

The background of the book cover is a painting depicting the Baptism of Christ. Jesus is shown being baptized in a river, with a dove representing the Holy Spirit descending from a cloudy sky. A rainbow arches over the landscape, which includes green hills and a sandy foreground with some reeds. The title and author's name are overlaid on the top half of the image.

BILL BASANSKY

HOW TO KNOW THE FATHER'S VOICE

"And Jesus, when he was baptized went up straightway out of the water: and lo, the heavens were opened unto him, and he saw the Spirit of God descending like a dove, and lighting upon him: And lo a voice from heaven, saying, This is my beloved Son, in whom I am well pleased."

Matthew 3:16,17

"The footprints (the example) of Jesus are still plain for all to follow as they are led by the Spirit and know the Father's voice."

(Bill Basansky in Preface)

The Book of Unknowing David S. Herrstrom,2012-03-29 The Book of Unknowing meditates on John s confrontation with the incandescent Jesus a figure of our desire for immortality Guiding us through the Gospel s coming to grips with Jesus the poet David Sten Herrstrom prefers sparking the imagination to arguing a thesis as he explores John s own obsessions such as image light symbol water sign water to wine shapeliness symmetry loves Peter Mary s and above all words the Word the body of Jesus The result is a heady literary engagement not afraid of wit and paradox For anyone who loves literature or whose business is interpretation ministers and teachers this book blossoms with fresh revelations about the many voices of Jesus living in the House of the Interpreter and interacting with another interpreter Nicodemus as well as about John the interpreter who continually pauses to explain Jesus motives metaphors and the meaning of his death This meditation on John s Gospel takes the goat s leaping approach to the craggy language of John and Jesus rather than the methodical rock climber s And along the way to help him find footholds on the how and why of John s strategies the author calls on other poets from William Blake to Emily Dickinson and Miguel de Unamuno The result a poet s rather than a preacher s theologian s or scholar s reading of John s book one which crosses the borders of disciplines Throughout The Book of Unknowing David Herrstrom is unsettled and exhilarated by the peculiar orneriness and fragrance of John s book by its strange particulars that grab him by the throat and call lives into question As William Blake has said Exuberance is Beauty and this is an exuberant book

The Dead Father Donald Barthelme,2014-05-06 The Dead Father is a gargantuan half dead half alive part mechanical wise vain powerful being who still has hopes for himself even while he is being dragged by means of a cable toward a mysterious goal In this extraordinary novel marked by the imaginative use of language that influenced a generation of fiction writers Donald Barthelme offered a glimpse into his fictional universe As Donald Antrim writes in his introduction Reading The Dead Father one has the sense that its author enjoys an almost complete artistic freedom a permission to reshape misrepresent or even ignore the world as we find it Laughing along with its author we escape anxiety and feel alive

ANF05. Fathers of the Third Century: Hippolytus, Cyprian, Caius, Novatian, Appendix , **Voices of Influence** Maclarie Ayeley Obimpeh,2015-10-28 This book is about the items that inform our decisions and how much influence these have on our final choices Our main focus has been on the voices we hear either from our parents friends or church leaders and their effect on lifes choices Amazingly most of us take for granted the things we hear either in our spirit or naturally The voices that we heard at one point in time have made us who we are today Those of us who have walked with God closely will confirm that He speaks to His children

Voices from the Mountains Andrew D. Mayes,2021-10-18 In the shifting sands of

today's uncertain world where traditional paradigms are fragmenting and everything seems in a state of flux the biblical mountains endure as unshakable and steadfast In their caves and canyons linger ancient voices that can startle us into new insights and awaken in us new ways of seeing the world and ourselves In this book we go on a quest to locate the ancient voices of those who actually lived in these mountains who knew both the physical contours and spiritual secrets of the summits and who long pondered their mysteries We will rediscover texts and fragments that have been long forgotten in the West The pandemic has filled the world with uncertainty and fear We will discover wisdom and insights that are strikingly relevant to this unfolding world crisis and that speak with an uncanny directness to our situation But the wisdom here is timeless and enduring and readers will benefit from these ancient voices in all generations and in all sorts of circumstances This book is not so much an anthology of forgotten voices as a sourcebook of spirituality and a guidebook for the spiritual adventure
