible for failing Cordelia as the breaking of the violent waves for the shattering movement of the rocks on the beach
